

A Man Like None Other

Novel Chapter 2958

Chapter 2958

Facing the thunder and lightning, David didn't panic in the slightest, but like his hands, those thunder and lightning seemed to be attracted, and instantly gathered in David's hands!

Immediately afterwards, the power of thunder and lightning turned into a gun of thunder, and the whole gun was buzzing with electric arcs!

Afterwards, David suddenly threw the spear in his hand at the three bloodthirsty Thunder Eagles!

Crackling!

After the spear approached the Bloodthirsty Thunderhawk, it exploded instantly, turning into thousands of electric arcs, spreading around!

Bloodthirsty Thunderhawks already had the power of lightning, so they were not afraid of these arcs, but when these arcs exploded, the three Bloodthirsty Thunderhawks backed away with strange screams!

The eyes of the three bloodthirsty thunder eagles were full of fear, they seemed to be very afraid of the power of lightning thrown by David!

The three bloodthirsty thunder eagles fluttered their wings, and after looking at David in horror, they turned around and were about to run away!

They knew that they were not David's opponent at all!

"Want to run?"

David raised the corner of his mouth slightly. If the three bloodthirsty Thunder Eagles were to run away, wouldn't that be a shame!

On the palm of David's right hand, a tiny electric arc appeared, and then it became bigger and bigger, making a crackling sound!

David pushed forward with the palm of his hand, and the force of several thunderbolts directly hit the three bloodthirsty Thunderhawks with lightning speed!

Before the three bloodthirsty Thunderhawks could scream, they shot down the lightning force!

"This original breath of thunder and lightning is really good..."

David was a little surprised, after all, this was the first time he used the original breath!

Seeing that David beheaded three bloodthirsty Thunder Eagles that had already soared with a light wave of his hand, everyone was shocked!

David walked over, looked at the bodies of the three bloodthirsty Thunderhawks, and then asked Ji Yun to take out the beast pills of the Bloodthirsty Thunderhawks!

This bloodthirsty thunder eagle's beast pill can make David realize the original breath of thunder and lightning, which is of great help!

"Brother Chen, your lightning power is too good..."

Lao Sun stepped forward and said in shock!

He didn't know that David already possessed the original space, and also felt the original breath of thunder and lightning!

David is also very satisfied with himself!

It seems that his understanding of the original breath of thunder and lightning has reached a certain height, because he is looking at the thunder and lightning power emitted by those bloodthirsty thunder eagles, David's original space has a kind of change.

With the help of the original breath of thunder and lightning, David can actually control the power of thunder and lightning. In this way, if the opponent wants to use ordinary power of thunder and lightning to deal with David, not only will he not succeed, but he will be used by David instead!

"I don't know. When I meet the Thunder Eagle King, can I control his lightning power?"

David actually had a kind of anticipation at this time, looking forward to meeting the Thunder Eagle King. He wanted to see if he could control the Thunder Eagle. The power of thunder and lightning emitted by the king!

"Mr. Chen, you are really amazing, so amazing..."

At this time, Gao Qisheng walked up to David and said with admiration on his face!

"I'm just lucky. If these three bloodthirsty Thunderhawks fly separately, I can't kill them with one blow!"

David said very modestly!

If the three Bloodthirsty Thunderhawks flew in three different directions, David really had no choice but to kill all three Bloodthirsty Thunderhawks with one wave of his hand!

After all, the original aura of thunder and lightning he controlled was too little to attack from multiple directions!

While David and the others were packing away the bloodthirsty Thunder Eagle's body, a group of people came slowly not far from them!

"Dad, the Bloodthirsty Thunder Eagle is gone, why can't I see it..."

Ning Can looked up, but did not find the shadow of the bloodthirsty Thunder Eagle!

"Could it be that Bloodthirsty Thunder Eagle has escaped?"

said an elder of Ning's family!

"Impossible. Once the Bloodthirsty Thunder Eagle is conquered and recognized as its master, it won't run away."

