

A Man Like None Other Novel

Chapter 2941

"Where am I?" David was a little confused!

Soon, the figure of Gao Qiqiang appeared, comforting Chen Pingdao, "Mr. Chen, don't be afraid, this is my original space..."

After Gao Qiqiang finished speaking, the originally somewhat gray space began to tremble slightly. Groups of brilliance slowly rose.

David saw that some of the rooms in the palace were colorful, while others were gray!

"What I feel is the origin of ice, those colorful brilliance are the original aura, but there is no original aura in that gray room."

Gao Qiqiang followed David to explain !

"Patriarch Gao, have you already broken through the tribulation and reached the Mahayana realm?"

David asked in surprise!

Gao Qiqiang shook his head, "I haven't broken through the tribulation yet, but I have realized the origin of ice in advance. It's only after so many years of hard work that I have refined the original aura of this point." "I hope that after I break through the

tribulation At that time, I can fill the original space, and hope to expand my own original space at that time, if I can reach a city, then I will be satisfied." "

Patriarch Gao, do you think that the original space is like this palace?" David was a little puzzled, could it be that the origin space is also like a monk's dantian, all of them look the same! "Of course not. The perception of the origin

forms a space. There are all kinds of things. Some are the sea, some are ponds, and some are just a small house."

The size of the space for perception, the larger the original space, the greater the future achievements."

Gao Qiqiang continued to explain to David!

"Then the source of perception is different for everyone?" David continued to ask curiously!

"It's not the same. There are many kinds of origins, such as ice, fire, water, thunder, electricity...etc. What kind of origin each person can perceive depends on his own perception." "Whether a person can perceive

multiple Origin?" David asked again.

"Of course, there are two kinds, three kinds, or even five kinds of origins. The more people realize the origins, the greater the achievement. Planted it." Gao Qiqiang said!

"Patriarch Gao, what kind of original aura is it that you said just now?"

David was very curious, what kind of original aura exudes from the Da Luo Jindian!

"This..." Gao Qiqiang frowned, "I only know it's the original breath, but I don't know what kind it is." "Don't

you know the original breath in your body?"

Gao Qiqiang was very puzzled. How could Ping not know his original aura?

"I..." David looked a little embarrassed, "I don't know how that aura came from just now!" Hearing

David's answer, Gao Qiqiang looked at David strangely, and then said, "Your body It's really strange, as a golden dragon avatar, you don't need to say anything with the power of a dragon, but you have a strange aura in your body!" "You have all the auras of human race, demon race

and even beast race, and now you still have aura in your body." I really don't know how to evaluate you."

Hearing Gao Qiqiang's words, David couldn't help frowning and said, "Patriarch Gao, you...do you know my identity?" "

I can see your identity , It's not surprising, I believe it's not just me, even the old guy from the ancient body training clan has already seen your identity, otherwise why would he hand over the magic whip to you, do you really think that The old guy is so simple, he can casually hand over such an important thing to a stranger?"

"When you got the treasure jade token in Jialing County, your identity was already known. Otherwise, you, a little monk in the Composite Realm, no matter if it was the treasure jade token, or the magic whip, or even the secret of the treasure, would have let you Know?"

Gao Qiqiang said with a slight smile!

Chapter 2942

Listening to Gao Qiqiang's words, David fell into a daze!

"Could it be that all of this is calculated to deceive me?"

David looked puzzled!

"I'm not lying to you, but I just want to take advantage of your identity. You can refine the flames of the demons, which is a fatal threat to the flames." "

Actually, the land of the extreme north is not as quiet as it seems, there are a large number of demons appearing in the extreme north, and there are even other secret organizations." m

. That's all."

"Now the demons show signs of ruling the entire northern land, so we must find a way to restrain the development of the demons." "

And you are the best chess piece to restrain the demons..."

Gao Qiqiang did not hide anything, and put David is just a pawn to say it all!

"Patriarch Gao, I don't understand, your strength is much higher than mine, why don't you take someone to destroy the demon lair yourself?" David didn't understand,

Gao Qiqiang had such high strength, and there were many masters in the Gao family, Why don't you take it with you and wipe out those demons!

"Do you think it's so easy to destroy the demons? Those demons are hiding in the dark. We are in the light and they are in the dark. There is no way to destroy them." "The treasure this time will not only attract a large number of monks, but

also It can make those demons active."

