The Secret Heir Return To Wealth And Love Chapter 645

### Chapter 645

“It’s hilarious. Do you know how expensive these toys are? You couldn’t even afford it if you sold your sister! Another teenager said, and was about to kick the boy again, “**A** pathetic kid without parents, how dare you try to steal from me!

But this kick never landed on the boy

Noah walked up and kicked the teenager in the stomach. The teenager screamed in pain and fell to the ground.

“Oh my, mister, how could you hit a kid like that. “A bystander **was** startled

The bald guy who had been watching cast a sudden fierce look at Noah and asked, “Where did you come from, and how dare you touch my brother?”

“Sir

At this moment, the little girl recognized Noah, paused for a second, crying as she ran over and hugged Noah’s leg.

Noah looked down at her

She was in worse shape than the last time he saw her – her clothes were torn, her face had scratches, and her hair was a mess.

The boy looked up when he heard his **sisters** voice

The bald guy laughed and said, “Oh, you guys know each other? These two little **brats** stole my valuable stuff and even smashed it when I found out. They have to pay”

“The valuable things you’re referring to are the toy mecha and the castle building blocks , right?” Noah asked.

The **bald** guy hesitated, then sneered, “So you guys did this together?”

Noah didn’t answer, but took out his phone and called the police in front of the bald guy

The bald guy was stunned, “What are you trying to do?”

“Call the police Noah answered, “These are customized, one-of-a-kind designer toys which I gave to them as a gift. And somehow they ended up with you .”

“Did you buy the toys? The bald guy’s expression changed

“Do you want to see my order history?” Noah paused for a moment. “Or maybe not. We can show the police when they arrive,”

The bald guy cursed His gang didn’t want to deal with the police. Almost every one of them had at least some secrets **they** didn’t want the police to know about.

He angrily

warned the boy, “You’re lucky this time, but luck doesn’t last forever. Next time I catch you and your sister, I’m gonna make sure to finish you off!” With that, the bald guy left with his minions.

The little girl cried and rushed to her brother’s side

Someone by the street said, “Look at him, he’s coughing up blood! Call an ambulance, quickly!”

Another person said, ‘Wow, those bastards **really** didn’t hold back when they hit them.’”

Noah **said** nothing, called an ambulance, and followed the siblings to the hospital.

The examination results showed that the boy had two broken fingers and two broken **ribs**..

The little girl was not seriously injured

When the boy **saw** Noah return he said, 'Sir, thank you for taking us to the hospital, but we don't have enough money to pay for the treatment.'

Noah sat down and asked, "What happened with the toys?"

The boy lowered his head.

The day after meeting Noah, the boy took his mecha toy out to find a place to sell it when he encountered the bald guy, who was a gangster in their area. Bob saw the mecha toy and accused the boy of having stolen it. The little girl rushed to say that it was a gift from someone, along with her castle.

That's how the trouble started.

That nasty guy found the bridge under which they were staying and took the castle.

"I couldn't stand it anymore, so I camped outside their place for days. Today, when they were out, I tried to take the toys back, but I **got** caught. I thought, even if I **can't** get them back, I won't leave it for those bad guys...so I **just** smashed them!" The boy's face was full of stubbornness.

Noah didn't expect that the toys he had casually given away would bring so much trouble to the siblings.

Chapter 646

But

"They mentioned you don't have parents?" Noah asked

The boy lowered his eyes and turned his head to avoid looking at Noah, 'They have passed away'

"So, the mom you mentioned last time, were you lying to me, or do you have another guardian? Noah continued

The boy was silent for a moment. "We lied to you

Although Noah had guessed it, he still felt a bit emotional

“Where do you live now? How do you make a living? Noah went on to ask.

“Sir, please give me your contact information I’ll pay you back for the medical expenses when I make enough money. Now I want to take my sister back”

“Your ribs are broken, you must be hospitalized Noah paused, “You only got in trouble t his time because of the things I gave you. I should take responsibility for it’

“It’s okay” The boy still insisted on leaving

Noah looked at him and said calmly. “In your condition, you may be in life– threatening danger if you don’t get proper treatment. What will your sister do then?”

These words **made** the boy stiffen up, he couldn’t move at all.

Noah looked away picking up the boy’s medical report “Your anemia is very severe, and it seems that your sister’s situation is not very good either.”

The boy’s uninjured hand clenched into a fist. He **was** too young. Even though sometimes he could find temporary jobs, there would always be unscrupulous bosses who didn’t pay him **wages**. It was **hard** enough for them to fill their stomachs.

“Do you have any relatives at home?” **Noah** asked.

The boy was silent for a while, and he no longer had the strength to clench that fist. He shook his head, “No more.”

