The Ex-Husband's Revenge Chapter 17

"What a joke! Even Graham, the Holy Doctor, couldn't cure Elder Young's illness. Who do you think you are? What can you possibly do? Do you think your skills are better than Graham's?!" Graham's assistant mocked.

"You're just completely delusional!"

Graham frowned as he measured Leon before saying,

Are you a doctor as well?"

"I'm not a doctor..." Leon shook his head.

"You're not even a doctor. How dare you speak so much nonsense?! Even if you're a doctor, there's no way you'd be good enough to cure anyone at your age. You're just

trying to stand out and get attention. What a clown!"

Gilbert was furious as he viciously glared at Leon.

"That's not completely certain! The moment Leon met grandfather, he said that grandfather's life was in danger!

"Now, he's saying he can save grandfather. He might be able to!"
