

# A Man Like None Other Novel

## Chapter 2937

“Cang Hufa...”

Another demon cultivator yelled when he saw his companion was whipped to death by David!

But Lao Sun and the others rose up to attack, without giving the demon cultivator any chance to breathe!

David looked at the magic whip in his hand, with a smile on his face, this thing is really good against magic cultivators!

“Back off, I’ll deal with this guy...”

David took the magic whip, jumped suddenly, and then whipped the whip towards Moxiu!

I saw a breath as fast as lightning, rushing away like a sharp blade!

Seeing this, Lao Sun and the others quickly backed away!

And the demon cultivator looked at David, his eyes were full of anger, he swung his palm suddenly, and a fire dragon appeared instantly, roaring towards David!

But at the moment when David’s magic whip touched the fire dragon!

Thunder resounds through the entire snow field!

The fire dragon collapsed in an instant, and David's magic whip brought the demons to the fire, and he arrived in front of the demon cultivator in an instant!

Pa...

With a crisp sound, the fire on the magic whip instantly turned into a sea of flames, surrounding the magician!

The flames soaring into the sky rose up!

Facing the most pure flame of the demon race, this demon cultivator has no ability to resist!

From being fought by Lao Sun and the others at the beginning, to being whipped by David!

This demon cultivator was in fear from the beginning to the end!

Extreme fear made him unable to exert his strongest strength!

Otherwise, David's whip would not be able to kill him so easily!

In the midst of the flames, the demon cultivator wailed, and finally turned into fly ash and disappeared completely!

The others looked at David quietly, and their hearts were extremely shocked!

With one whip, an eighth-grade monk of the Composite Body Realm was killed!

Draw the magic whip, the dragon bell.

Which one is not a peerless magic weapon? If other people had such a treasure, they would be overjoyed!

But now David actually owns two pieces, and these two pieces are not necessarily all of David's!

A little cultivator of the third rank of the Composite Realm possesses two kinds of treasures!

But Lao Sun and the others didn't know that the Dragon Slaying Sword in David's hand was considered a magic weapon, especially the sword spirit Zhongli. If Zhongli recovered as before, the power of the Dragon Slaying Sword could be multiplied several times!

There is also the God King Bow, if David still has the God King Bow in his hand, maybe he can fight that Linglong!

If David took out all these magical weapons, Lao Sun and the others would probably be so envious that they would not want to live!

"Let's go, now we need to find a safe place to recover!"

David said to the few people who were still in shock!

Lao Sun and the others nodded, and then quickly left with David!

They must leave this area as soon as possible, or else they will be discovered by the devil, and they will really die!

Just as David and the others were fleeing quickly, suddenly there were several terrifying auras coming towards them from far and near!

This time, David and all of them frowned!

"It's over, it's over, are these demon cultivators endless?"

Ji Yun was seriously injured, and if he encounters a demon cultivator again at this time, he will definitely die!

"Damn, when did so many demon cultivators appear in this extreme north? These guys should have been extinct a long time ago, but they are all powerful!" "It's really fucking unlucky..."

"

Old Kong was cursing. He originally wanted to come to the extreme north to find treasures. Now that he didn't find any treasures, he probably would die here!

David held his breath and focused his attention, condensing the power of his consciousness to the maximum ability!

Soon, a smile appeared on David's face, and he said to the crowd, "These are not demon cultivators, they are here to save us..."

After finishing speaking, David led a few people towards the direction of those auras. !

When they saw the figure, everyone else breathed a sigh of relief!

## Chapter 2938

"David..."

Gao Qilan shouted loudly at David, and then quickly ran over!

Behind Gao Qilan, there were several Gao family's guard masters, all of whom were at the eighth or ninth rank of the Fit Body Realm!

It can be seen that the strength of the Gao family cannot be underestimated!

"Are you all right? After Xiaojie ran back and told what happened to you, my brother asked me to bring someone to rescue you." Gao Qilan said!

"It's okay, I was just injured."

David shook his head and said!

"You guys go back to Gao's house with me first, let's talk about the search for the treasure after you recover your health." "

Recently, the demon cultivators have been too rampant in the extreme north. Many monks who came to search for the treasure were slaughtered."

" A lot of people have died now, in your situation, it is very dangerous to look for it."

Gao Qilan persuaded David!

David nodded, although he really wanted to find the real treasure and get the Ice Soul Pill as soon as possible, but the current situation does not allow him to find it any longer!

Moreover, Huofeng and Yu Jiameng were still at Gao's house, and David just wanted to meet them!

Lao Sun and the others also knew that it was not suitable for them to walk in the extreme north, so they also agreed to go to Gao's house!

Soon everyone set off and went to Gao's house!

