

The Ex-Husband's Revenge By Dragonsky Chapter 1451

“A Luminous Pearl?”

As everyone was discussing it, Leon sneakily sent out his senses.

He just wanted to give it a shot, not holding out much hope for the bead. Yet, the result shocked him to the core. A wave of unbelievably pure and dense spiritual energy suddenly came from the bead!

The wave of spiritual energy was incredibly strong. It was far greater than even the royal purple he obtained back then. Even the Mirror of Sovereign could not stand up to it!

“That-” Leon was shocked.

He never would have expected the unassuming bead to be a treasure. It was also something that was in no way lesser than the Mirror of Sovereign!

After that, he quickly looked through the memories he inherited and quickly found a record.

The Spiritual Pearl and ancient treasure that helped practitioners of the sage arts and martial artists train!

It was an ancient treasure just like the Mirror of Sovereign was!

Leon was completely shocked. The emotions he felt were incredibly turbulent, and he could not keep calm at all!

“Mister Wolf, are you alright?” Raphael could not help but ask curiously when he saw that Leon was acting strangely.

“I-It's nothing.”

After Leon recovered from his shock, he deliberately smiled calmly, quietly hiding his emotions.

Treasures were something every martial artist wanted and sought after!

With so many of the rich elite around it, he was not stupid enough to tell anyone that the so-called

Luminous Pearl was a treasure!

On the other hand, the old man's expression sank when he saw that everyone was treating his treasure as a regular Luminous Pearl, his expression sank.

In truth, his pearl was obtained from some ancient remains. It was not from somewhere illegal. He could have tried to sell it in an official auction house!

However, he went to a few places, and all of them thought it was just a regular Luminous Pearl as well. No one was willing to buy it at a high price, nor were they willing to waste their efforts auctioning it!

He was forced to bring it to the black market to try his luck!

However, even in the black market, some did not know something good right in front of them!

“Old man, we won't accept this stupid pearl of yours. We won't help you auction it either! Just quit dreaming and get lost!” The Black Gorilla said coldly before he waved the old man off like a fly.

“Alright then.”

The old man looked very disappointed. He kept his pearl and walked away from the place.

“Mister Westwood, let’s leave as well,” Leon did not want to delay things. He hurriedly called out to Raphael before going after the old man.

He already knew that the green pearl was a Spiritual Pearl. He knew that *he* could not let it slip by!

However, there were too many people around. If he suddenly bought the thing at such a high price, it would invite suspicion!

So, for the sake of safety, he wanted to sneak over and buy the pearl in private.

Yet, the reality was much crueler than what he expected!

The old man seemed to be an incredibly strong martial artist. The man was much faster than he was. No matter how hard he tried, he could not catch up to the old man!

“Old man, please wait!” Leon was helpless when he saw that the man was about to leave, so he shouted out

to the man.

Otherwise, the moment the man left and blended into the crowd, he would have a very hard time finding the man again!

“Young man, do you need something?” The old man turned to look at Leon curiously.

“I like this Luminous Pearl of yours. I’ll pay nine million for it!” Leon said.

He needed to get that Spiritual Pearl. Even if he knew it would attract a lot of attention and suspicion, he could no longer care about that!

“What? You want to buy the pearl from me? Really?!” The old man was elated to hear that.

“Absolutely! Give me your bank account number. I’ll transfer you the funds right now,” Leon nodded.

Before he could even continue, Raphael interrupted him from behind.

“Mister Wolf, are you crazy? This Luminous Pearl is worth a few thousand at most. It’s not worth anywhere close to nine million! Even if you don’t care about the money, there’s no need to waste it like that!” Raphael said in shock.

Of course, it was not just him, the other rich scions were all shocked as well. There was immediately a loud

clamor!

“This guy is spending nine million to buy a low-grade Luminous Pearl. Isn’t he too extravagant?!”

“Extravagant? I think he’s just an idiot!”

“Yes, that’s right. Only an idiot would be able to do something like that!”

All of them talked and looked at Leon like an idiot.

“Wait, something is not right about this!”

Suddenly, one of them voiced a question.

“He’s just an idiot, what’s there to think about?!”

The others sniffed in response.

“That might not be true! Just think about it. Earlier, when all of us thought that the jade carving was a treasure made with Mystical Dragon Jade, this guy was the only one who saw that it was a fake! With his eyes and his ability, there’s no way he would buy a glow-in-a-dark pearl with nine million dollars for no reason! “That man continued. “That-”

“Do you mean that this pearl isn’t trash at all? It’s a valuable treasure?”

