Chapter 3006

Seeing Jin Sha take out a gold coin from his bosom, he tossed the gold coin casually!

With a bang, the gold coin turned into a metal doll in an instant!

Jin Sha breathed a breath into the metal puppet, and saw the metal puppet flying out, and the sky was filled with golden light for a moment. In this golden light, a golden figure appeared, and there was a terrifying aura emanating from the figure. breath!

"Look, what is that?"

shouted a monk who ran at the end!

But just as the cry came out, a golden light shot out suddenly, instantly piercing through the monk's chest, and bright red blood flowed out!

The cultivator fell to the ground in an instant, and then a white light radiated from his body, and then floated into the air!

This sudden change surprised everyone!

"What is that, why is it so powerful?"

A monk looked at the golden figure in shock and said!

"Is this a human or a machine? Why is there something special about the aura?"

Lao Sun looked at the metal doll with doubts on his face!

"Stop him..."

Someone roared, and then everyone showed their weapons!

These people all know that if there are pursuers behind them and they don't solve it, they will always be hunted down!

So we must first solve this guy who doesn't know what it is!

All of a sudden, all kinds of brilliance flew around, and terrifying spiritual power spread across the world!

But the metal puppet, facing all kinds of attacks, remains indifferent. It has no life itself, so there is no such thing as fear of death!

And it's metal, it can't be broken easily!

Soon, many attacks hit the metal puppet, but they didn't cause the slightest damage!

Originally, these monks were already exhausted, and the attacks issued under such circumstances would not have too strong attack power!

"Hahaha, you all seem to be extremely exhausted, with so many people, even one of my toys can't handle it!" At

this moment, Jin Sha's voice came from the corner!

When Jin Sha saw so many people attacking his metal doll without causing damage, he knew that these people were exhausted and there was no threat!

Hearing Jin Sha's voice, everyone's hearts jumped suddenly. Now they are the masters of exhaustion. If they are caught up by Wuxing Tiansha, the result will be self-evident!

Jin Sha was not hiding, but walked out directly, and the metal doll slowly landed beside Jin Sha!

Seeing Jin Sha come out, everyone's eyes were filled with horror!

"Look at your bunch of lambs waiting to be slaughtered, who should I kill first?"

Jin Sha grinned, not to mention how proud he was!

"You guys go first, I'll deal with this guy..."

David stood up and said at this moment!

David could tell at a glance that not all of the Five Elements Heavenly Fiends had chased after them, or else this Jin Fiend would not have been the only one to show up!

Taking advantage of the fact that all the Five Elements and Heavenly Demons have not arrived, David wants everyone to escape first!

Otherwise, if the entanglement continues, all the Five Elements will arrive, and that will be troublesome!

As long as you find a hidden place and let everyone rest and recover, you don't have to be so afraid of the Five Elements of Heavenly Evil anymore!

"Mr. Chen, can you do it yourself?"

Ji Yun asked David!

"That's right, Brother Chen, you have no chance of winning against the Five Elements Heavenly Demon by yourself, or I will stay with you."

The old grandson also wants to stay with David!

"Don't worry, I can still handle just one Jinsha. The other five-element Tiansha haven't come after me." "

Now you take advantage of this opportunity to leave as soon as possible. If all the five-element Tiansha arrive, we won't be able to leave. !"

David said to the old grandson!

"Brother Chen is right, the spiritual power in our body is almost exhausted, and if we stay here, we will die in vain!"

Zuo Qing stepped forward and said!

Chapter 3007

"Okay, let's leave then, Brother Chen, take care..."

Lao Sun nodded!

Then everyone began to flee, and Jin Sha saw it, and said loudly, "You still want to escape, and none of you want to leave today..."

Jin Sha controlled the metal doll and suddenly flew up, and the doll burst out with golden light, like It's a rocket that shoots out!

"Hmph, it's not up to you whether to go or not..."

David snorted coldly, and a terrifying energy erupted from his body instantly!

The body also jumped up in an instant, blocking the puppet! The

puppet suddenly stretched out its right hand, and its sharp fingers moved towards David, the void roared and trembled, and the sharp wind gushed violently!

Jin Sha controls the puppet, so he doesn't worry about getting hurt at all, and he doesn't have any scruples in his heart!

Not to mention the fire on David's body, otherwise Jin Sha would be a little scared to fight with David!

Looking at the puppet, David's mouth was full of disdain!

It's just a bunch of metal parts, David doesn't pay attention to it at all!

I saw that David's eyes were full of light, and the source of fire in the original space was activated instantly, and then the indestructible golden body also covered the whole body. At this time, David was also covered by golden scales like a metal doll!

For a moment, flames shot up to the sky around David's body, golden light shone, and his whole body was like a flame god of war!

Creak creak...

At this time, one of the doll's claws has arrived, followed by the sound of metal colliding with metal, which makes people's hairs stand on end!

Although the doll's claw was very powerful, it couldn't break David's indestructible golden body!

"Go to hell..."

David let out a low shout, and punched it out!

The golden fist light was mixed with flames, which instantly wrapped the puppet up!

Looking at the scene in front of him, Jin Sha frowned tightly. He didn't expect David to have such magical powers of body protection as the indestructible golden body!

Papa...

Soon, the puppet controlled by Jin Sha suddenly lost control and fell from midair to the ground in an instant!

