

The Ex-Husband's Revenge By Dragonsky Chapter 1561

At that moment, a dark figure suddenly came in from outside. After that, he struck out and quickly attacked Angus!

“Who are you? Die!” Angus' eyes were cold. He was already prepared for the opponent's attack!

He struck out with imperious power, striking right at his opponent's attack.

Bang!

With an intense clash, Angus' body shook as he took a step back.

Instead, the opponent flew out but flipped in the air, landing on the ground lightly.

It was obvious that both sides were evenly matched after that strike.

“The Semi Almighty State!” Angus was shocked.

The Almighty State was a level higher than the Emperor State. The Almighty State stood at the peak of the Southern Region without anyone to match it!

He already transcended the peak Emperor State a long time ago, reaching the Semi Almighty State!

The fact that his opponent was evenly matched with him meant that they were at least at the Semi Almighty

State as well!

It was obvious how shocked he was.

However, he threw his shock aside for the moment as he faced his opponent, finally seeing who his opponent was!

His opponent was a middle-aged man about fifty years of age. The man had an ugly half-mask on his face and was quite thin. However, he had a fierce aura around him, and was bloodthirsty!

“Asmodeus, it’s you!” Angus’ expression changed dramatically.

Those on the Criminal List were evil. They were all wanted by the Dragon Corps, so the Dragon Corps had long since shared their looks and information!

Asmodeus in particular always had that half-mask as his unique signature. Angus immediately knew who he was!

Not only that, Asmodeus had a younger brother called Beelzebub. Both of them were incredibly evil!

A year ago, a few of the Thompsons’ direct descendants ended up dying to Beelzebub. After that, Angus and a few other experts from the family pursued Beelzebub for months before they finally found some clues. In the end, they worked with the Dragon Corps to kill Beelzebub!

From that moment on, the Thompsons and Asmodeus were mortal enemies!

Angus was shocked at Asmodeus’ sudden appearance and sneak attack. He immediately guessed that Asmodeus was there for revenge against him!

“Asmodeus? What a familiar name!” Leon was shocked when he heard that name. After that, he thought about it and quickly remembered that it was one of the names on the Criminal List!

“Angus, you and the Thompsons worked together to kill my younger brother a year ago! I’ll make sure you pay for that today!” Asmodeus said through clenched teeth. He was incredibly murderous.

After that exchange earlier, he could tell that Angus was at a similar level as he was. Both of them were at the Semi Almighty State!

Since his sneak attack already failed, he would probably not be able to do much to Angus even if he used all his trump cards if he continued to fight Angus!

Then, if he took too long and alerted the other experts around, it was possible he would be in a dire situation!

So, he did not hesitate at all to target Yuri instead. With a strike, he immediately started to charge Yuri to

attack!

The Ex-Husband’s Revenge By Dragonsky Chapter 1562

“Despicable!” Yuri was taken aback when he felt Asmodeus’ incredibly strong attack.

Even though he was the strongest among the younger generation of the Southern Region, already reaching the intermediate Emperor State, he was still far too weak compared to Asmodeus, who was at the Semi Almighty State!

He did not dare to delay at all as he rapidly retreated, trying to avoid Asmodeus' attack!

However, he was just much weaker and slower. No matter what he did, he could not avoid that attack!

"How dare you!" Angus was furious. He immediately dashed over and appeared in front of Yuri.

After that, he struck out with immense power right at Asmodeus' attack.

Asmodeus knew he could not do anything to Angus, and he did not want to fight against Angus that much, so he quickly changed his approach, rapidly turning toward Roanne who was not far away instead.

"Ah!"

Roanne let out a shout. She rarely went outside thanks to her illness. A girl like her was never exposed to danger at this level before.

IN

She immediately froze in place at her fright!

"Despicable!"

”

.

Leon was right next to Roanne, and his expression immediately changed.

After the master told him about the tremendous rewards for killing anyone on the Criminal List, he

thought about how he could kill one for all those rewards if he was lucky one day!

Yet, he never expected his dreams to come true. He did meet one of the eight from the Criminal List!