Everyone was stunned. Suddenly, all of them seemed to realize something.

“Yes, it’s possible!” That man nodded and said.

The moment that was said, it was as if a bomb exploded on the spot!

Seth in particular just bought a piece of trash for 215 million. He wondered how he would tell his family.

Yet, it seemed like he had a chance to redeem himself. If that pearl was something valuable, then everything could be solved if he could buy that and present it to his family!

“Wait! Old man, I’ll pay fourteen million for this pearl!” Seth immediately shouted out and stepped forward when he saw that Leon was preparing to pay.

The others were the same. All of them realized that the pearl was not something ordinary. All of them started to follow suit.

“What?” Leon was shocked to hear that.

He already anticipated that him buying that pearl would attract a lot of attention, but he did not expect Seth to react so quickly. Seth even forced himself into the situation!

It greatly exceeded his expectations!

“Mister Golan, what is the meaning of this? A real man doesn’t steal what isn’t theirs. I’ve already bought this pearl, but you’re deliberately causing trouble. Aren’t you crossing the line?!” Leon said unhappily.

“So what if you bought it? You haven’t even paid for it! On top of that, this is an auction place. The highest bidder gets it. So what if I’m trying to offer a higher price?” Seth sneered and said.

“You-”

Leon was furious.

Seth targeted him on every front from the start. After that, Seth was even trying to steal his business. That was just too much!

There was no way he could just swallow that frustration!

However, it was not the time to fight over the matter. The more urgent thing was to find a way to get the Spiritual Pearl!

Once he got that, he could deal with Seth!

“Old man, I’ll pay fourteen million for this pearl. Will you sell it or not?!” Seth ignored Leon as he looked toward the old man.

“I—I’ll sell it. He still nodded in the end.

In truth, he knew very well that no one wanted his pearl at all. Leon was the one who offered to buy it from him. He should have sold it to Leon!

However, Seth offered a whole five million more. When it came to such a large sum of money, all he could do was apologize to Leon silently!

“Alright, that’s great!” Seth smiled happily.

However, before he could even start laughing, Leon’s voice was heard the next moment.

“Hold it! I’ll pay twenty million!” Leon said coldly.

“You! Brat, are you doing this on purpose?!” Seth’s smile froze on his face.

“So what if I am? Are you the only person allowed to bid here?!” Leon mocked.

“Very well, I’ll offer twenty–four million!” Seth was furious. He decided to face Leon head–on.

“I’ll pay twenty–eight million!” Leon continued to bid. However, he was getting a bit anxious.

Even though he had a lot of money and was not afraid of Seth, there were still a lot more rich scions around. If everyone joined the fray, it would do him no benefit!

Just like what he was worried about, everyone immediately broke out in discussion after he raised his bid!

“This guy is willing to spend twenty–eight million for a Luminous Pearl!”

“It must be some amazing treasure!”

Everyone seemed incredibly spirited. They were prepared to join the battle!

Seth was the same. He was even more sure that the pearl was a rare treasure!

Just as Seth was about to continue his bid, Leon interrupted him before he could say anything.

The Ex-Husband's Revenge By Dragonsky Chapter 1454

“Mister Golan, I don't mind telling you this, but this Luminous Pearl is quite a valuable antique. It has some high collectible value! How about this? If you like it, then I'll let you have it if you increase the bid to forty-two million!” Leon said calmly.

Leon knew that continuing to increase his bid would not be good for him, so he decided to apply reverse psychology on Seth.

“I-”

Seth was stunned and immediately started to mumble.

He thought that the pearl was some amazing treasure, which was why he fought against Leon for a bid like

that.

Yet, Leon was saying that the pearl was just an antique. It completely blew his mind!

Even though there were many expensive ancient antiques, even the most expensive of them were only worth around fifty million!

If he spent so much to buy an antique that was not a treasure, he would not be able to explain it to his family after already wasting 215 million!

With that in mind, he lost all confidence, and no longer dared to increase his bid!

“I thought that the Luminous Pearl was some amazing treasure, but it was just an antique!”

“That’s right, we were excited for no reason.”

The other scions were the same. All of them seemed to completely deflate.

They wanted treasures, not antiques!

The moment they found that it was an antique, they immediately lost interest, especially when the price was so high!

“Old man, can you sell the pearl to me now?”

