

When His Eyes Opened Read Novel Chapter 3089

Novel Chapter 3089 -Hazel suddenly realized: "I'll look for it."

Aaron: "Miss, do you have to go to see him? Doesn't he also recognize you? Are you going to have a showdown with him and say that you are the daughter of the Foster family now? If you have a showdown with him, he will definitely entangle you!"

Hazel: "He's not that kind of person."

Aaron: "You haven't seen him for three years. How do you know that he is not that kind of person now? People change. In this society, benefits are always the most tempting. With money, you have everything. So I suggest you, don't showdown with him."

Hazel: "Then if I don't tell him clearly, I may not see him at all. Even if I see him, I can only chat with him as a stranger. He doesn't like chatting with strangers."

Aaron: "You haven't tried it, how do you know he won't talk to you? You are so beautiful, I think most men can't resist your temptation. If you don't have confidence, then you can put On some makeup when the time comes, Dress up a little more beautifully."

Hazel: "Okay! Let me find out the name of his company first."

Aaron: "Then I'll drive to the main road first. Let's find a restaurant first. It's almost lunch time."

Hazel: "Well. You can find any restaurant! I can eat anything."

Half an hour later, Aaron parked the car in front of a mid-to-high-end restaurant.

Hazel followed Aaron into the restaurant.

After the two sat down, Aaron handed the menu to Hazel.

Hazel: "Order it! I'm not picky eaters."

Hazel found a website where she could enter the name to search for related companies, but she had to recharge as a member to search and view.

Hazel had to register as a user and recharge, which was a bit troublesome.

Aaron had been with Hazel for two years, so he was quite familiar with Hazel's preferences.

But the dishes in Thopiavelle were different from those in Aryadelle, so Aaron ordered a few dishes at random.

When the waiter was serving the food, Hazel finally found out the name of Lucas's company.

Seeing Hazel put down her phone, Aaron asked, "Have you found it?"

Hazel: "Well! But I'm a little timid. I went to his company rashly, what should I say? There must be a reason!"

Aaron: "When you were looking for your mentor and going to Hogan's house, you were very assertive."

Hazel: "You're making fun of me again."

Aaron: "You like this guy so much? Is he handsome? Is he as handsome as your elder brother and second brother? I don't believe it."

Hazel: "How can this be compared? I like him not because he is handsome, but because he treats me very well."

Aaron: "How is your elder brother and second elder brother treating you?"

Hazel: "Then can I marry my elder brother and second brother?"

Aaron was at a loss for words.

Aaron: "I want to see how good that man is."

Hazel: "Why don't you go in and take a look when you arrive at his company later?"

Aaron: "Yes!"

Hazel: "After you go in, what are you going to say?"

Aaron: "What's the man's name?"

Hazel: "Lucas."

Aaron nodded, and then said, "When I arrive at his company, I will tell the front desk that I have something very important to find Lucas. Then the front desk will definitely report him. Then he will come out. If he looks good, then you go out, if he grows crooked, I will leave."

Hazel: "..."

Aaron: "How is it?"

Hazel took a deep breath: “Okay! I’ll see if his company is hiring. If his company is hiring, I’ll tell him that I’m here to apply when I see him.”