The eight of them were incredibly evil and were all criminals that deserved death. The moment he found out who Asmodeus was, he immediately reached in to take out one of his Potential Energy Forces to kill

Asmodeus!

Unfortunately, Asmodeus was always quick to move. He did not waste a ny time at all, and Leon never got the chance to do anything!

That was not all, Asmodeus first tried to attack Angus and Yuri, but he changed directions, not even letting a weak and innocent girl like Roanne off!

It was just too shameless and despicable!

Most importantly, he was not able to do anything when Asmodeus's attack reached them. If he pulled out his Potential Energy Force, he would not just fail to activate it, Roanne and him would probably end up dying!

“Miss Thompson, move away.”

Leon did not even think about it in the face of danger. He pushed Roanne away. Then, with all his experience

in combat, he immediately started to retreat.

“Brat, you're asking for it!”

He was just about to get Roanne, but Leon ruined his plans. Asmodeus was absolutely furious!

Right after that, he immediately sent out a tremendous wave of true energy at Leon.

Bang!

Even though Leon was quick, Asmodeus was just too much stronger than him. Even with all his might, failed to avoid Asmodeus' attack and was directly struck by the energy.

he

Leon continued to spit out a few mouthfuls of blood as his body slammed right into the wall before he collapsed on the ground. After that, he felt tremendous pain in his bones. He suffered some heavy internal injuries.

Luckily, he managed to avoid things in time. On top of that, he had the Mirror of Sovereign around his chest, so he managed to keep his life. Otherwise, he would have died from Asmodeus' attack!

The next moment, Leon hurriedly took out two Circulation Pills and ate them, temporarily suppressing his injuries.

The Ex-Husband's Revenge By Dragonsky Chapter 1563

At the same time, after Asmodeus sent Leon flying with one blow, he no longer cared about Leon. He quickly

turned around and continued to try and attack Roanne.

“Asmodeus, you're courting death!”

Angus was furious. He charged forward with immense power, immediately trying to strike at Asmodeus' back in an attempt to save Roanne, trying to get Asmodeus to stop his attack.

However, Asmodeus was an unbelievably cruel person. He did not even bother looking at Angus as he grabbed Roanne's shoulder. After that, he turned around to use Roanne as a shield, quickly facing Angus'

attack!

"You're shameless!" Angus was terrified. He immediately pulled back his true energy.

However, his attack was already in full force. Suddenly pulling it back like that caused him some injuries.

Right after that, he staggered as he spat out a mouthful of blood.

"Father, mother, I'm so scared!"

Roanne was already crying at that point. She was completely pale, and her eyes were filled with tears and fear.

"Roanne!" Vivian cried out at the sight of her daughter falling into the hands of an evildoer like Asmodeus. After that, she did not care about anything else as she tried to rush forward to save her daughter, but Angus grabbed her arm in time.

"Vivian, you're no match for him. Don't be reckless," Angus hurriedly stopped her.

He knew that Vivian was not that strong. She was not even at Yuri's level. If Vivian rushed over, she would just die for no reason.

He would not let his wife die just like that!

"Angus, save Roanne quickly!"

Vivian was already crying from the panic. She grabbed Angus' arm tightly, not knowing what to do at all.

“Don’t worry, I won’t let anything happen to Roanne,” Angus said calmly, but his reddened eyes betrayed his panic and worry.

Taking the chance, Yuri quietly left the room in search of reinforcements.

“Angus, I bet you never expected something like this to ever happen!” Asmodeus cackled after he captured

Roanne.

“Asmodeus, I’m warning you. Let go of my daughter! Otherwise, I’ll make sure you die today!” Angus said coldly. His eyes were full of murderous intent.

“With just you? What a joke!” Asmodeus said, not bothered by Angus’ threat at all.

“Angus, it’s not like I can’t let your daughter go! A life for a life. If you die in front of me right now, I’ll let go of your daughter!” Asmodeus said with a sneer.

His brother died to Angus and the Thompsons. Angus was the main culprit. It would be perfect if he could use Roanne to force Angus to kill himself!

“Dream on!” Angus said.