Leon silently let out a sigh of relief when no one continued bidding.

“Yes, alright,” The old man nodded before handing the bag with the pearl to Leon.

After that, Leon paid the price, giving the old man what he offered.

“Young man, thank you,” The man said appreciatively, but he looked a bit guilty.

After all, Leon was the only one who was willing to buy the pearl from him. Yet, for the sake of his profits, he caused Leon to end up spending so much. That did cause him to feel a bit ashamed.

“It’s fine, we’re just both getting what we need,” Leon smiled calmly.

The world moved for profits. He could understand how the old man felt and had no intention of blaming the man for being realistic.

In the end, the pearl was worth a lot more than 28 million anyway. Leon still profited from this.

“Mister Wolf, isn’t it not worth it for you to spend so much for an antique?” Raphael said with a sigh.

Of course, it was not just him. The others felt that way as well. All of them looked at Leon mockingly.

After all, it was very rare to see antiques that were that expensive. Even if the Luminous Pearl was something left behind from centuries ago, it was hard to imagine it being so expensive!

If there were no surprises, then Leon would have made a loss. It was just a question of how much!

“It’s fine,” Leon smiled, not explaining too much.

If he was at Springfield City or Seacove City, he might have shown off his treasure on the spot!

However, they were in the Southern region. There were many important people there!

He could not show his hand so easily!

If he showed off on the spot and triggered someone’s greed, then it would not benefit him at all!

He did not need to act so stupidly!

“Mister Wolf, let’s go,” Raphael called out to Leon once everything was done, preparing to leave the place.

“That-”

Leon was a bit hesitant.

Earlier, Seth targeted him over and over. After that, Seth also caused him to spend a lot more buying the Spiritual Pearl. It was just despicable!

He was a bit reluctant to leave just like that.

However, with the treasure in hand, Leon felt much better. He felt like there was no need to be petty with him to prevent any unnecessary trouble.

Yet, just as he was wondering if he should let Seth off for the moment, Seth walked right over!

“You want to leave? It won’t be that easy!”

Seth sneered as he immediately blocked Leon’s path.

“Seth, what is the meaning of this?” Raphael’s expression sank unhappily.

“What do you think? The two of you caused me to spend two hundred and fifteen million to buy a piece of trash, but you’re trying to leave just like that! It’s not that easy!” Seth said coldly.

“What a load of crap! You’re the idiot who fell for someone else’s scam. What does it have to do with me?!” Raphael complained.

“Why wouldn’t it have anything to do with you? The two of you knew it was a fake, but you decided to put on a show for me. You even joined in the bidding in the middle and I fell for it carelessly! What could it be but you deliberately setting me up!” Seth insisted.

In truth, he knew that the jade carving was probably a scam set up by the Black Gorilla.

However, Black Gorilla was too strong and even had the Southern Boss behind him. It was practically impossible for him to get revenge on the Black Gorilla!

So, all he could do was pin the blame on Leon and Raphael!

“You’re just making up excuses now! Seth, I’ve never seen anyone as shameless as you!” Raphael felt incredibly frustrated.

It was not just him, the others around them could not stand the sight either.

“Mister Golan is shameless!”

“That’s right, Mister Wolf already said that there was a problem with the jade carving earlier. He was the one who didn’t believe it!”

“Even though someone told him out of the kindness of their hearts, he refused to believe it, and he’s even biting back. It’s just a joke!”

All of the others there looked at Seth in disdain as they mocked him.

Seth could not stand all the mockery. He was embarrassed and furious as he decided to remain stubborn, Raphael, stop with the crap! If the two of you don’t give me a satisfactory explanation today, then don’t

think about leaving this place safely!”

“Oh, is that so? What do you want then?” Leon smiled coldly. It sent a chill down everyone’s spines.

He thought about letting Seth off, but Seth decided to come and cause him to trouble instead!

That thoroughly angered him!

“It’s simple. As long as you give me that Luminous Pearl and the two of you kneel down to apologize, I’ll consider sparing you this one

time! Otherwise, you'll suffer the consequences!" Seth put his hands behind his back and said arrogantly.

Even though Leon said that the pearl was just an antique, he felt like Leon might have been lying after thinking about it!

The pearl might have been a treasure!

He did not know how to explain his losing 215 million to his family, so he had his eyes on the pearl!

As long as he could get the pearl, he would at least be able to somewhat explain things whether it was an antique or a treasure!

