

When His Eyes Opened Read Novel Chapter 3137

Novel Chapter 3137 -Aaron had never seen Hazel so enraged before, and he quickly apologized, saying, "I'm sorry, I didn't know this bracelet was so important."

Hazel quickly calmed down and explained: "This bracelet is a relic of my mother-in-law who raised me."

Aaron: "So that's it. Why is your mother-in-law's belongings in Lucas's place?"

Hazel: "Before I owed money to others, they took this bracelet away. It was Lucas who helped me redeem it."

Aaron suddenly realized: "So! No wonder you like Lucas so much!"

Hazel: "In the past, I was ugly and had no friends. Lucas not only didn't dislike me, but also treated me very well. My parents and my brother wanted to test Lucas. In fact, he passed the test as early as when I first met Lucas."

Aaron comforted Hazel: "The past was the past. After all, you haven't seen him for three years. Who knows if he has learned bad things in the past three years."

Hazel: "He must not have learned badly! If he learned badly, would he start his own company?"

Aaron: "Then you go back and talk to your parents, anyway, there's no need to make trouble with your parents because of him."

Hazel: "I know."

Aryadelle.

When Hazel returned home, she was immediately surrounded by her parents, brothers and sisters.

Hazel blushed in embarrassment: "Why are you looking at me like that? I'm still the same! I haven't changed!"

Layla: "You've changed!" After a pause, she touched Hazel's face, "You've become fatter!"

Hazel laughed out loud.

Avery: "Baby, you seem to be a little fatter. Is the soil and water in Thopiavelle so supportive?"

Usually the food and drink for Hazel was not bad, but Hazel didn't see gaining weight.

After going to Thopiavelle for a while, Hazel was raised well.

Hazel: "Maybe because I didn't do anything there, I gained weight."

She ate very well at home before, but because of the high pressure of study, she didn't gain weight.

It was different in Thopiavelle. After she went to Thopiavelle, she was very happy every day without any pressure.

"How are you and that kid?" Elliot asked.

When Hazel was in Thopiavelle, she talked about Lucas with her family, and it would not be as embarrassing as talking face to face now.

Facing his father's question, Hazel's face turned red: "Didn't he start a company? He's very busy. I didn't tell him my identity, so he treated me like an ordinary person!"

Avery held Hazel's hand: "Baby, what do you think? You tell mom the truth."

Hazel really wanted to cover her face with her hands, but her hands were held by her mother: "Mom, I...I like him."

Elliot had a disappointed expression on his face.

Hayden's face didn't look any better.

There was only Robert, with a festive look that was not a big deal to watch the excitement: "When will you bring him back for us to see?"

Hazel: "Second brother, he and I haven't met the parents yet!"

Robert: "The kid doesn't like you, right? What's his attitude towards you?"

Hazel: "He treats me very well."

Layla teased: "Little sister, as long as others are not bullying you, you can always say good things about others."

Hazel: "He's really nice." Hazel raised her wrist and showed everyone the bracelet, "This bracelet is my mother-in-law's relic. It was taken away by someone, but he paid for it to redeem it for me. He didn't have any money at that time."

Everyone stopped talking immediately.

Hazel cleared her throat: "Why don't you talk anymore?"