He was no idiot. There was no way he would believe what Asmodeus said!

With how sinister Asmodeus was, there was no way the man would let Roanne off even if he did kill himself!

Then, it would not just be him, even Roanne and Vivian would not be able to get away from this alive!

The Ex-Husband's Revenge By Dragonsky Chapter 1564

“Very well! Angus, since you’re so worried about your own life, then I’ll kill your daughter to get revenge for my brother!” Asmodeus said viciously.

He only captured Roanne because he planned on trying to threaten Angus. Since Angus was not going to fall for it, he did not want to waste any more time. He immediately decided to kill Roanne, preparing to sacrifice

her to his brother!

“Don’t you dare! If you hurt my daughter, I’ll make sure to rip you to shreds!” Angus was furious. He glared at Asmodeus viciously, wanting nothing more than to kill the man.

However, Roanne was still in Asmodeus’ hands, so he did not dare to move recklessly.

“You’ll know soon enough if I dare or not! You and your family killed my brother a year ago. Today, I’ll kill your daughter so you can feel the pain of losing a loved one!” Asmodeus said with a sinister look in his eyes. After that, he raised his hand and did not hesitate to slam his hand down at Roanne’s head.

However, the moment he saw Roanne’s beautiful looks and how weak she looked with her fear, he suddenly changed his mind. His hand stopped slightly above Roanne’s head!

“What a beautiful girl. If I killed her just like that, it would be such a waste!” Asmodeus smiled smugly.

He was always someone who loved women, and Roanne was a very rare beauty in the Southern Region.

He looked at Roanne carefully and was immediately moved by her looks . So, he temporarily put aside the murderous intent in his heart!

Furthermore, Angus and the experts from the Thompsons killed his brother. He would be too nice to them if he killed Roanne just like that!

Rather than that, it was far better for him to have some fun before he slowly tortured her to death. If he could, it would be perfect if he was able to let everyone in the Southern Region know what happened. Then, the Thompsons' reputation would be completely ruined!

That would be perfect to resolve the hatred in his heart!

“You!”

Angus was furious at Asmodeus's evil gaze, but there was nothing he could do.

“Despicable!” At that moment, Leon already managed to stand up despite all his injuries. There was an incredibly dark look on his face.

Earlier, Asmodeus was too quick. He was not able to do anything before he was injured!

However, Asmodeus let his guard down at that moment, thinking that victory was already at hand. That was the perfect chance for Leon!

However, the Potential Energy did not differentiate from friend or foe!

Roanne was in Asmodeus's hands. If he unleashed an attack, the tremendous power would kill Roanne even if he managed to kill Asmodeus!

Suddenly, he found himself in a difficult situation!

At that moment, alarms were heard!

Yuri already gathered the experts from the family and they were rushing over. The alarms were there to summon the older generation!

“Not good!”

Asmodeus' expression changed at the sound.

The Thompsons were the strongest family in the Southern Region. They had plenty of incredibly strong martial artists in the family!

If those martial artists rushed over, he would die!

With that in mind, he immediately started planning for his retreat!

The Ex-Husband's Revenge By Dragonsky Chapter 1565

“Angus, I've decided to not keep you company anymore! Just wait for your daughter's corpse!” Asmodeus cackled. After that, he turned around and started to flee with Roanne in his arms.

There was no reason he could not wait for his revenge. After he slowly killed Roanne, he would have plenty of

time to kill Angus and Yuri!

So, there was no reason he needed to be in such a hurry!

“You're trying to run? It won't be so easy!”

Angus knew that the other experts would be there soon. There was no way he would let Asmodeus flee so quickly!

Right after that, he struck out with incredible force at Asmodeus' back.

“Perfect!”

Asmodeus laughed in disdain as he turned around and struck at Angus. After that, he used the force from Angus' attack to launch himself forward, fleeing even more quickly.

“Not good!”

Leon started to panic when he saw that Asmodeus was about to flee with Roanne.

He suddenly had a thought at the most important moment. He remembered the Soul Searchers he made a few days ago!

He made them precisely to deal with those on the Criminal List. It was a perfect time!