The Ex-Husband's Revenge By Dragonsky Chapter 1456

"Yes, that's a good idea!" Leon nodded in agreement hearing what Seth said.

"What? Mister Wolf, are you going to give him your Luminous Pearl? You want to kneel and apologize to him as well? How could you do that?!" Raphael was stunned. He could not believe his ears.

Seth's conditions were humiliating. He could not believe that Leon agreed!

However, he thought about it and quickly understood.

From the jade store, he already knew that Leon was related to the Scammells from the maternal side. Distant relatives like Leon were normally not that strong, and they never had much influence or position in the family!

Compared to the heir of the Golans, Leon was far worse in every way!

There was no point fighting a losing battle. It was normal for Leon to lower his head to Seth for the sake of his life!

“It looks like this guy might be good at looking at jades, but he doesn’t have a backbone at all!”

“That’s true, but we can’t blame him. He doesn’t look familiar at all. He’s probably just distantly related to some regular ancient martial arts family. With his position, he’s not even worthy of wiping Seth’s shoes!”

“If he doesn’t agree to Seth’s conditions, what awaits him will probably be very scary.”

All of the people there shook their heads and sighed as they looked at Leon with sympathy and pity.

However, before they even finished talking, something that shocked them happened!

“Seth, we’ll do as you say! I’ll give you one chance right now. As long as you kneel and apologize to me and Mister Westwood, I’ll consider letting you off!” Leon said coldly.

The moment he said that, it was like a bomb went off in the crowd!

“Is this guy crazy?”

“Seth is one of the strongest in our generation. There’s scarcely ever a match for him!”

“He’s asking Seth to kneel and apologize. Isn’t that just suicidal!”

All of them were shocked.

They were very sympathetic to Leon, but at that moment, they started to look at Leon like an idiot!

From what they knew, Seth was in the Overlord State for a long time. Most of them there were no match for

Seth!

Yet, an insignificant peon like Leon was challenging Seth. It was just too idiotic!

“Mister Wolf, don’t joke around like that! This joke isn’t funny at all!” Raphael was shocked as well. He felt like this was suicide for Leon.

“I’m not joking. I can deal with trash like him with just one hand!” Leon smiled with scorn.

“What an arrogant brat! Let’s see how strong you are to dare speak like this in front of me!” Seth was

furious. After that, he summoned up his energy and prepared to attack Leon.

Feeling Seth’s intentions, Raphael’s expression changed. After that, he did not even think twice before he stood in front of Leon.

“Mister Wolf, I’ll hold him off. Go!” Raphael said in a hurry.

Seth was his bitter rival. He knew that Seth was just setting his sights on Leon because Seth could not get to Raphael easily!

In the end, Seth’s true target was Raphael. Raphael did not want to drag Leon into this!

As for him, he had the Thompsons behind him. As long as Leon could leave safely, then Seth would not dare to do anything to Raphael!

The Ex-Husband's Revenge By Dragonsky Chapter 1457

“No need! Mister Westwood, I already said earlier. Trash like him is beneath me! Don't worry, just leave it to me. I'll deal with him!” Leon patted Raphael on the shoulder and said.

“You!”

Raphael was quite frustrated after hearing that.

Even though he did not know how strong Leon was, he felt like it was an easy guess.

With Leon being so distantly related to the Scammells, it would already be amazing if he was a Supreme

Master!

That was a complete gulf from the Overlord State!

He did not know where Leon got the courage to provoke Seth like that!

“Good, very good! Brat, since you want to die, I'll grant you your wish!”

Seth wasted no more time after that, he charged forward with a punch of immense power, attacking Leon and Raphael.

“Perfect!” Leon said coldly. He advanced and immediately went toward Seth's attack.

“Die!”

Seth had a sharp glint in his eyes.

With his skills at the Overlord State, even someone as well-regarded as Raphael was no match for him. There was no way he would bother with someone as insignificant as Leon!

Yet, Leon decided to face him head-on. It was perfect!

Right after that, he increased the power of his attack, summoning out his full strength to deal with Leon in one blow!

“This guy is done for now!”

“That’s right, he could have gotten out of this, but he insisted on provoking Seth. he has no one to blame but himself.”

The others around them sighed. Not a single person thought Leon stood a chance.

After all, the two of them were off drastically different positions. One of them was among the strongest in the younger generation, while the other one was a completely insignificant peon!

It was obvious who was at the advantage!

It was easy for them to see that Leon would not be able to take a single blow from Seth unless a miracle happened!

