

Revenge 1061

Chapter 1061

Ruth was furious. She wanted to open up Leon's head to see what was inside!

"That-"

Leon frowned, hesitating slightly.

The Youngs and the Lowes did not have any martial artists that were at the intermediate Overlord State. They were not enough to be such a big threat to him.

With his skills, it would not be too hard to protect Ruth and Iris as well!

However, Ruth was right. They had strength in numbers, and it was hard for him to keep track of everything alone. It was not certain that he would be able to ensure that Iris and Ruth were unharmed!

If a massive battle broke out, Iris and Ruth might accidentally get hurt. That was not a good thing for him!

"Daisy and Harold were working together in secret. They worked to chase away Gilbert and Iris for the sake of the Youngs' assets!" Leon dropped another bomb!

“What? Royce is Harold’s son? How could that be possible?!”

Melvin and the others were completely shocked by the news!

It was not just them. Even Harold and Daisy were shocked. They did not expect Leon to know about it!

“Daisy, is what Leon is saying true?” Melvin’s expression darkened as he immediately looked at Daisy.

The other elders started to look at Daisy and Harold with a fiery look in their eyes as well.

“Leon’s right! Melvin, are you getting senile with your old age?!”

At that moment, an angry shout was heard. Elder Young was on his wheelchair, and

Gilbert pushed him from behind. They even had a few of the family’s guards with them as they came inside.

Ever since Leon rushed over to save Iris and Ruth, Elder Young and Gilbert rushed over as well. The two of them just arrived.

Of course, with Elder Young’s name and position in the family, there was no way the guards would stop him. They hurriedly let the two of them over.

Gilbert knew that Elder Young was still weak and could not talk to much, so he held back his hatred toward Harold and Daisy as he explained everything.

"What? Harold, how dare you and Daisy work together to attack my brother? You even used Royce to take our assets! The two of you should die a thousand times over!"

After hearing everything, Melvin and the elders were furious. All of them went red with anger.

Ever since Daisy took control of the Youngs, they were constantly ordered by Daisy

and Harold to target Young, trying to kill Leon!

Especially when Harold set up the ambush for Leon the last time. Not only did they helped Harold against Leon, they almost harmed Iris and Gilbert as well!

After finding out the truth, they finally realized how stupid they were. They were made to look like fools by Harold and Daisy!

“Haha. You’re really overestimating your family! I’m already at the Overlord State. If I want to leave, no one in your family can stop me! Also, the old man’s strength has already been crippled. If your family supports him, aren’t you just killing yourselves?!”

Harold started to laugh.

“What?”

“Your strength has been crippled?”

“Are you serious?”

Melvin and the elders were shocked. They looked right at Elder Young.

“Yes, it’s true...”

Elder Young sighed. He had a miserable expression on his face.

"That's right, if the family collapses, we can just make a comeback in the future!"

Seeing Melvin fall silent, two of the elders and a few of the other Youngs spoke up.

Not everyone was there for the money and profits when it came to a large family like the Youngs. Some of them were truly loyal to the family.

The ones who were speaking up were the ones who were incredibly loyal. They would rather fight Harold and get revenge for the family and Elder Young!

"Yes, you're right!" Melvin was deep in thought for a moment before he made his decision.

He knew very well that, if he led the Youngs and fought against Harold, the family would probably crumble.

However, he was still an Overlord State martial artist. They had a lot of loyal followers as well. They would have a chance to come back in the future!

"Mister Young, don't be in such a hurry. Just listen to my offer first before you make decision!" Harold calmly said, not

Harold would then easily be able to destroy the family after that!

It was obvious which choice was the smarter one!

"Brother, you can't accept it!"

Some of the elders and followers started to get anxious when they saw that Melvin
was being tempted.

Elder Young and Gilbert were the first lines of direct descendants. They were the true
line of Youngs. They would always support the Young bloodline!

Even if Harold's conditions were very tempting, they would not give in!

"Why can't I agree? This concerns the life or death of the family. Are we just going to
watch as the family is destroyed?"

“Melvin, you were lied to by Harold and Daisy before this and made a mess of the

family. Are you really going to keep on committing the same mistakes now that you know the truth?" Elder Young berated. His expression was extremely dark.

Even though he already knew that Melvin and the others would not support a cripple like him, he still found it hard to accept after personally going through it!

It was obvious that he planned on doing the same thing, capturing Iris or Ruth again just like last time. As long as he was able to capture one of them to threaten Leon, Leon would have to let Jacob go!

“Die!” Leon had a murderous look in his eyes.

He turned around and launched an incredibly powerful strike at Harold. He planned on crippling Harold before anything else!

“Preposterous! I want to see who would dare harm my granddaughter!”

At that moment, an angry shout was heard. Over a dozen figures emerged. George appeared with the experts. from the Collins!

He found out about Ruth being kidnapped by Jacob from Anson.

He never expected Leon to be able to sneak in while just being a peak Supreme

It definitely surprised him a lot.

However, that was a good thing. As long as Ruth was safe, he could help Leon
against Harold without holding
back!

"Elder Collins, are the Collins going to help Leon this time?" Harold said coldly.

He already expected the Collins to come help Leon. So, he was not surprised at their
appearance at all.
