

# A Man Like None Other

## Novel

### Chapter 3016

David's heart skipped a beat because the man in front of him was the old devil, the younger brother of the ancestor of the ancient body training clan!

This time, David panicked, he didn't expect the old devil to find him!

But when David was flustered, he suddenly thought of something and then looked at his body, he was not himself at all, but the ancient body-refining patriarch!

And this old devil looks much younger, obviously different from the one he saw. Before thinking about merging, David instantly understood what the old man said!

It's not that the old devil came here at all, but the memory in the old man's mind. Their memories are merging, that's why David saw this picture!

"Brother, is the position of patriarch so important to you? You are troubled by demons now, and you have done something wrong. I don't blame you for the demonic skills you practiced.

"Get rid of it, I don't want to see our brothers killing each other."

The old man said slowly!

At this moment, David looked at the picture in front of him like watching a movie!

The memories of the ancestors of the ancient body-refining clan are slowly playing!

Because the memory of this period is the deepest, David saw the memory of this period at the first time!

"Hmph, don't pretend to be great. You and I grew up together and practiced the same skills. My talent is stronger than yours." "But why did you get the position of

patriarch in the end? Were you born a few minutes earlier than me?"

"I don't accept it, I don't accept it at all..."

the old devil roared, his face full of ferocity!

"Brother, the sea of suffering is boundless, if you look back, you will be right. As long as you abolish your magic skills, I will give you a chance." The

old man is still persuading his younger brother!

"Abolishing magic skills? Your idea is too beautiful."

"Since I practiced magic skills, my strength is much stronger than yours. Do you feel uncomfortable?" "Let me

tell you, the magic skills I practiced Gong is the orthodoxy, and it is the foundation for the growth of the ancient body training clan, and our ancient body training clan's kung fu is simply a product of elimination." "If we don't seek changes,

our ancient body training clan will die out sooner or later... .."

The old devil said with a cold smile!

“You are now a devil, do you still want all the clansmen to become big devils?”  
”

Although the exercises of our ancient body-refining clan can't increase your strength dramatically, they won't make you lose your mind. But you are looking at yourself now, you are a devil...”

The old man's face was full of sadness!

“Stop talking nonsense, how good it is for me to cultivate like this, I can be unrestrained and wanton in the world, but you are timid, pedantic, and the gap between the two of us will become wider and wider.

” The treasures of the clan and the position of the patriarch are handed over, and I can spare your life for the sake of family affection...” The

old devil was full of disdain!

“Family affection? Are you worthy of mentioning family affection? It seems that you are obsessed with obsession...”

The old man was very sad!

The old devil became impatient, and suddenly he slapped out a palm, and black devilish energy flew out of his palm, blasting towards the old man in an instant!

The old man leaped forward and was in mid-air, still persuading, “Wake up, don't lose your mind...”

But the old devil stopped talking and launched an uninterrupted attack.

In the end, the old man's face was ashen, as if his heart had died!

He is not persuading, but fighting together!

This battle was earth-shattering, the mountains were blown down, and the ground turned into pieces of scorched earth!

In this battle, the old man held the mentality of dying together, which made the old devil a little timid!

"Are you crazy? Are you going to die with me?"

The old devil panicked!

"Not bad!" The old man looked determined!

With the shocking explosion, the whole world returned to calm!

## Chapter 3017

David suddenly felt sucked away by a force, and then the scene in front of him changed, back to his own sea of consciousness!

David was looking at himself, and found that he was still his own appearance, nothing had changed!

The old man was in David's sea of consciousness, and his eyes looked a little surprised!

"I didn't expect that your experience is so rich. There are quite a few women..."

the old man said playfully!

David was a little embarrassed for a moment. After all, the memory of the two parties was merged, and the old man must be able to see his memory!

When I think of the scene where I used to fight with Ji Ruxue, Gu Linger, Ge Yuhan and the others on a big bed, I feel a little excited inside!

"Why are you still thinking about it?" The old man was slightly taken aback!

"Senior, I'm sorry..." David blushed suddenly in embarrassment!

The old man looked at David's knowledge of the sea and said, "You really have a lot of good things. After finishing speaking, the old man looked at David's Da Luo Jindian and didn't talk for a while." When David was about to ask the old man, was

it Didn't he know Da Luo Jin Dian, the old man suddenly waved his hand and instantly grabbed Zhe Yan's remnant soul in his hand!

