

A Man Like None Other Novel

Chapter 2934

"Genius doctor, please accept me as a disciple!"

Dr. Sun kowtowed to David as he said that!

David opened his mouth, but found that he had no strength at all, and Sonya looked at Dr. Sun in shock, "Dr. Sun, what's wrong with you? My dad is still awake?" Sonya didn't understand, her father

clearly Why did Dr. Sun call David a miracle doctor before he woke up?

"Miss Su doesn't know something. Just now, the genius doctor used the nine-turn revival needle, which can heal even the dead, so President Su will be fine!" Dr. Sun followed Su

Yuqi to explain.

"So powerful?"

Sonya looked at David in disbelief. If what Dr. Sun said was true, then this David could really be called a miracle doctor.

"I didn't expect you to know the Nine-turn Resurrection Needle!"

David gasped and said in surprise.

This Nine Turns Resurrection Needle is an ancient acupuncture method that has been lost for a long time. David learned it from the old dragon head. He didn't understand how Dr. Sun knew it.

"Genius doctor, I am Karl, the vice president of Horendel Association of Traditional Chinese Medicine. I have read about this acupuncture method in an ancient book. I never thought that I would be lucky enough to see a miracle doctor perform acupuncture today. He also asked the miracle doctor to accept me as a disciple.

" Then, Karl kowtowed to David.

Karl's behavior made David a little overwhelmed. At this moment, several coughs sounded, and Ruben woke up!

"Dad!" Sonya came to her senses, and hurriedly stepped forward to help Ruben up, but was grabbed by David, "Miss Su, you can't move now, wait until I take out the silver needle from your father's body!" Chen

Ping Ping took Sonya's delicate hand, it was soft and warm in it, which made David's heart agitated, and Sonya seemed to feel the temperature in David's hand, her face turned red and she said, "Thank you!"

David hastily let go of Sonya, calmed down, and waved his hands lightly in front of Ruben, the coefficients of the eighty-one silver needles were sucked into David's palm!

"Okay!"

David handed the silver needle back to Karl, and said to Sonya.

At this moment, Sonya didn't dare to have the slightest doubt about David, and after thanking her, she stepped forward to help Ruben up, tears were about to flow out of excitement.

"Dad, how are you feeling?"

Sonya asked while supporting Ruben.

"I'm fine, I'm fine!" Ruben smiled slightly, but when he saw Karl kneeling on the ground, he was full of doubts and asked, "What's going on?"

After telling his story, Ruben was surprised when he heard it.

He felt that David could see the illness in his body, so he should have some tricks, but he didn't expect it to be so powerful that even Karl, the vice president of the Chinese Medicine Association, would kneel down to worship his teacher! "Little brother, this is the second time you have saved me. From now on, you are the great benefactor of my Su family. As long as you say a word, I, Su, can do it, and I

will never refuse!"

Said excitedly.

"President Su is polite, it's just a little effort, and you have done good deeds for a long time, which is also your blessing!"

David said flatly, but then changed the subject, "Although I temporarily saved your life with the nine-turn resurrection needle, but If your disease is not cured, you will not live for more than three months!"

Hearing what David said, Ruben knelt down in front of David with a thud, "Please save my life, sir, I am willing to give my life's resources!"

Ruben was afraid, and no longer called David his little brother, but changed his name to Mr. David. He was really afraid that David would not save him.

In order to survive, he is willing to give all his wealth to David. As the richest man in Horendel, Ruben has a lot of assets, and now he wants to give it all to David. Anyone who sees it will be envious.

"Mr. Su doesn't have to be like this. Since you let me meet you, I will naturally save you, but I still need some rare medicinal materials, so I need you to prepare the medicinal materials!" David has no money to buy medicines for Su

Wenzong , and the medicinal materials he needs are priceless, most people really don't have all the preparations!

"Sir, just say what you need!" Ruben nodded quickly, and then said to Sonya, "Yuqi, prepare a pen and paper to record it!" David felt

uncomfortable when Ruben suddenly changed his name to Mr., so he said, "Mr. Su, my name is David, you can just call him by my first name!" "

How can it be, Mr. Chen is my savior, and my Su family will never forget it!"

Seeing Ruben's stubbornness, David didn't agree. Instead of insisting, he wrote a full medicine list with pen and paper and gave it to Sonya!

"Boss Su, most of the medicinal materials on this list are for your needs, but a small part is for my mother. My mother is blind and needs some medicinal materials if she wants to be cured!" David truthfully said

. Follow Ruben.

David's mother Barbara's eye disease was caused by crying for too long, so she became blind. It is not difficult for David to cure it!

It's just that with his current ability, it may be difficult to prepare the medicinal materials for treatment, so he simply asked the Su family to prepare together.

However, there were two things that David worried that the Su family would not be able to find them. One of them was the writing brushes with a certain spirituality, such as the writing brushes used by writers for a long time, which had spirituality.

Or brushes made of spiritual animal hair are also available, these spiritual brushes are just one of them!