"You must know that these monks can also be used as resources for the cultivation of those demons. I believe that the Balrog will not be able to sit still when he sees so many monks coming to the extreme north." Gao Qiqiang

said , it seems that it was discussed with the patriarch of the ancient body training clan!

Many of these monks who came to the extreme north are bait, and they are just bait to lure the demons out!

Although it was cruel for Gao Qiqiang and the ancient body-refining clan to do so, but in this heavenly human world, if you want to obtain resources, of course you have to take risks!

"What is the relationship between the Princess of Jialing County and the ancient body training clan, and who is she?"

David asked Gao Qiqiang!

At that time, David asked the old patriarch of the ancient body training clan, but the other party refused to say anything!

So David asked Gao Qiqiang, maybe he should know too!

"You should go and ask the Princess of Jialing County yourself about this matter!"

Gao Qiqiang smiled lightly, and then waved his hand, bringing David out of the original space!

Talking with Gao Qiqiang this time, let David have a deeper understanding of the land of the extreme north!

After leaving, David fell into deep thought!

It seems that he must improve his strength as soon as possible, otherwise the strength of the enemies behind him will become more and more powerful, and it will be very difficult to deal with!

Fortunately, this Gao Qiqiang is not a bad person. If Gao Qiqiang is a bad person, if he really wants to attack David and the others, David and the others will not have the strength to fight back. You must know that the strength gap between the two is a bit big!

Back at the residence, it was already dark at this time!

Huofeng had been waiting impatiently for David on the bed, and when she saw David come back, Huofeng said, "Master, I know you have been tired all this time, let Huofeng serve you and let you recover." ..."

Huofeng is planning to use the method of double cultivation to let David recover quickly!

Looking at Huofeng's fair body, David suddenly jumped on it!

In the midst of the lingering, David discovered that there was one more person. It turned out that Yu Jiameng was also there, but he just didn't notice it!

David didn't care about that, and followed the two women's double cultivation, slowly recovering his physical strength!

This night, David felt that he was recovering very well, and Huofeng was also like a spring breeze, feeling very good!

Only Yu Jiameng struggled because it was her first time!

"Master, you don't know that you feel sorry for Sister Jiameng, it seems that Sister Jiameng can't even get up."

Early the next morning, Huofeng said to David with a smile!

"Huofeng, don't talk nonsense, who said I can't get up." Yu Jiameng endured the pain and got up anyway!

Chapter 2943

"Okay, don't make a fuss, you two have to hurry up and practice, otherwise you have no way to move in the heavenly and human world with your strength." "Hurry up and practice

while the Gao family is still safe..."

"I have a few Thunder Fruits here, and I will give each of you one. I think it will improve the two of you a lot."

David said, taking out two Thunder Fruits and giving them to them!

"Sky Thunder Fruit? Isn't this only found on the Thunder Eagle King's Sky Thunder Tree?" "

How did the master get the Sky Thunder Fruit? The Thunder Eagle King regards this Sky Thunder Fruit as a treasure."

Huofeng said in surprise!

"You know Tianleiguo?" David was a little surprised, how did Huofeng know about Tianleiguo!

"Master forgot, I was originally from the world of heaven and man, and later I made a mistake and was thrown into the secular world. Of course I know the thunder fruit."

Huofeng followed David and explained!

David suddenly realized, so he said, "I picked a few secretly while the Thunder Eagle King was away. These things are very difficult to pick." "

Huofeng, what David said is right. Otherwise, with our strength, we will drag him down with David."

Yu Jiameng nodded and said!

"Okay, then I'll go to practice..."

Huofeng also nodded.

The two girls went to practice with the Sky Thunder Fruit, and David also began to recover his strength and entered the state of cultivation!

He has to break through as soon as possible, otherwise he will find the real treasure, and he will probably get the Ice Soul Pill by then!

David first absorbed the ice soul fragments given by Gao Qiqiang, calmed down, and immersed himself in refining the ice soul fragments!

David absorbs the ice soul fragments very quickly, so the refining process will not be very long!

While David and the others were practicing, hundreds of miles away from Gao's house, a towering iceberg collapsed!

And in the collapsed place, a golden door was exposed, and the door was full of runes, exuding a strange atmosphere!

Just in front of this gate, many monks gathered!

"This must be the real treasure land, it can't be wrong, didn't you see that there is a gap in the jade plaque on the gate?" "

Just because of this breath, it must be the treasure land!"

“Who would have thought that this treasure land , It’s actually under the entire iceberg, if the iceberg hadn’t collapsed, it would be impossible to find this treasure.”