"I didn't expect that in your sea of consciousness, there is still the remnant soul of the demon clan hidden. I just happened to kill him for you..." the

old man said, and he was about to attack Zhe Yan!

"Mr. Chen, save me..." Zhe Yan was so frightened that he kept calling for help!

Although the patriarch of this ancient body-refining clan is also a remnant soul, remnant souls are different from remnant souls, now as long as the old man pats lightly, Zhe Yan will disappear forever.

"Senior, don't do anything, he is helping me..." Seeing this, David hurriedly stopped him!

Hearing this, the old man let go, and Zhe Yan was so frightened that he hid far away!

"I didn't expect that in your sea of consciousness, apart from this remnant soul, there was also the soul of the Azure Dragon God Beast. You have something!" The

old man said, and then looked at David's storage ring, and saw that there were quite a few things in it. Rare treasures!

The dragon pattern clock, the dragon-slaying sword, and even the magic whip...

"The prodigal bastard, you actually gave you the magic whip?"

The old man looked at the magic whip and cursed immediately!

He knew that the magic whip belonged to their ancient body training clan, and now it was in David's hands, so it must have been given by the current patriarch!

"Senior, I use this magic whip temporarily, and I will return it when I get the Ice Soul Pill."

David hurriedly explained!

"I'll send you off as soon as I send you off, and you don't have to return it. With this magic whip, I will be more handy." "It seems that

this unfilial disciple also knows how to use the magic whip to deal with my devil brother better ."

The old man said slowly, he didn't look angry!

Seeing that the old man said that he gave himself the magic whip, David was very happy in his heart!

"Don't be so happy, this magic whip can only exert its greatest power when your strength is equal to that of the opponent." "If you

encounter a big devil, you will die if you have the magic whip..."

said the old man!

Now David didn't dare to think about anything, because the old man knew what he was thinking!

The old man looked at David's dragon clock, then at the dragon-slaying sword, and then took the dragon-slaying sword in his hand!

"It's really a good sword. This kind of good sword can only be forged by the old master of the Artifact Refining Sect."

The old man said slowly.

As soon as David heard it, he immediately knew that the old thing the old man said was that the sword of the Artifact Refining School was old!

"It's just that the sword spirit is seriously damaged for such a good sword. It's a pity..."

The old man continued!

"Senior, I wonder if you can help me restore the Dragon Slaying Sword and Sword Spirit?"

David hurriedly asked!

David hadn't seen the sword spirit Zhongli for a while, and now that Zhongli was injured, he could only be inside Zhanlongjian, and he couldn't leave Zhanlongjian at will!

"I'm not a blacksmith, and I don't know how to forge. How can I help you restore the sword spirit?" "

But I think this sword fits you very well. I guess it's a female sword spirit?

"It's not that they have had sexual intercourse, or else they don't have such a high degree of compatibility..."

The old man asked David!

## Chapter 3018

"Why can't I understand what senior said?"

David said in embarrassment!

"Hahaha..."

The old man laughed and did not continue to ask questions!

Then the old man continued to explore in David's sea of consciousness, and soon found the original space!

Seeing that David, a young monk in the body-fit state, actually had the original space, he couldn't help but praised, "You are so young, and your strength is still low, you can actually comprehend the original space. You are indeed a genius." "Let the old man see

you How big is the original space..."

After finishing speaking, the old man directly entered David's original space!

As soon as he entered, the old man was instantly stunned!

"This... is this your original space?"

"The galaxy in the universe, outrageous, outrageous..."

The old man was amazed.

"The origin of illusion, you actually realized the origin of illusion?"

The old man couldn't help saying when he saw the stars of the origin of illusion light up!

David briefly explained to the old man how he realized the origin of illusion!

"Genius, a real genius, but your phantom origin is not perfect, and I will make it perfect for you when the time comes." The

old man said slowly!

"Thank you, senior..."

David was very grateful in his heart!

Soon, David's body gradually got out of control, and the whole body was controlled by the old man, while David himself only left a wisp of thought and could speak, but he couldn't control his body anymore!

Walking out from the main hall, everyone saw David coming out, but they couldn't see the ancestor of the ancient body training clan, so they were all a little anxious!

"Mr. Chen, what's going on? What happened inside?"

What about the old man?" Ji Yun asked David!