Noah sighed softly in this city, there were probably countless homeless children like the m

“You should focus on healing first. After you recover, I will contact a good orphanage for you...”

“No! The boy immediately refused. If we go to the orphanage, we will be adopted and separated from each other! My sister and I will be separated!\*

‘Britney doesn’t want to be apart from brother! The little sister suddenly burst into tears.

Noah:

He pursed his thin lips and finally shook his head helplessly, “Just focus on recovering first.”

Noah’s phone rang as he spoke

He got up and **walked** over to answer the phone

“Mr. Noah, the investigation against you has been concluded, and you can freely enter and exit the country now.” The other party said politely.

Noah **was** startled, “It’s been concluded?”

“Yes, we’re sorry for the inconvenience this has caused you”

After hanging up, Noah was a bit stunned

He thought Wayne had more moves up his sleeve. How could it just end like this?

He thought for a moment, and an idea flashed in Noah’s mind.

if Wayne gave up so easily, that means all of this wasn’t aimed at him.

“Lynn Noah immediately called Rosalynn.

Having just dealt with a few matters, Rosalynn felt a mix of emotions when she saw Noah’s incoming call.

Noah was different now.

She suspected that Noah must have known the reason for his restriction on leaving the country.

Taking a deep sigh, Rosalynn answered the call, Noah’s heavy breathing could be heard on the other side.

“Noah”

In the end, it was Rosalynn who broke the silence.

Chapter **647**

Noah’s hands were shaking uncontrollably

‘Are you at the hospital right now?’ Noah asked

“Nah, I went out to deal with some stuff,” Rosalynn replied.

“Send me your location, and I’ll come find you” Noah tried to steady his breathing and control the trembling of his hand.

“Alright.”

After hanging up the phone, Rosalynn sent him her location.

Noah rubbed his wrist, feeling extremely anxious

“Sir is everything alright?” the boy asked worriedly.

Noah took a deep breath, walked back and put his business card on the hospital bed. “I’ve paid for your hospitalization. Whether you take the treatment is up to you. If you need anything, give me a call”

With that, Noah left quickly.

Issac and Britney watched as Noah went away

Issac are you going to die?” Britney asked worriedly.

Issac immediately shook his head, “No, I won’t die. Didn’t you see that he has already paid for my treatment?”

“Right Britney nodded timidly

Issac looked again at the direction where Noah had left. **That** man was a good person. He would always remember his kindness, and repay him when he can!

Noah’s hands were still trembling. Although it wasn’t as bad as right after taking the medicine, he still couldn’t drive so he had to take a cab to find Rosalynn.

When he saw Rosalynn’s car, he walked over, opened the passenger side door and stepped in.

“Why is there blood on you? Were you attacked? Glancing back, Rosalynn noticed a bloodstain on Noah’s casual shirt”

Noah hadn’t noticed it himself.

“No wonder the cab driver was staring at me” Noah wiped the blood from his chest. I stopped on the roadside to help a kid who had his ribs broken. The blood is his ”

“Thank God Rosalynn sighed in relief.

Noah kept wiping the blood, rather compulsively

Rosalynn sensed something was wrong and reached out to hold his hand. “Noah, what are you doing?”

Noah’s breathing was erratic. He looked sideways at Rosalynn, “Why did Wayne suddenly let me go?”

Rosalynn’s hand stiffened for a moment.

“What did you promise him? Noah continued to question.

“Noah, this was originally a grudge between me and Wayne. He’s been unreasonable and taking it out on you over and over again. Rosalynn lowered her eyes. “I can’t let you or anyone else be dragged into this anymore. As for my situation with Wayne...

Before she could finish her sentence, Noah suddenly raised his voice, “What on earth did you promise him?”

Rosalynn looked up at Noah and replied, “We got married.”

Noah instantly froze. He was visibly shocked.

“Marned?”

“Yes. That way it’s good for everyone. I don’t have to worry about him trying to take Cory and Ivy away anymore. Rosalynn said solemnly.

Noah looked away, lowered his eyes, and suddenly chuckled, “Good for everyone... yeah, you’re right.”

“Noah.”

“What were you thinking when he used you to threaten me?” Noah stared at Rosalynn, “Were you thinking that I’m still like before, just a pathetic handicap whom Wayne can manipulate at will? You didn’t even call me to ask what the hell was going on, and you were just convinced that I couldn’t win against Wayne.”

“That’s not “Rosalynn tried to explain.

But it seemed that Noah no longer needed her explanation.

## Chapter 648

“Nah.” Noah shook his head with a smile, “You never really got over that guy This whole thing is just a stepping stone for you two to get hitched. Stepping on me – this stone you guys happily waltzed into marriage.”