The raging flames are burning, and even the metal is crackling!

Under the flames, the puppet slowly turned into a liquid!

Jin Sha's complexion became ugly, and he was able to melt his metal doll directly, which shows how powerful David's flame is!

At this time, David was suspended in the air, looking at Jin Sha coldly, "Are you afraid?"

David's face was full of disdain!

At this moment, Jin Sha was so angry that he was about to vomit blood. As a ninth-rank monk in the Body Fit Realm, he was crushed and humiliated by David again and again!

But he can't help it, after all, David's fire has a fatal restraint on him!

Just when Jin Sha didn't know what to do, Huo Sha suddenly appeared and said to Jin Sha, "Go chase someone, leave this kid to me, play with fire with me, he's still a little tender..." Jin Sha

clicked He nodded, then jumped up, intending to chase the others...

Seeing this, David suddenly waved a flame from his palm, instantly blocking Jin Sha's way!

He can't let Jin Sha catch up with those people, now David must protect the rest of them, because as long as they all recover their strength and unite, they will have a chance of winning!

"Hmph, a kid at the fourth rank of the Composite Body Realm dared to attack the two of us."

Huo Sha didn't pay attention to David at all, and then a flame burst out from Huo Sha's mouth!

This flame was extremely fierce, and it seemed to be a bit stronger than David's flame!

The flames moved towards David, but David did not dodge!

In an instant, David was swallowed by the flames!

Seeing that David didn't hide or dodge, Huo Sha was a little confused, and didn't understand what David was doing!

"Don't you think that your body-protecting skills can stop my flames from burning?" "

You are too naive, my flames can burn everything..."

Huo Sha sneered.

But David didn't pay attention to him, and jumped up with Huo Sha's flames, blocking Jin Sha!

Chapter 3008

"Huo Sha, what are you? Why can this guy move around without being wrapped in your flames?"

Jin Sha was puzzled, David was surrounded by flames, but he was still able to move freely, and he didn't even make a sound. A scream!

Neither of them knew that Huo Sha's flames couldn't do any harm to David!

On the contrary, David can understand the origin of fire from the flames of Huosha, and continuously strengthen his own original strength!

"Back back..."

David punched Jin Sha, trying to force Jin Sha back!

Jin Sha's eyes narrowed, and he followed with a punch!

m.linsh***u☆ge.c♣om

boom boom boom.....

David punched out thousands of golden fist shadows, and each punch carried a holy light!

Jin Sha frowned slightly, and when his fists clashed, he only felt that David's fist was as powerful as his own!

With this punch, the strength of both sides was extremely huge, bursts of roars erupted in the void, and the spiritual power centered on the two of them, spreading towards the surroundings!

The fiery flames on David's body were blown out by the scattered spiritual power under this fist!

David's body fell from mid-air to the ground, and he took several steps back!

And Jin Sha also fell back to the ground, his face extremely ugly!

Jin Sha never imagined that David was only a fourth-grade monk in the Composite Realm, but his pure strength could be so strong!

This time, David did not use Zhi Huo, and Jin Sha was not restrained by the terrain, but that's it, he didn't get any advantage with this punch!

"Jin Sha, what are you doing? Your punch failed to kill a little cultivator of the fourth rank of the Composite Body Realm?"

Huo Sha asked Jin Sha!

It was Jin Sha who questioned him just now, and now he is the one who questioned Jin Sha!

Both of them were embarrassed at this time anyway!

Fortunately, there are only the two of them here. If there are other people present, the two of them will probably be laughed at for the rest of their lives!

"It's so fucking evil, why is this kid so powerful?"

Jin Sha frowned!

"That's right, and this kid's golden armor is not afraid of being burned by my flames."

Huo Sha also frowned!

Seeing that the two were distracted, David took advantage of the situation and grabbed the mid-air, and the Dragon Slaying Sword appeared directly in his hand!

"Nine Shadows Sword Art..."

David displayed the Nine Shadows Sword Art!

Several sword glows radiated golden light and went straight to the two of them!

Seeing this, Jin Sha and Huo Sha quickly waved a barrier to block it!

When the two were waving the barrier, David's mouth curled into a smile!

He didn't want to attack the two of them, he just wanted to attract their attention!

In an instant, five identical figures appeared beside David again!

And David's body took the opportunity to retreat and quickly escaped!

When Jin Sha and Huo Sha blocked the sword lights and looked forward, they found five identical David appeared in front of them!

"Damn it, this kid is using illusion again..."

Seeing this, Jin Sha cursed loudly!

The few of them were fooled by David's illusion, they were ashamed to death!

Now David is still using illusion!

"Whether it's an illusion or not, first destroy the one in front of you..."

After Huo Sha finished speaking, he threw out a fist, and a fiery fist went straight to one of them, David!

Jin Sha also punched another David!

boom boom.....

After two explosions, the two David disappeared instantly!

"It's not the main body, come again..."

Seeing this, the two attacked again!

But in this attack, the two David disappeared again, and they were not the main body!

This time, the two stared at the last David, with sneering smiles on their faces!

And David was holding the dragon-slaying sword, and his face was calm, without the slightest panic!

"This time, let me see how you can escape..."

Jin Sha looked at David gloomily, and now he wished he could bite David to death!

"I want to escape, but you can't stop me, you two idiots..."

David smiled mockingly at Jin Sha and Huo Sha!
