Novel Chapter 3108 –

Hazel: “Then I’ll call you by your name, Lucas?”

Lucas had goose bumps all over his body: “You should call me boss!”

Hazel smiled: “Boss, I don’t have your phone number, why don’t we exchange contact information! Then I can call you when your meal is ready.”

Lucas: “Do you have to do this?”

Hazel: Otherwise, I have nothing to do. It’s boring.”

Lucas: “You can go back to Aryadelle.”

Hazel: “I’ll be back in two days, you don’t have to drive me away. I’ll definitely go back.”

Lucas: “What do you think of my place? As a teahouse? You come whenever you want? I hate people like you who have no sense of boundaries.”

Hazel: “You said this last time, but you still gave me the key.”

The car stopped in the parking lot of the community.

The two get out of the car.

“Boss, what do you want for lunch? I’ve prepared it and sent it to the company for you!” Hazel walked to Lucas’s side, and continued, “Didn’t I wash the sofa for you? I want to see if the sofa cover is dry. If it does, I’ll have to put it on for you.”

Listening to her thoughts, Lucas frowned: “Does your family know that you have come to Thopiavelle?”

Hazel: “Yes!”

Lucas: “Do they know you’re here?”

Hazel: “Yes!”

“Why doesn’t your family care about you?” Lucas was puzzled, “If my daughter is like you, I have to beat her up.”

Hazel: “...”

Entering Lucas’s home, Hazel brought breakfast to him, and then went to the balcony to see if the sofa cover was dry.

Hazel touched the sofa cover, and then said: “Boss, the sofa cover is a bit thick and it’s not dry yet.”

Lucas: “Why did you call me if it didn’t do it? Can I let it do it?”

Hazel walked in with a smile: “Let me tell you! It didn’t do anything, at least wait until it does, and I’ll put it on for you before leaving!”

Lucas did not refute.

hotel.

Aaron received a call from Avery.

Avery: “Aaron, when will you and Hazel come back?”

Aaron was very embarrassed: “Didn’t you ask Hazel? She didn’t tell me the exact time! I’m afraid I’ll annoy her if I keep calling her. What is she doing now?”

Aaron: “Maybe she went to find Lucas! When I was having breakfast in the hotel restaurant this morning, I saw her go out.”

Avery: “Why don’t you go out with her?”

Aaron: “She won’t let me follow. She is much more familiar with this place than I am. And according to my observation, she has nothing else to do except look for Lucas. If something really goes wrong with her, I’ll go to find Lucas.”

Avery frowned: “I can’t let something happen to her.”

“Don’t worry, she should be fine. I’ve seen Lucas; he doesn’t seem to like Miss. He won’t do anything to Miss.” Aaron spoke confidently.

Avery: "Are you sure Lucas doesn't like Hazel?"

Aaron: "Yeah! That man is a bit pushy. He doesn't talk much, and it's Miss who catches up with his hot face sticking to his cold *ss."

Avery sighed: "I really want to see what kind of person Lucas is, so that Hazel likes him so much."

Aaron: "He's just an ordinary man. He's not as handsome as Mr. Robert!"

Avery: "He must have his strengths; otherwise, Hazel wouldn't like him so much."

Aaron: "Madam, You don't need to look at him, Miss said she will leave in two days, and will never come to him again."