And Linglong, who was teleported away, has also arrived at the place where David fought with Guardian Cang and the others just now!

Looking at the traces of the battle on the ground and the fragments of the pagoda, Linglong frowned tightly!

"Cang Hufa's magic weapon is broken, what kind of master did he meet?"

Linglong didn't know, Cang Hufa and the others were killed by David and others!

This pagoda was also broken by David!

Just when Linglong didn't know what other masters were there, Balrog's voice rang in her ears!

"Guardian Cang and the others are already dead, what are you doing? Get out of here immediately..."

Hearing the sharp voice of the Balrog, Linglong's forehead instantly burst into cold sweat!

However, he was obedient and obedient, and disappeared with a leap!

.....

Gao's family!

After Huofeng and Yu Jiameng knew that Gao Qilan was going to pick up David, they were all overjoyed, waiting for David excitedly!

"Sister Jiameng, when the master comes, I will let him pamper you well. For the sake of the master, you have come to this heavenly human world with us for so long."

Huofeng said to Yu Jiameng!

When Yu Jiameng heard it, her face flushed and she said, "Don't talk nonsense, I don't know David at all..." "

What's not familiar with each other? You'll be familiar with it after sleeping."

Huofeng smiled and said!

"You also said that Yuqi's real girlfriend hasn't slept with David yet, and you all got there first."

Yu Jiameng said!

"Hahaha, Sister Yuqi needs a good matchmaker to marry, we don't need..."

Huofeng laughed hahaha!

Soon, David and the others appeared, and Huofeng and Yu Jiameng, who had been looking forward to it, ran out quickly when they saw the figure!

They have been here in the Celestial Realm for so long, and they have gone through all kinds of hardships in order to find David, and now they finally see it!

"Master, master..."

Huofeng quickly ran towards David, and finally threw herself directly into David's arms!

"Huofeng..." David hugged Huofeng tightly.

"David..." Yu Jiameng also stepped forward and whispered to David!

"Master, Sister Jiameng also came after you without hesitation to save you when you were sucked into the world of heaven and man."

Huofeng followed David and said!

"Miss Yu, thank you..."

David followed Yu Jiameng very politely!

“Huofeng, David and the others are already very tired after being chased and killed by the demon cultivator. Let them rest first. If you have anything to say, talk to Huofeng after they have rested!” Gao Qilan said to Huofeng

!

Huofeng nodded, and then everyone entered Gao’s house, Gao Qilan had already arranged a place to stay!

After settling down, Gao Qilan found David and said, “David, my brother wants to see you, come with me...”

## Chapter 2939

When David heard that the Gao family wanted to see him, he went with Gao Qilan!

He was also planning to meet the head of the Gao family!

David is still not very clear about the attitude of the Patriarch of the Gao Family now!

If Gao Qiqiang is a wicked person, or even a person who colludes with Moxiu, then they will be in danger living in Gao’s house!

Soon, Gao Qilan brought David to the living room!

David saw a middle-aged man sitting on the main seat, David knew that this should be Gao Qiqiang, the Patriarch of the Gao family, and Gao Qijie was sitting on the lower seat!

When Gao Qijie saw David, he got up very politely and greeted David!

After all, without David, Gao Qijie would have been buried in the trap of Moxiu, Gao Qijie knows this best!

Seeing David, Gao Qiqiang also hurriedly got up and greeted him personally!

“Mr. Chen, thank you so much. You not only saved Xiaolan, but also Xiaojie. It is very difficult for us to repay your kindness to our Gao family.” Gao Qiqiang did not act like a

patriarch at all, but was very kind!

This first impression made David very comfortable!

“Patriarch Gao is serious. It is inevitable that there will be difficulties outside. It is normal for monks to help each other!”

David said with a faint smile!

“Mr. Chen, please take a seat...”

Gao Qiqiang sat down in a gesture of invitation, and then returned to his seat!

After sitting down, Gao Qiqiang clapped his hands, and soon someone brought a very delicate copper plate, and on the copper plate, a piece of crystal clear ice soul fragments shone with a faint light!

“Mr. Chen, you know that there are many ice soul fragments in this extreme north, but these things are extremely difficult to find.”

“However, this ice soul fragment is of great help to cultivation and recovery of spiritual power. I, Gao, have nothing to thank you for saving my younger brothers and sisters, so I can only give you one ice soul fragment. I hope you don’t want it.” Dislike...”

Gao Qiqiang said very sincerely!

Looking at the shard of ice soul, David was also a little surprised, he didn’t expect Gao Qiqiang to give him such a precious thing!

"Master Gao, this thing is too expensive, I can't accept it, besides, Miss Gao saved my two friends and let them live here with peace of mind, I am already very grateful.

