I am a quadrillionaire chapter 2147-Beanie thought for a moment.

Suddenly there was a look of surprise appeared in her eyes.

'The Master David I asked Peridot to get?

'Is it that David? Didn't he leave quietly?

'Did he come back for me?'

Just now, Beanie was still depressed because of David's departure, so she did not expect him to come back now.

Excited, she immediately got up and went to the door before swinging it open.

"Ah!"

Peridot, who was outside, was taken aback.

"M-Milady!" Peridot yelled.

"Peridot, where is Master David?" Beanie asked hurriedly, ignoring Peridot.

"He's waiting outside!"

"Are you stupid? Why didn't you invite him in?"

"Milady, I came to tell you the moment I found out," Peridot said aggrievedly.

"Come, let's go meet Master David together. We can't keep him waiting for too long."

Beanie took the lead as she spoke.

Although Peridot felt that the lady's attitude towards David was a little fishy, she still suppressed the doubts in her heart and hurriedly followed.

The two soon reached the gate of the Nacht Residence.

As soon as they went out, they saw David standing there.

"Milady!"

The guards at the door called out respectfully.

Beanie did not respond. She walked up to David and said with a smile, "Sorry to keep you waiting, Master David."

"Ms. Beanie, sorry for the disturbance," David replied politely.

"Not at all! It's my honor to have you here. I am so delighted by your arrival, so how are you disturbing me? Please come in!" Beanie was full of excitement.

David was not modest at all and walked directly into the Nacht Residence.

After taking two steps, Beanie turned around and looked at the two guards guarding the door. She informed, "Master David is a distinguished guest of the Nacht family. From now on, there is no need to inform me whenever he's here. Just bring him in and notify me."

"Yes, Milady," the two said respectfully.

Beanie turned and walked away with Peridot following behind.

She felt incredible.

'Isn't David just an adventurer scraping by at the bottom?

'Even if Milady has fallen in love with him and wants him to be the son-in-law of the Nacht family, she won't be so humble, right?

'Wait, judging from Milady's character, she would never do such a thing. There must be something that I don't know about.'

Peridot had been with Beanie since she was a child, so it could be said that she knew her employer very well.

It was impossible for the lady to act so humbly just because she liked David.

There was only one possibility.

Master David might be more than an adventurer.

Thinking of this, Peridot was a little dazed.

When she first met David, she knew he was not an adventurer.

It turned out that he really did have another identity.