"Why did you come out by yourself, the ancestor of the ancient body training clan ran away?"

The old grandson also hurried forward and asked!

Only Ning Caichen frowned slightly, he found that David's breath had changed!

"Nonsense, how could the old man run away?"

David suddenly reprimanded the old grandson!

This sound startled Lao Sun, and hurriedly took a few steps back!

"What's the situation?" Lao Sun asked in shock!

"David's body merged with the remnant soul of the ancestor of the ancient body training clan."

At this moment, Ning Caichen spoke!

"Fusion?"

Everyone looked at David in shock, their eyes full of disbelief!

You know, most people would not dare to do this. If the time comes, David will disappear forever!

"This little guy still has eyesight..."

David looked at Ning Caichen and praised him!

Hearing this, Ning Caichen's face was full of embarrassment. Although he knew that David's body was now controlled by the ancestor of the ancient body-refining clan, Ning Caichen also felt uncomfortable when he said that he was a little guy!

"Now you take out all the resources in your body, I need to replenish my strength." "

Otherwise, if there is a fight, the remaining strength in this body may not be enough for me."

David Say it to everyone!

David has already consumed a lot of spiritual power and various forces. Now if there is a battle, there will be no support from various forces!

David's body is strong, and he is sure to lose!

However, everyone looked at each other in blank dismay, no one was willing to take out the resources!

As the saying goes, people make money and birds die for food. They have obtained these resources desperately, and now they are given away for nothing, and no one is happy!

"Hmph, a bunch of greedy guys, you deserve to die here!"

"I don't care, you can die with your own resources!"

The old man snorted coldly!

At this time, David hurriedly controlled his body and said, "Everyone, life-saving is the most important thing now. I even donated my own body. Do you still care about those resources?"

"If you can't get out of here, you're all waiting to die..."

David was also a little angry, he was obviously trying to save these people, but these people didn't even want to take out resources.

## Chapter 3019

"I took out all the resources..."

Ji Yun spoke first!

"And me..."

"I also take..."

"Everyone in our Gao family donated their resources."

For a while, many people opened their storage bags , took out all kinds of beast pills and spirit stones!

Seeing this, the others no longer hesitated, and took out the resources in their hands one after another!

Soon, a lot of beast pills and spirit stones were piled up at the entrance of the main hall, including some fairy herbs!

The moment of life and death has come, no one dares to hide it, the most important thing is to live!

Looking at the various resources in front of you!

David sat cross-legged, slightly closed his eyes, and then all these resources were suspended around David's body!

Bang, bang, bang...

In an instant, all these beast pill spirit stones exploded, and the thick aura gathered together, forming a liquid!

The Heart Concentration Art was activated, and one after another spiritual liquid gathered into a trickle, continuously pouring into David's body!

Seeing the speed of David's practice and absorption, everyone was shocked!

You must know that even the peak of the ninth rank of the Fusion Realm does not have this ability to absorb spiritual energy!

If this continues, the body may not be able to bear it, and it will explode and die!

But David's body did not show any abnormalities, the piles of resources were disappearing at a speed visible to the naked eye!

Chen Ting observed his body quietly. Although he called out the right to control, he could feel the changes in his body!

And in the source space, the source of illusion became more perfect under the guidance of the old man!

"This... this is outrageous. Can Mr. Chen's body bear it if he absorbs so much spiritual energy?"

Ji Yun's face was full of disbelief!

"Indeed, Brother Chen's body didn't explode after so much spiritual energy suddenly poured in. It seems that his body is really strong."

Old Sun was also very surprised!

They all thought that the old man would control David's body and absorb the aura bit by bit!

But I don't want to use such an extreme method!

Ning Caichen was also full of surprise at the moment, even he couldn't refine so much aura in such a short period of time!

While David was absorbing a lot of spiritual energy, the old devil on the altar seemed to feel something at this moment!

"Senior, have you found the whereabouts of those people?"

Jin Sha hurriedly asked when the old devil opened his eyes!

They lost David and others at the beginning, but they couldn't find them, so they could only come to this old devil for help!

But the old devil didn't even notice David's whereabouts!

He knew that David and others couldn't escape, and the reason why David and the others couldn't feel their existence was because David and the others had gone to his brother's world!

But now, he felt the aura of these people, besides these people, he even felt the aura of his own brother!

I can't remember how many years, he hasn't felt this familiar breath anymore!