Everyone talked a lot!

It’s just that because the gate is imprisoned by a magic circle, only the key can open it, and that key is the jade card!

“I have the key to unlock the treasure here. I wonder if there is any fellow Taoist who is willing to cooperate with me?”

At this time, a fifth-grade monk of the Composite Body said loudly!

And this person is Yuan Bao, who was saved by David. This guy also has a jade tablet in his hand, which is said to be the key to the treasure!

When they heard that Yuan Bao had the key to open the treasure in his hand, they all surrounded him!

Because just now many people tried to break through the treasure gate by force, but all failed, so when they heard that Yuan Bao had the key in his hand, they all surrounded him!

“Get the hell out of here...”

Just as the crowd surrounded Yuan Bao, he suddenly yelled loudly, instantly causing dissatisfaction among the crowd!

Everyone hurriedly looked and found five people wearing black gowns with dark golden marks on their sleeves walking over!

Seeing these five people, the monks who were originally dissatisfied all dispersed to the surroundings in an instant. Obviously, they all knew these five people and were afraid of these five people!

Among the five people, the leader of a middle-aged human said, "We are the Five Elements Heavenly Demon of the Fengmomeng, and I am Jinsha. Now hand over the treasure key to me..."

Yuan Bao looked at the middle-aged man in front of him, his expression became extremely nervous, his face was also very ugly, cold sweat dripped down his forehead instantly!

He didn't expect to meet people from the Sealing Demon League in this extreme north!

Chapter 2944

This magic alliance is an organization, and the members of the organization are spread all over the world of heaven and man. Their black robes and dark gold marks are their beauty!

This magic alliance was founded by a group of people who killed the demons everywhere, and the number of members in the organization increased!

With the growing strength of the Sealed Demon League, many monks avoided the members of the Sealed Demon League when they saw them!

Maybe these guys will label you a demon cultivator and take you away!

Yuan Bao is also very afraid of this member of the Demon League, but he is still a little unwilling to hand over the treasure key he finally obtained for nothing!

Seeing Yuan Bao's hesitation, Jin Sha frowned slightly and said, "What? You don't want to hand it over?" "

I..."

Yuan Bao was very embarrassed, but facing the people of Fengmomeng, he was not at all Opponent, if the opponent robs, he has nothing to do!

Just when Yuan Bao had no choice but to take out the treasure key, a cold voice came!

"The people of Fengmomeng are really shameless. In broad daylight, is this a robbery?"

said, a young man walked slowly, followed by a few An old man!

This young man is Gao Qisheng, the second son of the Gao family!

Gao Qiqiang sent him and Gao Qijie out to check Moxiu's movements and find the location of the treasure!

Seeing Gao Qisheng, Jin Sha frowned slightly and said, "Who are you? How dare you say that about our Seal of Demons? Do you want to live?" "Hmph, I don't want to live anymore, so what can you do?"

Gao

Qisheng snorted coldly With a sound, he looked at Yuan Bao and said, "Fellow Daoist, I am Gao Qisheng, the second son of the Gao family. I don't want your key. I just hope you can cooperate with my Gao family. How about we explore this treasure together?"

"You have to know that our Gao family is the most powerful in this extreme north, and it is wise to cooperate with us!"

When they heard that it was a member of the Gao family, many people talked about it!

But Yuan Bao was full of joy, and nodded quickly!

You must know that the Gao family is very powerful in the extreme north, and they can cooperate with each other!

But this member of the Demon League wants to take away the key directly. In contrast, it is more appropriate to cooperate with the Gao family!

"Damn it, you're going against our Seal of Demons, are you looking for death?"

"So what about your Gao family, if you leave the extreme north, your Gao family is a fart..."

Jin Sha said angrily!

"You dare to scold our Gao family, you are looking for death..."

Gao Qisheng was already young and energetic, how could he let others scold the Gao family, so he punched him right away!

"Hmph..."

Jin Sha snorted coldly, and then followed with a punch!

Boom.....

Gao Qisheng's strength is still not enough, under this punch, his body backed up again and again, until he was supported by the old man he brought, he didn't fall to the ground!

"Hmph, with this little ability, you dare to be rampant, get out immediately, or don't blame me for being rude!"

Jin Sha threatened Gao Qisheng!

"Second Elder, beat them up for me. When you reach the extreme north, you still dare to yell. Haven't you heard that a strong dragon can't overwhelm a local snake?" Gao Qisheng waved his hand and asked the

Second Elder who brought him to do it!