“Noah, I’m really sorry if I hurt you...

“Forget it” Noah cut Rosalynn off again.

He had played this scenario over and over in his head. But when it actually happened, he still felt like the biggest joke in the world.

‘Congratulations After saying that, Noah opened the car door and got off without looking back.

Rosalynn wanted to chase after him, but hesitated for a second.

What could she say if she followed him? Nothing will change.

Instead of all that, better let Noah give up completely so he can move on

Sitting in the car, Rosalynn watched as Noah's tall, lanky figure walked away, tears streaming uncontrollably down her cheeks.

Noah, a thousand, no, ten thousand apologies can't express my regret. I'm sure you will meet someone who will have only you in her heart.

When Rosalynn returned to the hospital, Ivy was still sitting facing the wall, not saying a word.

"You need to talk to her Hilaria urged Rosalynn as soon as she saw her, "She won't eat or drink... won't listen to anyone."

"Who does Ivy take after? When she's being stubborn, it's impossible to communicate with her! Paige sighed helplessly.

She and Baillie had already done the matching this afternoon. They had calmed down a bit. While worrying about Cory's condition, they were also concerned about Wayne taking Rosalynn away for so long. They worried about what might have happened, if Wayne was threatening or bribing her, or yelling at her or something.

Rosalynn pushed the patio door open. Cory and Ivy were both there.

"Cory, can I have a moment alone with Ivy? Rosalynn asked.

Cory nodded and left.

Rosalynn **sat** down on the wicker chair and tugged on Ivy's arm, trying to get her to turn around. Ivy didn't move.

"Honey, don't you want to know why Uncle had a fight with mom?"

Rosalynn knew Ivy too well. The moment Ivy heard this question, she started turning to Rosalynn's direction.

"Come to mommy" Rosalynn reached out her hand.

After some hesitation, Ivy put out her hand as well. Rosalynn held it and tugged her in for an embrace.

Paige saw all this through the glass and resignedly started clapping. She had been talking to Ivy all afternoon, even until her mouth went dry, to no avail. But Ivy gave in the moment her mom opened her arms.

“Your eyes are swollen from crying. Does it hurt?” Rosalynn stroke Ivy’s cheek tenderly  
Ivy didn’t answer. She seemed to be just waiting for Rosalynn to explain why they had fought.

Rosalynn sighed softly, then spoke to Ivy in a serious tone, “Honey...Mom and Handsome Uncle have known each other for a really long time. We met before you and your brother were even born”

“Back then, did mommy have long hair?” Ivy finally spoke up.

Rosalynn nodded, “How did you know?”

“Ivy saw it on godmother’s phone. The video of you and Bad Uncle...” Ivy has changed her nickname for Wayne.

Rosalynn patted her little head. “At that time, mommy really, really liked him. We were going to get married.”

“Married?” Ivy was shocked.

“Yes.” Rosalynn pinched her cheek, “But for some reasons, we broke up... After we broke up, I had you and your brother. Actually, Handsome Uncle is your and your **brother’s** daddy”

## Chapter 649

Ivy’s mouth dropped open in surprise, ‘Uncle is my dad?’

‘Yep. Rosalynn nodded, “We weren’t really fighting at the time. Uncle was worried about my health and didn’t want me to work. He spoke a bit hastily, just like how mommy sometimes accidentally scold you when I’m worried about you”

Ivy lowered her head, seemingly deep in thought.

“So. Bad Uncle didn’t want Ivy and Cory?”

“Honey, it’s not that he didn’t want you guys, he just didn’t know..” Rosalynn thought to herself that it wasn’t really a lie, since Wayne truly didn’t know they were still around, “Mommy, I like him even less now!” Ivy said angrily.

“What if he behaves well? Rosalynn tried to calm her down, “You used to be mad at Uncle Jaime too, but when he started behaving well, you began to like him, right?” “It’s not the same! Ivy crossed her arms, even angrier now.

Rosalynn sighed, “But what can we do? Mommy already married Daddy, and we’ll be living together from now on.

“Huh?” Ivy turned back, her jaw dropping.

“Yeah, Rosalynn looked at Ivy innocently and nodded.

Ivy turned her head away and hung it down, completely baffled.

Paige looked anxious,

“What are they talking about? Ivy’s expression changes so fast! Now she seems all listless!”

“Who knows? Cory, why did you close the door?” Hilaria also seemed a bit worried,

Cory glanced at the adults, shook his head, placed his hands behind his back and slowly walked back to his room.

