Married at First Sight Chapter 2165-"Hi, I'm Liberty."

Liberty generously stretched out her right hand towards Kathryn.

Although Kathryn was wearing sunglasses and a black mask, Liberty recognized her.

Because Kathryn was very similar to her.

Not only did the two look alike, but they even had a somewhat similar body shape.

Hearing that it was Liberty, Kathryn quickly extended her right hand to shake Liberty's hand. After shaking hands, she took off her mask and sunglasses, and said, "Miss Hunt, hello, I'm Kathryn."

Liberty smiled and said: "Ms. Farrell."

She also taught her son to say hello to Kathryn.

Kathryn looked at Sonny, bent down, reached out and touched Sonny's head, and praised: "What a handsome child, he must be your son."

Liberty nodded, "He's my son, his name is Sonny."

"Sonny, hello."

Sonny responded childishly: "Aunt Farrell, hello, Aunt Farrell, why do you resemble my mother?"

Kathryn smiled and said: "Because I have a relationship with your mother, so we are a bit similar. Sonny and Aunt Farrell are also a bit similar."

Sonny: "I am like my mother; you are like my mother; you are like me."

Kathryn patted his head again, and praised him for being smart.

She stood up straight and said to Liberty: "Miss Hunt, I take the liberty to bother you, is Mrs. Stone at home?"

"My aunt is in the house, Ms. Farrell please."

Liberty made a gesture of invitation to Kathryn, and asked Kathryn to follow her into the hall.

As soon as she entered the room, Kathryn saw Mrs. Stone sitting on the sofa.

“Auntie, Ms. Farrell is here.” Liberty walked over and said something.

Kathryn walked up to Mrs. Stone, and said hello politely: “Mrs. Stone, hello, I’m Kathryn, I would like to trouble you.”

Mrs. Stone looked up at her.

Although she had seen Kathryn several times from a distance in Jensburg, she had never met Kathryn at close range.

Kathryn and Liberty were somewhat similar. If she and Liberty were sisters, everyone would believe it.

“Ms. Farrell, please sit down.” Mrs. Stone motioned Kathryn to sit down.

Liberty asked her to sit down on the single sofa.

Kathryn said hello to Mr. Stone and Alice again.

It seemed that she also checked the information of the owner of the business.

The information on the Liberty sisters was too simple, Serenity was now the oldest wife of the York family, and was a celebrity in Wiltspoon, Kathryn didn’t need to investigate, just search the Internet, there were many reports about Serenity.

“I met Ms. Farrell for the first time. We have no past or business relationship. I don’t know what Ms. Farrell’s purpose is?”

Mrs. Stone would not tell Kathryn that she had already met Kathryn, so she regarded it as the first meeting.