“Mister Wolf, why?”

Raphael’s face paled!

He wanted to save Leon, but he was far too weak compared to Seth. Even if he forced his way into the fight,

he would just die for no reason too!

Yet, before he could even finish his thoughts, something happened to shock everyone there!

Bang!

With a violent clash, Leon's fist met Seth's!

With Seth's immense power at the initial Overlord State, he immediately broke past Leon's attack, and the remaining force slammed into Leon!

At the same time, Leon moved his body slightly, using the Mirror of Sovereign to absorb the attack. After that, he unleashed his Double Attack. A wave of energy at the Intermediate Innate State came from his fist and slammed right into Seth's chest.

Seth never expected Leon to be able to launch an attack at that moment. He was completely defenseless, and his body was sent flying several meters away by Leon before he violently crashed on the ground!

After that, there was a pain in his chest as he spat out mouthfuls of blood, clearly injured internally

The Ex-Husband's Revenge By Dragonsky Chapter 1458

“How is this possible?!”

Raphael and the others were all stunned at the sight.

All of them looked like they saw a ghost. They could not resist rubbing their eyes, unable to believe what they saw!

They knew how strong Seth was. All of them thought that an unknown man like Leon would not be able to withstand a single blow from Seth!

Yet, they never would have dreamed that Leon did not only take the blow but even injured Seth, who was at the initial Overlord State!

It was obvious how shocked they were!

Leon ignored everyone's shock. After he struck Seth, he shot forward and prepared to continue attacking!

Boom!

Right at that moment, something strange happened!

The Luminous Pearl on the other hand felt the residue of the spiritual energy and started to shake. After that, with Leon at the center, it started to glow in an incredibly intense light, illuminating the whole place!

That was not all, the light contained a wave of unbelievably strong true energy and an inexhaustible spiritual energy, shocking everyone there!

“W—what is this?” Everyone was stunned.

Even though they could not feel the spiritual energy coming from the pearl, they could still feel the immense true energy!

On top of that, they were incredibly close. Some of them could not stand how strong the true energy was, they paled, taking a few steps back.

“Crap,” Leon was shocked.

He never expected that the spiritual energy in his attack would have unintentionally activated the Spiritual Pearl. It was not a good thing!

Right after that, he quickly pulled back the spiritual energy within, which caused the light to dim from the pearl as it regained its original look!

However, it was already too late!

“So that Luminous Pearl was a treasure!” Seth ignored his injuries as an excited look appeared on his face.

Earlier, he suspected that Leon was deliberately lying to him. After witnessing that sight, he was certain of his guess!

That Luminous Pearl’s light and true energy was a few hundred, if not a few thousand times stronger than what came from the jade carving before!

It was not some trash antique, but a true treasure!

“Wow!”

“That guy kept on saying this pearl was just an antique, but he just wanted to take the pearl for himself. He was just tricking us!”

Everyone realized something, finally understanding that they were fooled!

Before that, they wondered why Leon bought a trash antique at such a high price. They felt like it was just too stupid!

They finally understood that the clown was not Leon, but themselves!

“Mister Wolf, you’re amazing!”

Raphael looked at Leon before looking at the pearl in Leon’s hand in disbelief.

He knew what Leon’s position within the Scammells was.

Yet, Leon first injured Seth, who was at the initial Overlord state. Then, the Luminous Pearl Leon bought turned into a treasure, completely amazing everyone there!

It was just unbelievable!

If he did not witness it for himself, he would never believe it to be true!

The Ex-Husband's Revenge By Dragonsky Chapter 1459

“It’s nothing, I’m just a bit luckier than usual,” Leon laughed dryly, but his expression turned serious.

Treasures were something every martial artist sought. It would be very easy for others to want to take it from him!

Everyone realized that the Luminous Pearl was a treasure. It would only serve to harm him. He was quite frustrated, but there was nothing he could do!

At that moment, Seth already stood up while holding back the pain in his chest.

“Brat, hurry up and hand the treasure over. I’ll consider letting you off! Otherwise, I’ll make sure you die today!” Seth said coldly. There was a look of greed in his eyes.

“Just trash like you? What a joke!” Leon laughed in frustration.

Earlier, he was forced to abandon his attacks on Seth due to the treasure suddenly activating!

Yet, at that moment, Seth did not even appreciate the fact that he was lucky to be alive. Seth was still daring to challenge him like that!