He did not hesitate at all to pull out two Soul Searchers.

Leon immediately flung them at Roanne's body.

He knew that Asmodeus was very strong and was a scheming person. He might not be able to hit Asmodeus if

he used the Soul Searcher on him!

So, he targeted Roanne instead!

When the Soul Searchers struck Roanne, two thuds could be heard before they turned odorless and colorless.

No one knew that it stained Roanne and Asmodeus.

Asmodeus was just fixated on fleeing, he did not notice Leon's actions at all. He merely continued to run and quickly fled outside.

Angus was in hot pursuit, rushing outside as well.

Both Leon and Vivian ran after them.

In the inner courtyard, Yuri and the other experts arrived. They immediately fanned out to stop Asmodeus.

"Asmodeus, let go of Roanne right now! Only then will we consider not killing you!"

Yuri shouted out with the experts behind him.

"You're not worthy of that!" Asmodeus sniffed.

Since they were in a rush, the experts Yuri gathered were all from the second generation of the family. Most of them were at the peak of Emperor State!

With Asmodeus being in the Semi Almighty State, he did not bother with them at all!

"Die!" The experts were furious. After that, they charged forward and tried to attack Asmodeus together.

"Insignificant flies!" Asmodeus scoffed.

He was not afraid of them, but there were still more of them than him. If they worked together, it would be very troublesome, so he did not want to risk a confrontation!

So, he decided to pull the same move. He used Roanne as a shield, putting her in front of him and aiming her at their attacks.

“Despicable!” The experts immediately pulled back.

Taking the chance, Asmodeus

mediately rushed out and quickly headed toward a secret corner.

This time, he already made plans with the Southern Boss. The Southern Boss would have his men wait for him outside. As long as he jumped over the wall, he would be able to escape the attacks of the experts from the Thompsons and flee!

The Ex-Husband’s Revenge By Dragonsky Chapter 1566

“Asmodeus, you’re trying to run away after doing evil in our household. Do you think the Thompsons are so easily dealt with?! Since you’re here, just leave your life behind!”

At that moment, an old voice was suddenly heard. An old man who looked to be almost seventy years old quickly dashed over.

With a wave of his hand, an incredible force was felt charging right at Asmodeus!

“The Almighty State!”

Asmodeus widened his eyes intensely when he felt the old man’s attack.

He did not delay things at all. He flicked his wrist, and a blood-red braceless appeared in his hand.

“Almighty Weapon – Cuff of Doom!”

At that moment, Angus and the others already hurried over. Their expressions quickly changed at the sight

of the bracelet in his hand!

The Cuff of Doom was the treasure that made Asmodeus and Beelzebub famous. It was an attacking -style treasure that could unleash an attack at the Almighty State level!

There were two kinds of treasures, super treasures, and regular treasures.

Super treasures were usually left behind from ancient times. They were treasures that were from ancient heroes. During that time, martial arts and the sage arts were incredibly powerful, so the treasures were very strong as well!

Leon managed to get two super treasures before this, the Mirror of Sovereign and the Spiritual Pearl!

Regular treasures were things that were made by heroes or especially talented people after ancient times. They were not as powerful as super treasures!

The Cuff of Doom in Asmodeus' hands was a regular treasure!

Other than that, regular treasures had different levels to them. The Cuff of Doom was able to unleash power at the level of the Almighty State, so it was called an Almighty Weapon.

If the Cuff of Doom were able to only unleash power at the Emperor State, then it would be an Emperor Weapon!

As for anything below that, they were just considered useless lower-ranked treasures. Before this, the Southern Boss assumed that Leon's defensive treasure was only able to stop attacks at the peak Overlord State, so he thought it was a lower-level treasure that was not worth his time!

Of course, treasures were remarkably rare things. Even regular treasures were immensely valuable!

Asmodeus was lucky enough to stumble upon the Cuff of Doom years ago. With its power, he was able to escape the Dragon Corps many times.

Boom!

The next moment, Asmodeus unleashed the power of his treasure!

Right after that, a surge of immense true energy came out and shot at the old man!

Boom!

