

The Ex-Husband's Revenge By Dragonsky

Chapter 2271

Chapter 2271

In the bedroom, Fiona helped Yonas get into bed.

After that, she helped tuck Yonas in and even prepared some water for him. She was taking care of him very carefully!

"This is nice!"

Looking at Fiona busying herself, Yonas felt a warmth in his heart.

He was already infatuated with Fiona in the first place. With how carefully Fiona cared for him, he became even more obsessed with her!

Yet, unbeknownst to him, as he was feeling happy about things, Fiona was secretly messaging Rodney, telling Rodney everything that happened that day!

After a long time, Yonas slowly fell asleep, already exhausted from his injuries!

Just as he was about to fall asleep, he suddenly heard some footsteps coming from afar.

"Fifi, are Norm and Sully back?" Yonas was startled by the footsteps. He thought those two were already back with a doctor, so he immediately sat up.

"Yes, maybe," Fiona said with a glint in her eyes, somewhat avoiding Yonas's eyes.

Right at that moment, the door was suddenly opened. Joel led the way with two guards behind him as he walked right inside.

"Mister Hiltons, it's you! Why are you here?"

Yonas was shocked to see that it was Joel and not Norm and Sully.

However, after the incident where they saved Fiona, he already considered Joel one of his good friends!

So, he did not feel anything wrong with Joel being there, and was only a bit surprised!

' Mister Thompson, it's not just me. An old friend is here too," Joel said with amusement.

"An old friend? What old friend?" Yonas was confused when he heard that, unable to figure out what Joel was saying.

"It's me!"

A cold laugh was heard at that moment as Rodney walked in with the Fourth Apostle.

"Rodney, it's you! Why are you here?! Also, Mister Hiltons, why are you with Rodney?"

Yonas was shocked at Rodney's sudden appearance.

After that, he looked at Rodney before looking at Joel again. He was completely stunned and could not figure out what was going on!

"Idiot! With things already as they are, can't you tell what's happening?!"

Mister Spears and I are working together!" Joel laughed as he said with disdain. He looked at Yonas with complete contempt. It was completely different from how respectfully he talked to Yonas before!

"What? The two of you are working together? H-how is that possible?!" Hearing that, Yonas felt like the sky fell as he quickly stood up!

That night at the club, Joel helped him go against Rodney and they saved Fiona.

At the time, the two of them were enemies!

Yet, he never would have dreamed that the two of them were on the same side!

It greatly exceeded his expectations and caught him completely off guard!

It was obvious how shocked he was!

"C-could Fifi and you two?"

When Yonas snapped out of his shock, he seemed to realize something as his expression changed dramatically.

That night, Fiona was the conduit of everything. Now that he knew that Joel and Rodney were working together, it was not hard to figure out that Fiona was related!
