The Ex-Husband's Revenge Chapter 139

The dress that Lily wore was quite fashionable, and although they were not high-end luxury-brand clothes, they suited her charming temperament perfectly and bestowed on her a simple allure.

It was the first time that Leon has truly seen Lily's true beauty. She might not be as hot and tempting as Iris and Ariel when it came to her figure, but her looks were almost on par with Ariel's and she was up there with the latter in terms of beauty!

"Leon, is... something wrong?" Lily blushed when she sensed Leon's fiery gaze and her heart began pounding nervously. She lowered her head instantly and did not dare to look into Leon's eyes again.

Ever since Leon came to her aid all those times, she unwittingly began to develop some feelings for the tall and handsome Leon. Since it was the first time that she invited him to her home as a guest, she deliberately dressed herself up to leave a good impression on him.

Leon's reaction proved that her efforts were not in vain, and a slight sense of joy appeared in her heart.

"Uhh, nothing. Nothing at all..." Leon snapped back to his senses and smiled- awkwardly before stopping himself from ogling at her.

"My house is in the last row, Leon. I'll take you there." Lily smiled and pointed in the direction behind the community.