Cinnabar is also needed. Although cinnabar is very common now, the cinnabar that David needs to use is made of small-leaf red sandalwood or old mountain sandalwood that is more than a hundred years old. With the spiritual brush, you only need to touch a few on Barbara's eyes. After the first time, you can basically see things.

Although David also wrote these two things on the list, he didn't expect the Su family to find these two things. These two things are rare but not sought after, and only those who understand can tell the difference!

Chapter 2935

"Mr. Chen, just ask what you need, as long as I can do it, I will never refuse!"

Ruben said hastily.

"Mr. Chen, what are the brushes and cinnabar on your list for?"

At this moment, Sonya asked.

After all, brushes and cinnabar are not like things that can be used to cure diseases, and these two things are everywhere!

"Yuqi, since Mr. Chen wrote it, it makes sense, don't talk too much!"

Ruben said with a glare at Sonya.

"No problem!" David smiled "These two are also used for healing, but these two are not ordinary brushes and cinnabar, they need spiritual brushes and cinnabar! "

"Spiritual?" This time Sonya was stunned!

Ruben was also confused, they didn't understand what was spiritual at all.

Seeing that both of them were confused, David explained, "Everything in the world is born and dies, and everything has spirituality, even the dead things seen by the world, such as a table and a chair here, can be It is spiritual, but it requires particularly harsh conditions and opportunities!"

"For example, the chair I made, if I sit on this chair and practice for ten years, fifty years, or even a hundred years, it will A chair will gradually become spiritual."

David was afraid that the two of them would not understand, so he could only follow the two of them in a very simple way.

"Oh, I understand!" Sonya suddenly exclaimed in amazement, "Mr. Chen's meaning is like a TV show, a tree in the Immortal Cave Mansion can become spiritual after a long time, and even transform into a human form!"

"Yuqi, don't talk nonsense!" Ruben was speechless after hearing Sonya's explanation.

In his opinion, there are no gods in this world, what a century!

"Miss Su's explanation is quite correct, that's what it means..."

David smiled slightly.

David didn't believe it before, but after following the old leader for three years, he realized that there are too many things in this world that he doesn't know.

Just like the Heart Concentration Jue passed to him by the old dragon head, it is a method of cultivating immortals, as long as David succeeds in practicing it, he will really become an immortal!

Ruben smiled awkwardly. He didn't expect Sonya to explain it correctly. If someone said something about spirituality or gods, Ruben would definitely sneer at it. However, when David said it, Ruben was a little shaken!

David and Ruben were talking, but they didn't even look at Karl who was kneeling on the ground. Although Karl was not particularly bad in nature, it was difficult for him to take responsibility. David didn't want to accept him, and without the old leader's permission, David I will not accept disciples casually!

After talking for about ten minutes, David also knew how Ruben was injured. It turned out that Ruben was slapped by a business competitor when he was young. Because there was no external injury, he was fine after the inspection. So he didn't care!

But after a short period of time, Ruben felt that his body was getting weaker and weaker, and he often had difficulty breathing. He had been taking some tonic medicines for support until now.

But Ruben was afraid that his family would be worried, so he kept it a secret, which is why Sonya didn't know that her father had a hidden disease.

As soon as David heard it, he understood that the person who injured Ruben must be a warrior. The warrior who had cultivated inner strength seemed to want to kill Ruben. Tonics can support him until now. If he hadn't met himself, Ruben might not be able to survive at all.

"I beg Mr. Chen to accept me as an apprentice..."

Karl, who was kneeling on the ground, shouted again.

At this time, his legs were already numb, accompanied by pain, which made Karl very uncomfortable now.

David glanced at Karl, "Get up, I won't accept apprentices, but if you don't understand something, I can point you out!"

Seeing that Karl had been kneeling for such a long time, David was sincere, so he agreed to teach him, but David would never accept an apprentice.

Seeing what David said, Karl was overjoyed and thanked again and again, "Thank you, Mr. Chen, thank you, Mr. Chen..."

Karl stood up slowly, but his legs were numb and painful, which made him unable to stand at all!

Seeing Karl's situation, David stretched out his hand and tapped Karl's leg, and the pain and numbness disappeared instantly, which shocked Karl!

"Boss Su, I still have my parents at home. I'm going back. You can call me when the medicinal materials are ready!"

David slowly got up and said.

David's mother was still at home alone, which made him very worried.

"Mr. Chen, I don't know where you live now?"

Ruben asked.

"Live in Xingfuli community, what's wrong?"

David asked with a strange expression.

"Oh, it's nothing, I just have a house that has been idle and useless, so I will give it to Mr. Chen, that place is also very suitable for recuperation, I hope it will be useful to Mr. Chen!" Ruben said, taking out a key from his

pocket !

"Then thank you, Mr. Su!"

David originally wanted to refuse. He did not seek to get anything from seeing Ruben. It will take a while, so I agreed.

But when the key was handed over to David, David was stunned. It was a key to Panlong Bay villa area.