But now, his elder brother left his own world and came to the place where their two worlds merged!

"I have already found them, they are in the main hall at the beginning..."

the old devil said slowly!

When Jin Sha heard this, he nodded immediately, and led the others straight to the hall!

At this moment, above the main hall, the dim void began to tremble violently. Ning Caichen and his fellow monks felt the powerful aura approaching constantly!

And David was still absorbing with his eyes closed at this time, there was no way to stop it!

"The Five Elements Heavenly Demon is here, we have to block these guys, otherwise David's absorption will be interrupted, and it will be troublesome."

Ning Caichen said loudly!

He knew that protecting David at this time was the key to their survival!

If David made mistakes, none of them would be able to live!

What's more, he followed Wuxing Tiansha to have revenge of killing his son!

## Chapter 3020

Soon, five figures appeared, suspended in mid-air, looking at David and his group of bereaved monks!

The current Jinsha doesn't pay attention to these people at all!

They are the prey, and the five of them are the hunters!

"If you don't accept death obediently, what are you waiting for?"

"If you commit suicide, you can feel better, but if our brothers do it, you will be very miserable."

Jin Sha looked at the crowd and snorted coldly!

"Stop fucking nonsense, let's do it..."

Ning Caichen drew out his long sword in an instant, jumped up and fought with that Jinsha!

Ji Yun, Lao Sun and the others, all the monks went all out and rushed towards the Five Elements Heavenly Demon!

Everyone is exerting their greatest strength, and everyone is desperate!

David is their last hope for survival, they can't let David be disturbed!

But without David's joining, they are no match for Wuxing Tiansha at all!

Casualties of monks soon began.

Although they knew they were invincible, but no one backed down!

Now they can only delay David's time, that's all they can do.

Anyway, they are all dead, and there is still a glimmer of hope if they try their best!

"You rubbish, you are working so hard..."

Huoshan yelled violently!

He didn't expect that these monks were obviously invincible, and they were so desperate, it made him angry!

The scuffle was still going on, but David was still sitting by the side, motionless, not even opening his eyes!

I don't know how long it has been!

Several monks have already been killed by poisonous hands, and others are also injured!

Ning Caichen fought against Jinsha, struggling to support!

Ji Yun and Lao Sun are also scarred, it is very difficult to fight again!

There are not many Gao family members brought by Gao Qisheng!

"Mr. Chen, wake up quickly, wake up quickly..."

Ji Yun yelled, if David wakes up, they are probably going to die!

Boom...

Just as Ji Yun finished speaking, a terrifying aura suddenly burst out!

Immediately afterwards, David opened his eyes, and a ray of light shot out from his eyes!

Waves of powerful force gushed out from David's body!

Centered on David, this force surged in all directions!

Seeing David woke up, Ji Yun and the others were instantly overjoyed!

But Wuxing Tiansha's complexion changed, and he was instantly blown away by that powerful force!

The Five Elements Tiansha and the others were pale at the moment, and their eyes were full of surprise!

The power that burst out from the breath alone made them fly backward in five instants. This strength can be imagined!

"What a powerful force, what is this guy doing?"

Huo Sha's eyes were full of horror!

How could a fourth-grade monk in the Composite Realm burst out with such an aura!

They still don't know that David's body has already merged with the ancestor of the ancient body training clan!

"You five ignorant children, as monks, but you help the evil and help the demons wholeheartedly, you deserve to die..."

David slowly stood up, his body slowly suspended in mid-air, and said while looking at Jin Sha and the others!

Several people looked at David and heard David's tone of voice, all of them were stupefied!

"Boy, don't play tricks here, I..."

Jin Sha yelled at David in displeasure!

Pa...

But Jin Sha didn't finish speaking, and saw David wave his palm in the air!

Jin Sha was slapped instantly, and he fell heavily to the ground, with blood gushing from his mouth!

This time, the other members of the Five Elements Heavenly Demon were instantly stunned!

This is fucking outrageous!

The great monk of the ninth rank of the Composite Realm was sent flying by a slap of the fourth rank monk of the Composite Realm, and it was still a slap in the air!

How can it be?

"Dare to be disrespectful to this old man, I'll kill you all, and then go find that bastard..."

After David finished speaking, he raised his palms slowly!

Wuxing Tiansha felt the coercion like a mountain, making them breathless for an instant!
