

Revenge 142

The Ex-Husband's Revenge Chapter 142

From outside, a pretty young girl who looked about twenty-six or twenty-seven of age walked in with two young men.

"Rizzy, Richard, why are you here?" Lily was surprised.

The young girl in front of her was her uncle's daughter. It was her cousin, Rizzy Plummer.

One of the young men behind Rizzy was her cousin-in-law, Richard Lewis.

Lily's father left them at a young age, and her mother brought the two of them up by herself.

During that time, her uncle and some relatives helped their family a lot. Rizzy was included among them.

The two of them grew up together, and they had an incredibly good relationship.

When her mother was sent to the hospital, they borrowed a lot of money from Rizzy to pay for it.

Whether it was her uncle or Rizzy, both of them did everything they could to help Lily's family, so Lily's family was incredibly grateful.