Ning Caichen shook his head, looked around the sky, and then made a few strange noises, but still did not see the three Bloodthirsty Thunder Eagles. The eagle is back!

Chapter 2959

"Dad, look quickly, someone..."

Ning Can pointed to David and the others not far away and said!

Ning Caichen also frowned when he saw someone in front of him, and his expression became tense. After all, the monks who came here were all rushing for the treasure!

"Mr. Chen, look quickly, someone is coming..."

Gao Qisheng also spotted everyone in the Ning family at this time!

David looked up, and a huge spiritual consciousness instantly enveloped those people!

Although it is very impolite for strangers to use their spiritual sense to probe each other for no reason, but in this vast snowfield, everything must be done carefully!

David wants to see who the other party is and what level of strength he is. If the other party's strength is high, they can run away as soon as they haven't met yet!

But just after David's spiritual sense enveloped the people of the Ning family, he frowned and said, "It's them? Why did they come here?"

David instantly felt that it was Ning Caichen and others. After all, they had already been in contact with them. David still knew Caichen's aura!

Ning Caichen also felt that the other party was probing him with his spiritual sense, and said with a slightly angry face, "Get ready for battle..."

Ning Caichen told everyone in the Ning family, do your best! Prepare for battle, and then quickly walk towards David and the others!

When Ning Caichen and the others approached, Ning Can instantly saw the corpses of three bloodthirsty Thunderhawks on the ground!

"Damn it, it turns out that you killed our bloodthirsty Thunder Eagle, are you looking for death?"

Ning Can roared angrily, and asked the Ning family to surround David and the others!

Ever since Ning Caichen ate the Heavenly Thunder Fruit and his realm had risen to the peak of the ninth rank of the Composite Body Realm, Ning Can had also become a lot more rampant!

He felt that his father was already invincible!

Ning Caichen looked at David with eyes full of hostility. He was not full of hostility because his three bloodthirsty Thunder Eagles were killed, but because of Lei Guo that day!

David picked three Tianlei fruits from the Tianlei tree in Yingwang Cave!

Seeing that David is only a fourth-rank monk in the Compatible Body Realm, he probably hasn't eaten the three Sky Thunder Fruits yet. If they are still on David's body, then the value of these three Sky Thunder Fruits is no less than that of the Ice Soul Pill!

If you can get three Sky Thunder Fruits, as for the treasure, it doesn't matter if you find it or not!

"People from the Ning family, I didn't expect you to come here!"

At this moment, Ji Yun stepped forward, looked at Ning Caichen and Ning Can and said!

Ning Can took a look at Ji Yun and said, "Who are you?"

"I am Ji Yun, the young master of Feitian Sect..."

Ji Yun introduced himself!

"It turned out to be the young master of the Feitian Sect, why did you hang out with these people?"

Ning Caichen asked Ji Yun!

"They are all my friends."

"Patriarch Ning, killing your bloodthirsty Thunder Eagle is a misunderstanding. If you need compensation, I will definitely satisfy your Ning family when I return to Feitianzong." Ji Yun faced

Ning Caichen said!

Fei Tianzong is rich, so Ji Yun is rich and powerful!

“Whether it’s a misunderstanding or not, I have to settle a debt today.”

“Master Ji, you’d better stay away...”

Ning Caichen said coldly!

Ji Yun frowned, “Patriarch Ning, can

you give me some face, I...” “No, get the hell out of here, or I’ll clean it up with you!”

Ning Can said cursingly!

Now the Ning family is extraordinary. Ning Caichen is already at the peak strength of the ninth rank of the Body Fit Realm, and the ancestor has also come back to life, so the current Ning family is no longer the previous Ning family!

Ning Can also swelled, and didn’t pay attention to Fei Tianzong at all!

“You...” Ji Yun’s face was full of anger, but there was nothing he could do!

Their Feitian sect mainly focuses on transportation, and they are considered a semi-commercial family, so their strength is definitely not too strong!