He really can't beat this Jin Sha!

The second elder nodded, jumped up, and was in mid-air in an instant, and then punched down!

This punch, carrying endless cold air, instantly froze the surrounding air, turning into pieces of snowflakes that fell down!

Seeing this, Jin Sha grabbed it with his backhand, and a long sword appeared in his hand, and then a sharp sword glow soared into the sky!

The sword light pierced through the snowflakes, instantly defeating the cold air!

"Five Elements Heavenly Fiend, Sword Mad Jin Sha really deserves its reputation..."

The second elder slowly lowered his body, looked at Jin Sha and said!

"Since you know me, hurry up and get out..."

Jin Sha sneered!

Chapter 2945

"I only listen to his name, I have never seen him before, and I can see him when I enter. I want to see if you are not in vain."

The second elder's face was cold!

“Okay, since you want to know whether my reputation as a sword madman is not in vain, then I will let you see...” After

Jin Sha finished speaking, he waved the long sword in his hand, and a sword flower appeared immediately!

Immediately afterwards, the surrounding void trembled!

The long sword is just a simple wave, but in the void, it instantly turns into thousands of sword blades!

Then these blades whizzed out, like galloping wild horses, madly coming towards the second elder!

“Huh, if it’s just this little ability, it’s insulting to the name of a sword madman.”

The second elder snorted coldly, and a white cold air suddenly appeared around his body, forming a protective body barrier!

At the same time, another punch was thrown out, and the void exploded in an instant. Under this terrifying punch, all the thousands of sword blades turned into nothingness!

Seeing this, the Second Elder raised his mouth with pride!

But when the corner of the second elder’s mouth was raised slightly, he felt the coldness around him as if being pierced by something, and the protective barrier disappeared at a speed visible to the naked eye!

“Do you really think that my reputation as a sword madman was earned for nothing?”

Jin Sha looked disdainful!

And the second elder’s complacent face instantly shrouded in a cloud!

This Jin Sha's swordsmanship is really peculiar, the second elder didn't even notice when the blade came close to him just now, and his body protection barrier was also broken!

"Your sword skills are really good, but you think I'm afraid of you like this!"

The elder shouted, and suddenly rushed towards Jin Sha!

In the palm of the second elder, a large amount of cold air drifted away, and the violent spiritual power was mixed with the cold air, causing the surrounding space to be instantly frozen!

Seeing this, the people around ran away one after another, they might be frozen into ice sculptures in a while!

The condensed air began to form an ice wall in mid-air, and this ice wall was quickly surrounded by Jin Sha!

When Jin Sha saw this, the long sword in his hand instantly waved waves of heat!

"I have no intention of fighting with your Gao family, so I also hope that your Gao family will stop!" "

If we both lose, then this treasure will be cheaper for others."

Seeing that the second elder was playing for real, Jin Sha said loudly!

Jin Sha was afraid that there would be a conflict with the Gao family, and in the end both parties would suffer!

As the so-called snipe and clam fight each other, the fisherman benefits!

"This is in the extreme north, on the territory of the Gao family, do you want us to stop?" The

second elder didn't stop at all, punching towards Jin Sha, the cold air made many things freeze instantly!

"You guys don't just watch, do it..."

Jin Sha didn't want to follow the Second Elder to continue fighting like this. In the end, both sides would be hurt, what would be the use!

They didn't come to destroy the Gao family, but to find the treasure!

When the four of Mu, Shui, Huotu heard Jin Sha's shout, they immediately made moves, which instantly put the second elder at a disadvantage!

Seeing this, Gao Qisheng brought the rest of the Gao family along and started a scuffle!

Everyone else ran far away, for fear that it would affect themselves!

For a moment, the scene was chaotic, and various forces collided together!

However, the people brought by Gao Qisheng, except for the second elder's strength, the others are no match for the Five Elements Heavenly Demon!

After a few minutes of fighting, the Gao family obviously began to fall into the disadvantaged!

Only the Second Elder was holding on, if they all fell down, maybe Feng Momeng would really dare to kill them!

"You wait, in the extreme north, I will never be bullied..."

Gao Qisheng thought that his own strength was not good enough, and he couldn't beat the Five Elements Heavenly Demon at all!

Gao Qisheng ran away in embarrassment with the Gao family!

"fu**, don't run away if you have the ability..."

Jin Sha spat hard, then looked at the people around him and said, "Who else is not convinced?"

Everyone lowered their heads, how dare they say no!