Chapter 2936

Pine villa area is the best community in Horendel. The whole community is built on the only mountain in Horendel. The scenery in the community is pleasant and the air quality is particularly good!

The people who can live here are either rich or noble, and they are all upper-class figures. Ordinary people, let alone live in the community, can't even afford the property fee!

"President Su, this... this house is too expensive, you should take it back!"

David hurriedly returned the key.

"Mr. Chen, don't try to evade. Could it be that my life is not worth a house?"

Ruben said with a slight smile.

When Ruben said this, David could only accept it, and Ruben took out another bank card and gave it to David, with 10 million in it.

David knew that he couldn't evade it, so he could only put his bank card in his pocket!

Just when David was about to leave, there was a burst of noise downstairs, very loud!

David frowned slightly!

Seeing David frowning, Ruben immediately called the hotel manager over.

"What's going on? So noisy?"

Ruben asked.

"Mr. Su, Mr. Xiao from the Xiao family is getting married today, and the wedding banquet is held in the banquet hall on the second floor, that's why it's so noisy!" The

manager hurriedly explained to Ruben.

When Ruben heard this, he gave up. After all, his hotel is only open for business, and when he gets married, some noise is inevitable!

"Boss Su, I'm leaving!"

David bowed his hands to Ruben and walked out of the private room!

Just after David went downstairs, he ran into Jordan walking into the hotel with his bride Delia in his arms!

After seeing David, Jordan was taken aback for a moment, but then he burst out laughing, "David, I didn't expect you to come to our wedding, do you want to eat and drink?" David coldly

scanned Jordan glanced at him, but didn't say a word, and turned to leave!

"Don't go!" Jordan blocked David's way, and said mockingly, "Look at your ex-girlfriend, isn't she very beautiful now? Don't you have anything to say to her?" Jordan

said Deliberately embarrassing David!

"Brother Lei, ignore him, the time is coming!"

Delia, who was in Jordan's arms, said to Jordan coquettishly without even looking at David.

"Jordan, don't bother with this trash, you can't miss the time, you go into the lobby, I'll drive this trash away!"

Ethel urged Jordan, then looked at David and said, "You bastard is never finished." You even chased me to the hotel, just like your toad, can my daughter take a fancy to you? Don't take a pee and take a picture of yourself, get out of here, don't try to make trouble here!

"It's every word to punish the heart!"

Those relatives and friends around whispered to each other, watching David continue to sneer!

At this time, David was like a jumping clown, being laughed at by everyone!

"One day, you will all kneel at my feet and beg me!"

David suppressed the anger in his heart, pushed Jordan who was in the way, and walked out!

"Stop him!" Jordan frowned. "Today, if you want to participate, you have to participate, and if you don't want to participate, you have to participate. I will let you, a waste, watch your girlfriend marry me!"

"Several people immediately stopped David. They were beaten up at David's house, and they still had resentment in their hearts. Now it's time to take revenge on David!"

Seeing the bald people blocking him ferociously, David slowly turned his head to look at Jordan, "Are you sure you want me to attend your wedding?"

"Yes, I just let you see it with your own eyes. I want you to know that if you dare to fight with me, you are not worthy..."

Jordan sneered.

“Well, if I attend, your wedding will not be successful!”

After David finished speaking, he turned and walked into the wedding banquet hall on the second floor. There are more than 100 tables in the hall!

“Hahaha, I want to see how you make my wedding impossible!” Jordan laughed, he didn’t believe David’s threat at all, but in order to prevent David from causing trouble and disturbing everyone’s elegance, Jordan turned to the bald head said, “Bald head, bring a few more people and follow David well. If he dares to come back, I will arrest him immediately!” “Don’t worry, Mr. Xiao, I will leave this

matter to me!”

Nodding his head, his eyes became colder. He just wanted to seek revenge from David!

In the marriage hall, David found a corner and sat down. The people who could attend the wedding of Young Master Xiao’s family were either rich or noble, and they were all famous people in Horendel. Ordinary people like David were not qualified to attend at all!

Therefore, the appearance of David caused many guests in the hall to cast strange glances. It seems a bit inappropriate for such a luxurious wedding scene to suddenly appear with an ordinary young man!

But soon, David’s identity spread among the many guests. This time, more eyes looked at David, most of them with teasing sarcasm, and some with sympathy!

It’s just that David didn’t care about these gazes, sitting alone in the corner, eating the dried fruit on the table, without any expression on his face!

The bald man took a dozen people and stood behind David and stared closely. As long as David dared to make any changes, he would strike without hesitation!

"Hey, isn't this David? When did you get out of prison?"

A mocking voice sounded, and David looked up, and found a woman dressed enchantingly and with heavy makeup walking towards David. There is a young man by his side!

The woman's voice instantly attracted the attention of the surrounding guests. At first, they only thought that David was the bride's ex-boyfriend who came to see their girlfriend for the last time, but they didn't think that David had been in prison. interested.