Now that the Ning family doesn’t give face, Ji Yun has no temper at all!

Chapter 2960

"Everyone, I am Gao Qisheng from the Gao family. I don't care who you are, if you dare to touch me here, I guarantee that you will not be able to get out of this extreme north." Gao Qisheng said to Ning Caichen two steps forward

.!

"The Gao family?" Ning Caichen frowned, he had heard of the Gao family!

After all, in the extreme north, the Gao family is considered the largest family and the most powerful.

"Mr. Gao, even if you are from the Gao family, but you killed our bloodthirsty Thunder Eagle, it can't be forgotten, right?"

Ning Caichen said to Gao Qisheng!

"What compensation do you want, my Gao family will definitely promise you!"

Gao Qisheng said!

They can all see that Ning Caichen's strength has reached the peak of the ninth rank of the Body Fit Realm, and among them, no one is an opponent!

No one has a higher realm than Ning Caichen!

"My compensation is very simple. This kid named David has three Sky Thunder Fruits on his body. As long as he hands over the Sky Thunder Fruits to me, I will take them away immediately. The three bloodthirsty Thunder Eagles will be killed for nothing!"

Ning Caichen pointed at David and said!

He saw that David was only a fourth-grade monk in the Fit Body Realm. Among these people, David was the person with the lowest level, so Ning Caichen thought that David was just a small follower among these people!

How could he know that David is the boss of this group of people, and these people must obey David's words!

When Gao Qisheng heard this, he looked at David, how dare he take charge of David's affairs!

And David looked at Ning Caichen, he knew that Ning Caichen must have taken the Sky Thunder Fruit, otherwise, it would be impossible to jump from the eighth rank of the Fit Body Realm to the peak of the ninth rank of the Fit Body Realm in such a short period of time!

"You want my Sky Thunder Fruit?" David said with a faint smile!

"Not bad!" Ning Caichen nodded!

"It's a pity that I ate the Sky Thunder Fruit. Even if I didn't eat it, I wouldn't give it to you. What can you do?"

David said with a cold smile!

"Damn it, are you looking for death?"

Seeing that David dared to talk to her father like this, Ning Can was instantly furious!

Ning Caichen stared at David slightly, and then said to other people, "Dear fellows, I have a personal grievance with this kid, so I hope you don't get involved." "As long as you leave

now, I promise not to hurt you... .."

Ning Caichen wanted others to leave David, after all Ning Caichen didn't want to offend both the Feitianzong and the Gao family!

What's more, there are several eighth-grade monks of the Composite Body Realm here. If they really want to fight, even if their Gao family can win, it will be a miserable victory!

So Ning Caichen only wanted to deal with David and take out the Sky Thunder Fruit from David!

In his opinion, it is impossible for these people to fight their Ning family for the sake of David, a little monk!

But as soon as Ning Caichen finished speaking, Lao Sun roared, "fu** your mother, what a personal grievance, don't you just want to snatch something?" "We will not

leave, we will fight Brother Chen! "

Mr. Chen is a guest of my Gao family. No matter what grievances you have, my Gao family will always stand by Mr. Chen's side." Gao Qiqiang said!

Seeing this, Ning Caichen was a little stunned. He didn't understand why these people respected a little monk of the fourth rank of the Composite Realm so much!

"You are only at the pinnacle of the ninth rank of the Body Fitting Realm now, and the people you brought are only at the seventh or eighth rank of the Fitting Body Realm." "

If there is a fight, do you think you will win?"

"You still want mine ?" Tianleiguo, what a joke, not only do I kill your bloodthirsty Thunder Eagle now, but I also want you to bleed, otherwise you will think I'm a bully!" David looked at

Ning Caichen coldly and said!

As soon as David finished speaking, everyone in the Gao family, Lao Sun and the others, as well as Ji Yun, all put up their postures in an instant, looking like they were fighting to the death!

This time, David defeated Ning Caichen in an instant!