He did not know where Seth got the courage from!

“Brat, don’t be so arrogant! Earlier, you just used a sneak attack to defeat me! I’ve already seen through your

tricks. It’ll be easy for me to defeat you now!” Seth sneered.

After their exchange just now, Seth could see that Leon was far weaker than him in terms of speed and power even though he was not able to figure out how Leon withstood his attack.

It was just that Leon’s Double Attack was just too strange. He only lost to Leon because he failed to anticipate

the second strike!

Since he was already prepared for that, he felt like it would be easy for him to defeat Leon as long as he was

careful!

“Oh, is that so? Go ahead and come for me then!” Leon smiled in disdain.

After that, he kept the pearl in his hand to prevent anything from happening again.

“Alright, you asked for it! Take this!” Seth could not accept Leon’s disdain at all. He wasted no time in raising his fist and charging at Leon with incredible force.

“Know your place!” Leon scoffed. He attacked with his Double Attack again, immediately charging at Seth.

With what happened earlier, Seth no longer dared to face Leon head-on. He changed his approach, dodging

Leon’s attack before he continued to attack Leon.

Leon changed his approach as well. The two of them were quickly locked in an intense battle.

Everyone there was looking at the fight between Leon with great interest. All of them were a bit eager.

They were just like Seth, and were greedy for Leon's Spiritual Pearl, wanting it for themselves!

However, after the skills Leon showed earlier, they were all shocked. No one dared to move too recklessly. They wanted to observe the situation first!

Then, they could take advantage of it!

If Leon and Seth ended up with injuries on both sides, it would be amazing!

Then, it would be much easier for them to get the treasure from Leon's hands!

So, they did not need to rush things.

The Ex-Husband's Revenge By Dragonsky Chapter 1460

At that moment, the battle between Leon and Seth was getting quite intense.

Seth did not dare to face Leon head-on. After the two sides went through a few exchanges, Leon slowly found himself at a disadvantage since his speed and power were not at Seth's level. He started to show some flaws in his techniques.

"Brat, go ahead and die!" Seth smiled viciously.

Taking the chance, he took advantage of the hole in Leon's defenses and viciously attacked the vital point

around Leon's chest.

"It's still too early for you to try and kill me!" Leon sneered, using the Mirror of Sovereign to block Seth's

attack on his chest.

At the same time, he struck out with imperious power, striking Seth's chest viciously.

Seth coughed out a few mouthfuls of blood at that heavy attack. His body was sent flying away before he slammed into the ground heavily.

Right after that, he felt a sharp pain in his chest. Many of his ribs were broken by Leon, and he lost the strength to even stand up.

"T—this guy is just too strong. Even Mister Golan is no match for him!"

"That's right. I wonder which ancient martial arts family he's from. He's so young, but he seems so much stronger than Mister Golan who's at the initial Overlord State. It's unbelievable!"

Everyone who witnessed the scene hissed at the sight.

In truth, even after the first exchange, they already realized that Seth was probably no match for Leon. Yet, at that moment, they were still shocked when they saw Leon easily injuring Seth again!

"That's right, this guy seemed to have taken a blow from Mister Golan. Did he get injured too?!" Someone thought about it and said.

"Yes, it's possible."

Everyone looked over with delight at that.

If Leon and Seth were both injured, they would be able to take advantage of the situation!

Yet, Leon seemed completely fine. He did not show any signs of injury, which greatly disappointed all of them!

“No, that’s impossible. It can’t be real!” Seth was in complete disbelief as he tried to hold back his injuries.

Everyone else might not know if his attack landed or not, but he knew very well that he struck Leon in a vital spot!

Yet, Leon took his attack without a single injury, and heavily injured him instead!

It was unbelievable!

He could not understand how Leon did it!

“Seth, I guess it’s time for us to settle the score!” Leon sneered as he walked toward Seth.

“W—what are you trying to do?” Seth was shocked. He started to scramble backward before he forced himself to stand up. His expression seemed incredibly pathetic. He lost all of his earlier arrogance!

“What do you think? I already gave you the chance to kneel and apologize, but you didn’t treasure it! Since that’s the case, I’ll have your legs!” Leon had a cold glint in his eyes.

Seth deliberately pushed him down and mocked him. Then, Seth caused him to waste millions more for the Spiritual Pearl. After that, Seth tried to force him to hand over the pearl. *It* was too much!

He would not be
able to live with himself if he did not teach Seth a proper lesson that day