With the violent clash, the old man was not able to defend himself in time and staggered back a few steps before he steadied himself!

The Cuff of Doom was just a regular treasure. Even though it could unleash attacks at the Almighty State, needed to be charged with true energy and had a limited number of attacks. Normally, it would be able to store and unleash three attacks at most!

After Asmodeus stored energy for a few months, there were only two attacks within.

It was precisely because the usage was limited that he did not use it against Angus!

it

For one thing, Angus was already at the Semi Almighty State so the attack might not be able to heavily injure or kill him.

On the other hand, there were so many experts within the family. If he was trapped, he needed a trump card to use at an important moment!

Sure enough, he was right. The old man was forced to take a few steps back from his Cuff of Doom, gaining him some valuable time to escape!

The Ex-Husband's Revenge By Dragonsky Chapter 1567

“Angus, we’ll meet again!” Asmodeus cackled. After that, he wasted no time in jumping over the wall, disappearing without a trace!

“After him!” The old man was furious. After that, he and Angus pursued Asmodeus with the others.

Regretfully, they were still too late in the end. By the time they got there, they saw a black sedan driving away in a cloud of dust!

“Despicable! Asmodeus, I’ll never let you go!” Angus shouted out angrily as he looked at his daughter being taken away. His eyes were reddened as he slammed his fist into a large tree. The tree cracked from the middle and started to fall.

However, that was not able to change anything. No matter how angry he was, everything already happened!

“Angus, don’t panic just yet! Our forces are all over the Southern Region. Even though Asmodeus managed to escape for now, as long as we go after him right now, we’ll be able to find him!” The old man consoled. The Thompsons stood at the helm of all the major ancient martial arts families in the region, their power and influence were immense!

Asmodeus just fled. There was no way he was that far away. As long as they poured all their power into it, they would be able to find or catch up to Asmodeus. Asmodeus would have nowhere to run!

“Yes, you’re right!” Hearing that, Angus took a deep breath and quickly calmed down.

“Uncle, go find some men to continue pursuing Asmodeus right now. I’ll go make a report and mobilize everything we have to pursue Asmodeus

! Even if we have to chase him to the ends of the earth, I'll make sure to capture him today and save Roanne!" Angus immediately arranged.

"Alright!" The old man nodded. After that, he led a few experts and hurried over to the parking lot. The cars started to drive after where Asmodeus fled!

At the same time, the old man just left when Leon, Yuri, and Vivian arrived.

Seeing nothing happening outside, the three of them immediately knew that Asmodeus managed to flee with Roanne!

"Angus, Roanne's been captured by Asmodeus. You have to figure out a way to save her. Otherwise, she'll die," Vivian said with shock and horror. Tears were frantically streaming out of her eyes, and she even felt like.

fainting.

Earlier, she found out from Yuri that Asmodeus managed to infiltrate their home because he killed two of the guards that stood guard in an incredibly cruel manner!

With Roanne already in his hands, nothing good would be waiting for her!

It was obvious how worried and scared she was!

"Vivian, don't worry, I'll make sure we have our men sent after Asmodeus. We'll save Roanne!" Angus said firmly.

He knew very well that the Thompsons had deep roots in the Southern region. They were well-connected to many major families.

As long as they used those connections and worked with the families against Asmodeus, they would probably be able to capture Asmodeus and save Roanne!

The Ex-Husband's Revenge By Dragonsky Chapter 1568

“Mister Thompson, you don't have to go through so much trouble! Honestly, I have an even better way to track Asmodeus. No matter where he is, I'll be able to find him!”

Leon quickly walked over.

He was prepared earlier and placed his Soul Searcher on Asmodeus and Roanne. He never expected that it would prove useful!

The Soul Searcher was able to find someone within a thousand kilometers. As long as Asmodeus was still in the Southern region, he would be able to find the man easily!

“What? You can find Asmodeus? Are you serious?”

Angus and Yuri were shocked to hear that. They could not believe their ears!

Angus in particular knew how cunning and sly Asmodeus was. Even if the Thompsons used their full might, it was not a sure thing that they would be able to capture Asmodeus!

