The Ex-Husband's Revenge Chapter 154

"Dad, you're finally here!" Duncan ran over happily.

Looking at the slightly red bruise on Duncan's face, it looked like he was slapped. Anthony was furious, "Duncan, who was the one who dared to slap you?! How dare they!"

"It was him!" Duncan pointed at Walter hatefully.

After a moment of rest, Walter's men finally climbed up with much difficulty.

They never expected that they would bump into Anthony's men.

"Go teach them a lesson!" Anthony shouted. With a wave, his men started to charge at Walter and the others.

"Anthony, I'm Walter!"

"I'm warning you, my boss is..." Walter was taken aback. Before he could even shout out the name of his boss, a young man sent a baseball bat right at his head.

"Who the heck is Walter? I've never heard of him before!"
