

# A Man Like None Other Novel

## Chapter 3031

There was already ruins in front of my eyes, and the old devil's body appeared and disappeared, as if it would disappear immediately with a light touch!

David pointed his sword at the old devil, and the Nine Shadow clone behind him also disappeared!

The energy of his body cannot support so many clones!

But that's it, it's all over!

"Mr. Chen is amazing..."

"Brother Chen won, won..."

Ji Yun and Lao Sun all shouted, David won, which means they can leave here alive!

Wuxing Tiansha and the others almost fell to their knees when they saw this scene!

The old devil is finished, how many of them can still run?

When the news about the Sealed Demon League gets out, not only a few of them, but the entire Sealed Demon League will probably be spurned and hunted down!

"While the old devil is still breathing, let's hurry up, they probably won't notice us at this time..."

Huo Sha said to Jin Sha!

"Yes, let's run away. If the old devil is completely dead, the next step is to deal with us."

Mu Sha was also nervous, advocating to run away now!

But who would have thought that Jin Sha, who was originally nervous and stunned with fright, turned cold in his eyes and sneered a little at the corner of his mouth!

"Why did you run? Do you think I can be killed so easily?"

Jin Sha said calmly!

"Jin Sha, what time is it, you are still pretending, even the old devil is no match, what can we do?" "

If you want to stay, then you can stay by yourself, I will not accompany you Wait to die!"

Huo was in a hurry, what time was it, and he was still pretending to be aggressive!

But just when Huo Sha turned around and wanted to leave, Jin Sha suddenly grabbed Huo Sha by the collar!

"Without me, no one is allowed to leave..."

Jin Sha said coldly!

Huo Sha's expression changed, and he tried hard to break free, but he found that he couldn't break free at all in the hands of Jin Sha!

Huo Sha was shocked, knowing that the two of them were about the same strength, how could this be the case?

And Mu Sha at the side seemed to see something, slapped Huo Sha and said, "We all stay, maybe things will change..."

Seeing this, Hu Sha also fell silent!

On the other side, David pointed his sword at the dying old devil. Now David only needs to touch it lightly, and the old devil will disappear completely!

The remnant soul will no longer exist, and will disappear from the world forever.

And the world he created will also collapse together, and this place will change again!

"Brother, don't blame elder brother for being cruel. People are mortal after all. Even if we all become immortals, we still have the part to die." "There is no such thing as

eternal life, let alone immortality. Resign yourself...

" The dying old devil said slowly!

The old devil lowered his head and said nothing, as if he didn't even have the energy to speak!

Then David slowly waved the Dragon Slaying Sword!

An imperceptible sword light slashed at the old devil's body in an instant!

The old devil didn't struggle, he didn't even scream, his whole body turned into clouds of black mist and began to drift away!

"Huh, it's finally over..."

David let out a long breath, at this moment he was already exhausted!

If the sword just now couldn't kill the old devil, David didn't know what to do!

Seeing that the old devil finally died, Ji Yun and the old grandson, including Ning Caichen, all heaved a sigh of relief, and they were very excited!

The whole hall gradually became quiet, and everyone seemed to be waiting for something!

However, after a while, there was no movement here!

David couldn't help frowning slightly!

It stands to reason that when the old demon dies, his world will collapse, and only the world of the ancestors of the ancient body-refining clan will be left to support him!

But now, there is no visible change in this piece of void, let alone any signs of collapse!