Yet, Leon was telling them he would be able to find Asmodeus. It was just absurd!

He could not stop himself from feeling uncertain. He could not tell if Leon was speaking the truth or not!”

“I absolutely can!” Leon nodded.

“However, Asmodeus already fled. How are you going to find him?” Angus asked in disbelief.

“That-”

Leon opened his mouth, but could not say anything.

He planned on telling Angus about the Soul Searcher, but he hesitated when he considered their unique nature.

The Soul Searchers were made to pursue criminals. If he told Angus and the Thompsons about it and word got out, then he would have a much harder time dealing with those on the Criminal list with the Soul

Searchers in the future!

Even more so, they might decide to eliminate him to prevent any future trouble the moment they found out

about the Soul Searchers!

He stood to lose a lot without any gain!

“Mister Thompson, you don’t need to care about that! I have my ways. As long as you’re willing to send out a few martial artists at the Almighty State to assist me, I’ll find Asmodeus and save Roanne!” Leon said firmly.

After what happened just now, he already knew that Asmodeus was in the Semi Almighty State. The man even had an Almighty Weapon, so he was very difficult to deal with!

If he wanted to pursue Asmodeus, he would probably need two or three experts at the Almighty State with him to make sure everything was fine !

“No, that’s impossible!” Angus shook his head and rejected it without any hesitation.

Even though he was the eldest in his generation and the first in line to inherit the family, the position of the

family head was given to his second uncle after his father passed away over ten years ago!

Furthermore, those at the Almighty State within the family were all of the older generations, it would not be easy for him to mobilize them!

Furthermore, he was planning on leading the experts within the family to pursue Asmodeus in the first place. None were remaining to give to Leon!

If Leon could track Asmodeus, then he did not mind leading a few experts to go with Leon!

However, Leon could not give him a proper explanation. He could not place all his bets on Leon just because of a few simple words and abandon his pursuit!

If Leon could not find Asmodeus in the end, then would he not just be sacrificing his daughter for no reason?!

He would not play around with his daughter’s life!

The Ex-Husband’s Revenge By Dragonsky Chapter 1569

“Why not? Mister Thompson, please believe me. Everything I said is true. I assure you, I’ll be able to find Asmodeus and save Roanne!” Leon could see Asmodeus’s concern and was immediately assured.

“Mister Wolf, you don’t have to say anymore. Thank you for your concern! You were injured quite heavily by Asmodeus earlier, you should go back to rest. Our family will handle this ourselves!” Angus said without any room for doubt.

“But-”

Leon did not want to give up, but he was interrupted by Angus before he could finish.

“That’s enough! I need to gather people to go pursue Asmodeus right now. Stop adding to my troubles! Yuri, help me send him off!”

Asmodeus was a bit unhappy that Leon was not giving up. He was in no mood to entertain Leon anymore

and turned around to leave.

Leon was quite disappointed looking at Angus leave. He felt frustrated as well.

He was sincerely trying to help Angus find Roanne, but he was met with disdain. Angus was not willing to believe in him at all.

It was obvious how he would feel!

“Mister Wolf, thank you for your good intentions. We caused you to get injured this time, you should go

home and rest,” Yuri said.

He felt more or less the same as Angus. Leon's blind assurances were just a bit unreliable, and he did not believe them.

However, Leon still had good intentions, so the Thompsons accepted it!

"It's fine, since you don't trust me, I'll take my leave for now!" Leon sighed helplessly before he turned around to leave.

Outside, Leon felt his emotions being all over the place after he got in the car. He found it hard to calm down.

Someone's life was at stake, but Angus insisted on acting alone, not being willing to act with Leon. That caused Leon quite a lot of disappointment!

He planned on leaving and washing his hands of the matter.

However, thinking about Roanne's innocent expression and how friendly she was to him, he felt himself

unable to just stand aside and watch!

If the Thompsons were not able to find Asmodeus or let Asmodeus escape again, Roanne would die!

However, it was hard for him to do anything alone.

Asmodeus was too strong. Without the help of the Thompsons, he would not be able to save Roanne from the hands of Asmodeus even if he managed to find the man!