Ivy really wanted to digest the news for a bit longer, but it was time for dinner and her stomach was growling. Finally, she reluctantly went to eat.

Before entering the dining hall, she suddenly asked, “What about Granny Hilaria, Uncle, and my animal friends when we live with him? Will he dislike my animals?”

“Ivy, he loves you very much, and you can communicate any demands with him. Rosalynn touched her cheek, “He won’t dislike your friends.”

Ivy lowered her eyelids, “During our trip to the amusement park, I told him a lot about my friends, and he indeed didn’t seem to mind.”

“See, don’t be upset, Ivy. Remember, you’ve always wanted him to be your dad. Now that he really is your dad, isn’t that great?” Rosalynn comforted her. These words made a real impact on Ivy

With her head hanging low, Ivy said, “I’m hungry”

“Then let’s have dinner!”

Rosalynn held her hand and pushed open the glass door, meeting the gazes of Paige, Hilaria, and Calvin.

“Ivy and I made up and yet you guys don’t look very happy Why? Rosalynn raised an eyebrow and asked.

Hilaria snorted, “Why wouldn’t I be happy about you two making up?”

With that, Hilaria gloomily got up and left.

Rosalynn left Ivy with Paige and followed Hilaria out.

“Granny,” Rosalynn caught up with her pace.

## Chapter 650

“Just now the PR department called me Bane Corporation gave up bidding for a piece of land they had already won Hilaria **said** in a deep voice, ‘Also, the evidence we failed to find has appeared online and cleared our name, and those who framed us yesterday just turned themselves in to the police

Rosalynn lowered her eyelids This must’ve been Wayne’s doing

“What deal did you make with Wayne Hilaria asked her, very sternly. “You didn’t give him Cory and Ivy’s custody, did you?”

“No way!” Rosalynn immediately denied

“Then what?” Hilana was quite worried

Rosalynn replied, “I married him

Hilana stopped and looked at Rosalynn in shock “What? Married?”

Rosalynn nodded “This way we won’t have to fight for custody”

Is marriage a joke to you? A bargaining chip Hilaria scolded, ‘Your entanglement with him is already so complicated, and yet you dare to get married? How can you be sure that the Silverman kid doesn’t have any insidious trick waiting for you?’

“Even for the sake of Cory and Ivy, he wouldn’t do that Rosalynn replied, “Grandma, all the troubles that my affairs have caused you, will end today”

‘Silly you! When did I ever tell you your affairs bothered me?’ Hilana cried in a burst. “I’m calling Wayne right now!! I want to know what the hell he’s up to!”

Rosalynn held her hand and stopped her

“He’s changed” Rosalynn said softly

“We’ll see about that Does he think that a piece of land can buy my granddaughter? Hilaria wished she could chop Wayne into pieces.

Rosalynn gently stroked her hand “Grandma, I’m really tired I don’t want to struggle any more. Just let it be. He’ll manage Bane Corporation and I’ll do my own thing. As long as Cory and Ivy grow up well, everything else will take its course

After that she added. “If it doesn’t work out, I’ll find a way to leave him.”

“Easier said than done! Hilaria looked at her, frustrated

As the two were talking, Calvin hurried over

“Ma’am! Ma’am! Something terrible has happened” Calvin ran to Hilaria with his phone, “That scoundrel Wayne just announced his marriage to Gabriella Jared on all Bane Corporation’s social media accounts!”

“What?” Hilaria was furious and snatched the phone to check It **was** true.

“So shameless of him, to spread such rumors Calvin was indignant, Ma’am, we need to get the PR department to issue a statement to break his rumors!”

Hilana.”

She jabbed at Rosalynn’s arm twice: “Look what you’ve done

Calvin was in a hurry. “Quickly! It’s going viral soon!

“Such a statement is impossible. Rosalynn looked **at** Calvin and shook her head apologetically.

“Why?” Calvin was puzzled.

“Because the marriage is real.” Rosalynn looked sorry.

Calvin stepped back, looking dramatically shocked.

As Calvin predicted the news of Wayne and Gabriella’s marriage quickly became the hottest trending topic across all social media platforms in a matter of minutes. “All official company accounts and official websites have posted news about the marriage. It’s like a throwback to the time Secretary Tesdal swept the entire internet”

“Wow, after following Wayne’s love life for so many years, I finally got to witness his big day!”

“Okay, I admit I shouldn’t say this, but if Secretary Tesdal were still alive, we could’ve heard this great news five years ago. Today is a day to sigh for Secretary Tesdall”

The internet was bustling with excitement.

Meanwhile, Olivia, who was left at Fuller Manor, hiding in the room furthest from the ashes in the living room and clutching her phone, received the trending news through a company wide email