"Jia Meng was rescued and arranged to live in his own room, David was very grateful!

"Mr. Chen, I heard that those two girls are your confidantes. This matter was alleged by my unworthy second brother. It almost turned into a big mistake!"  
"But I have already taught him a lesson

. Mr. Chen must accept the fragments of the ice soul..."

Gao Qiqiang said!

Seeing that Gao Qiqiang was so persistent, David had no choice but to accept the fragment of the ice soul!

After seeing David accepting the ice soul fragments, Gao Qiqiang smiled, then waved his hands and said, "Xiaolan, Xiaojie, you go out, I have something to talk to Mr. Chen."

Gao Qilan and Gao Qijie nodded, and then walked out!

On the other hand, David looked puzzled, not understanding what Gao Qiqiang had to say to him!

Just after Gao Qilan and Gao Qijie left, Gao Qiqiang suddenly shot out a breath, covering David in an instant!

This aura was extremely domineering, and it instantly enveloped David!

David did not expect that Gao Qiqiang would suddenly attack him, his brows furrowed, and the power of the three clans on his body erupted instantly!

Immediately afterwards, there was another huge wave of consciousness, which desperately drilled into David's body, as if it wanted to find out all of David's secrets!

Just when this divine consciousness was about to enter David's body, David's huge sea of consciousness instantly emitted the power of divine consciousness, trying to swallow or defeat this force that had invaded his body!

## Chapter 2940

David's sea of consciousness is huge, but the power of this consciousness is extremely powerful. From this point of view, compared with Gao Qiqiang, David's strength is still far behind!

Soon, David couldn't hold on, and Gao Qiqiang's spiritual consciousness invaded his body, and then this divine consciousness began to obtain the secrets of David's body in David's sea of consciousness!

But just when Gao Qiqiang's consciousness was about to investigate in David's sea of consciousness, suddenly the Da Luo Jin Dian automatically activated without wind!

A dazzling golden brilliance shot out from the Daluo Jindian!

This brilliance is fast and has a special aura!

In just a split second, Gao Qiqiang's consciousness was instantly defeated.

David's aura of restraint disappeared instantly, and looking at Gao Qiqiang, his face was extremely ugly, and a stream of blood flowed from the corner of his mouth!

"Patriarch Gao, what do you mean?"

David looked at Gao Qiqiang coldly, this guy suddenly attacked him, David was very angry!

"Mr. Chen, don't get me wrong, I don't mean anything malicious, I just want to see your body!" "

Unexpectedly, you are only a little cultivator of the third rank of the Body Fit Realm, and you actually possess the original aura. It's unbelievable, it's unbelievable... "

Gao Qiqiang said in shock!

"Original breath?" David frowned slightly. "What

is this original breath?

" I only know that breaking through the tribulation is tantamount to reshaping the whole body, allowing you to understand the origin and reach a new height for everything." "

After breaking through the tribulation, you can become a half-immortal body, as long as you slowly understand and improve , and finally can ascend to immortality."

After hearing this, Gao Qiqiang nodded, "That's right. After crossing the tribulation, one can understand the origin, and the aura of the origin also determines the level of each monk's ability after crossing the calamity!

" It's not surprising that talented people can feel the original energy even in the Tribulation Transcending Realm." "

However, I have never seen someone with the original energy in the Fusion Realm. I never thought you would have the original energy?"

" You know, it is easy to understand the original source, but to have the original breath, it requires difficult cultivation, and the original space needs to

be formed in the body, which is similar to the dantian of a monk." Gao Qiqiang explained to David, but the more he explained

, David was in a more bewildered state!

David didn't feel that he had any original aura, it was just that Da Luo Jindian suddenly flashed a golden light just now, but the aura that flashed with the golden light was indeed a bit different!

Gao Qiqiang looked at David's bewildered expression, and knew that David didn't understand anything at all, and the more he explained, the more bewildered he became, so he said, "I'll take you to my original space to take a look and you'll know. "

Don't resist any more, the original aura in your body is too strong, give it to me, I'm afraid I can't take it anymore." Gao Qiqiang was a little scared, he was afraid that he was emitting

that original aura !

But Gao Qiqiang didn't know that it wasn't David's own original aura, it was from the Da Luo Jin Dian!

David can't control it at all, it's not something he can use if he wants to!

"Patriarch Gao, don't worry..."

David nodded!

I saw that Gao Qiqiang waved his hand.

hum!

David only felt a slight tremor in his sea of consciousness, and then a gray light fell, and then wrapped David's primordial spirit!

Then David's eyes blurred, and then he appeared in a palace, and this palace was all made of ice blocks!
