

The Ex-Husband's Revenge By Dragonsky

Chapter 2278

Chapter 2278

"Greetings, elder, sirs..."

Norm and Sully immediately stood at attention when they saw that it really was Arthur.

Other than Arthur, who was in front, Angus, Roanne, and Yonas' father, August, were all there as well.

"Norm, Sully, where's Yonas? Have him come out and see me right now!" Arthur said furiously.

"Sir, h-he's dead..." Norm and Sully said with reddened eyes and a pained look on their faces.

"What?"

Those words were like a bomb that blew up on the spot.

Whether it was Arthur, Angus, August, or the others, all of them were completely blown away by that sudden news!

"What did you just say?" After Arthur recovered from his shock, he immediately grabbed Norm's collar, raising him up as he said angrily, "Norm, repeat what you said just now! What happened to Yonas?"

"Sir, he's dead..." Sully repeated with great difficulty.

"No! That's impossible! Yonas was completely fine. How did he suddenly die?! T-this can't be real!"

Before Arthur could even say anything, August immediately rushed forward. He had a look of disbelief on his face and could not accept the cruel truth!

"Sir, what Norm said is true. His corpse is in the bedroom," Sully said, pointing at the bedroom behind him.

Hearing what Sully said, Arthur immediately let Norm go and rushed into the bedroom with the others, wanting to confirm if what Norm and Sully said was true!

In the bedroom, Fiona and Finlay were standing by the side while Yonas lay on the bed, completely still.

Seeing that, Arthur and August were both in no mood to ask who Fiona and Finlay were. Arthur and August walked right past Fiona and Finlay as they approached the body.

August, in particular, was incredibly worried about Yonas. He lunged right over to the bed.

"Yonas, what happened to you? Wake up..." August called out to Yonas as he used his hand to try and feel for signs of a pulse or breathing from Yonas.

When he felt that Yonas was showing no signs of life, he was stunned in place, looking like he had just been struck by lightning!

Arthur did the same. He tried to feel for Yonas' pulse, and his expression changed dramatically right after that.

"Is Yonas really dead?" Angus felt his heart stop.

Angus and Roanne obviously understood from Arthur and August's reactions that things were definitely not looking good for Yonas!

"Norm, Sully, what happened? Who killed Yonas? Who was the culprit behind this?"

Arthur's eyes were completely red, and an unimaginable wave of anger and murderous intent started to surge out from his body!

Even though Yonas was quite a disappointment, Yonas was still his grandchild. Furthermore, Yonas was his only grandson!

Yet, Yonas suddenly died despite being fine all the while!

Yonas must have been murdered!

It was obvious how angry Arthur was at that moment!

"Sir, Leon was the one who killed him...." Norm and Sully answered honestly.
