Chapter 2239

Yonas was incredibly happy to hear that Fiona agreed to Jel's invitation!

Fiona was young and gorgeous, so he wanted to get closer to her!

With Joel inviting her over, it was just what he wanted. He started to like Joel even more!

After that, the crowd dispersed, novelxo and the three of them entered the room.

Other than that, to make the plan easier, Joel dismissed the models inside.

Very quickly, only he, Yonas, and Fiona were in the room!

Right after that, the three of them sat down.

"Mister Thompson, you saved me this time. I don't know how to thank you. How about this, let me give you a toast to thank you for your help," Fiona was very quick to pour Yonas a drink and hand it to him.

"Alright, that's good enough!" Yonas smiled.

All the praise he got earlier, already satisfied his ego like it never was before!

With a beautiful girl like Fiona by his side serving him his drinks, his mood soared to the limits!

So, he did not bother thinking about it as he finished the whole glass!

As for Fiona, she sipped a bit to express her thanks.

Probably because she was not used to alcohol, she merely drank a little, but her cheeks suddenly reddened. She started to look even more alluring.

Suddenly, novelxo Yonas found himself incredibly captivated!

"Mister Thompson, I can't believe you're already at the intermediate Emperor State. Even Rodney's no match for you! I think you're probably already at Yuri's level. No one in the younger generation can match you! The Thompsons managed to produce both you and Yuri. Your family will soar to greater heights in the future!" Joel changed the topic and said.

"That-"

"Yuri is still slightly stronger than me. I can't face him at the moment."

Hearing Joel, novëxo Yonas looked like he was dumped in cold water.

He knew very well that Yuri was already at the advanced Emperor State.

Even though he was not that close to Yuri, he had to admit that Yuri was incredibly talented in many ways!

He was still behind Yuri!

"It's fine! Yuri's just stronger than you because he's older. With your situation, you'll be stronger than him once you reach his age," Joel hurriedly said.

"Yes, you're right! In a few years, I'll exceed him!" Yonas was suddenly incredibly spirited thanks to Joel's respect and flattery.

"Of course! It's just regretful that your family has been focused on Yuri for the past few years. He gets all the good resources because they want him to be the heir! It's a bit unfair to you!" Joel said with some pity, novëxo trying to voice out the injustice for Yonas!

"That's true! However, that's all in the past! Now that I'm almost as strong as him, we don't know who'll inherit the family in the end!" Yonas said coldly.

Joel's words hit him at the sore spot. On top of that, he was tipsy, so he did not guard his words.

So, he complained a bit to Joel, nvëlx.o voicing out his intentions of seizing the position as the heir!
