Chapter 2248

Chapter 2248

"So you do like Leon!" Yonas was shocked when he saw that Roanne was stammering and unable to come out with an answer. It confirmed his suspicions!

"I-1 don't. It's not like you think."

Roanne hurriedly tried to deny it, and her face started to redden. She felt like she was caught in an incredibly difficult position.

"Could it be true?"

Iris' expression sank at that. She could not help but feel a bit complicated.

It was not just Yonas who managed to guess it, even Iris started to realize that Roanne probably had feelings for Leon!

However, she thought about it. Leon was a morally upright person and was excellent in many ways. It was easy for girls to fall for him!

It was quite normal that Roanne fell for Leon!

Furthermore, it was not just Roanne who liked Leon. Even Cynthia, Snow, and Ruth were a bit too close to Leon!

Cynthia in particular even had her permission!

Despite that, Leon still did not completely accept Cynthia!

With Leon's character, there was no need for him to worry about it! novelxo

In the end, it was the right of the others to like Leon. There was no way she would be able to stop anyone from liking Leon!

As long as Leon did not cross the line, it was enough for her!

With that in mind, she felt that her mind was much clearer!

"Miss Thompson, Leon's not a single man! You like him, and you even moved over to stay with him and are trying to ruin his relationship! Isn't that a bit immoral!" Fiona continued to say.

"Fiona's right! You're a girl, and you're already doing something so immoral. How dare you call me shameless and despicable? It's such a joke!" Yonas mocked.

"I-"

Roanne's eyes started to redden as Yonas and Fiona continued to mock her. She was on the brink of crying, but there was nothing she could say.

"Iris, it's not like that. I've never thought about breaking you and Leon apart. Please believe me," Roanne hurriedly said to Iris.

She knew that Iris was Leon's girlfriend. Even though she started to like Iris, she only wanted to move over so she could regularly see Leon!

That was already enough for her!

From the start, she never had thoughts of fighting over Leon with Iris. She would never be a third party in a relationship either!

She was very worried that Iris would believe in Fiona and Yonas' words and misunderstand her!

Then, she would never have the face to see Iris and Leon again!

"It's fine! I believe you. I can understand your feelings," Iris said with a smile.

Feelings could not be controlled. Leon saved Roanne so much before. It was quite normal for Roanne to have some feelings for Leon, or even admire him!

Other than that, with their interactions in recent times, Iris could tell that Roanne's thoughts were pure and kind. She was not someone who would plot things like that!

With how Roanne was, there was no way Roanne would do anything immoral!

Naturally, she did not need to blame or be angry at Roanne!

"That's great! Iris, thank you for trusting me," Roanne smiled, calming down a lot.