Of course, the Criminal list was filled with wanted criminals from the Dragon Corps. He thought about asking

for help from the Dragon Corps, but they were too far away from the Thompsons, and Asmodeus was just too violent and cruel!

By the time he managed to mobilize the Dragon Corps, Roanne might have already died to Asmodeus!

“Whatever, since I decided to help, I should make sure to do it until the end! It’s just Asmodeus, it’s not like he’s anyone amazing! I have the master’s gift, I shouldn’t be afraid of an evildoer like him!” Leon quickly made his determination!

He was not able to use the Potential Energy in time because Asmodeus launched a sneak attack, and he did not have the right time to attack!

However, he would be the one sneaking about this time, there was nothing to be afraid of!

If he was lucky enough, then he might be able to kill Asmodeus the moment he found the man.

Then, everything would be resolved!

With that in mind, he no longer hesitated as he took out a special paste and

it

and his nose.

The Soul Searchers were odorless and colorless, but using a special paste, he could smell the scents left behind from the soul Searchers and pursue his target with that!

Right after that, he started to drive toward Asmodeus using that scent!

The Ex-Husband's Revenge By Dragonsky Chapter 1570

At a relatively remote area in the southern suburbs, there were some private residences. That was where Asmodeus was hiding.

Asmodeus regularly hid in the outskirts of the city, and the ones staying around him were all regular folk. It was a very unassuming place in various ways, which was how he managed to avoid the capture of the Dragon Corps!

At that moment, in one of the residences at the back, Asmodeus drove in side with a very ordinary-looking

black sedan.

Earlier, the Thompsons sent out a lot of experts to pursue him, and they worked with a lot of ancient martial arts families as well. He was almost caught many times!

However, the Southern Boss made ample preparations, so he managed to avoid pursuit by the Thompsons and managed to get back!

“Angus, once I kill your daughter, I’ll slowly settle the score with you! From now on, I’ll make sure the

Thompsons don’t get

get a single day of rest since I have the Southern Boss helping me!” Asmodeus let out a cold sneer as his eyes glinted in a bloodthirsty manner.

Right after that, he opened the door and dragged an unconscious Roanne out from the backseat, heading to the living room.

Bang!

After they arrived there, Asmodeus violently tossed Roanne on the sofa.

Roanna let out a cry of pain as her eyes fluttered and slowly opened, waking up from her state of unconsciousness.

“Little girl, you’re finally up! That’s perfect, it’ll be more fun to toy with you now!”

Asmodeus looked at Roanne’s beautiful face before his eyes trailed downwards to look at her figure. His glinted as he found himself captivated by Roanne’s beauty.

“Ah!” Roanne let out a sharp cry as she immediately remembered how she was captured by Asmodeus.

After that, she immediately got up and quickly ran past Asmodeus, trying to run away.
eyes

However, she was just too weak, and her strength was already sealed by Asmodeus. She just ran a few steps when she suddenly felt a stab of pain as the back of her neck was grabbed by Asmodeus.

“Let’s see where you can run to!” Asmodeus laughed coldly before he pulled back. Roanne slammed on the sofa again.

“W—
what are you trying to do?” Roanne’s face paled. Her expression was full of horror and fear.

“What do
you think? You’re such a pure and beautiful little girl. I’ll make sure to play with you properly today. You’ll be able to enjoy the feeling of being

a woman!” Asmodeus said with an evil smile. After that, he quickly reached out and grabbed Roanne’s body.

“No!”

Roanne was terrified. She rolled away, managing to avoid his arm, but she still managed to grab her clothes by her neckline.

Right after that, Asmodeus pulled forcefully. With a rip, half of her shirt was torn off, revealing her white and supple flesh.

“Little girl, go ahead and struggle! The more you struggle, the more excited I get!” Asmodeus cackled as he said. His blood was boiling at that moment.

“Please, please let me go!”

Roanne’s face was full of shock and horror. She never experienced anything so terrifying before. Her heart was filled with fear. She constantly pleaded, hoping that Asmodeus would let her go.
