

A Man Like None Other Novel

Chapter 3033

After the Bingpo Pill entered the old devil's stomach, streams of spiritual energy began to spew out, and the old devil's strength was rapidly improving!

Seeing this scene, David almost scolded him!

Originally, he wanted to get the Bingpo Pill and give it to the princess of Jialing County in exchange for Yihe's treatment!

Now that the Bing Po Pill is gone, how can he go back and explain?

But Ning Caichen and others saw that the old devil was still alive and had regained his strength, all of them turned pale with shock!

Now David looked very weak, how could he still be the opponent of that old devil?

Now, what should they do?

"It's a pity, it's a pity, this thing was used to help reshape my body, but now it's wasted in vain." "It's all

because of you, so I'm going to tear you into pieces!"

The old devil looked at David, his eyes were full of coldness!

David gritted his teeth, holding the Dragon Slaying Sword tightly with both hands. He really didn't expect that the top skills of the two great skills could not kill the old devil!

Now it is directly in a passive situation!

The old devil waved his palm lightly, and a strange wind roared, and in an instant, countless black mist filled the entire hall again!

At this time, David couldn't see his fingers in front of his eyes, and his spiritual consciousness continued to expand, but he couldn't sense the existence of anyone!

"Isn't that right?"

David frowned!

Even if the black mist blocks the line of sight, it is impossible to block the consciousness!

Now David's consciousness can't be sensed by anyone, as if no one exists around him!

"Ji Yun, Gao Qisheng, Old Sun..."

David shouted with all his might!

Since the consciousness can be blocked, but the voice shouldn't be able to, right?

But David shouted for a long time, but no one answered at all!

David frowned, and punched vigorously!

Countless golden fist lights surged out towards the surroundings!

Rumbling...

Along with bursts of loud noises, David wanted to use his fist wind to disperse the black mist!

But after this punch, the black mist was indeed blown away a lot, but it quickly returned to its original appearance!

This time, Chen Pingxian felt a little helpless!

"This is an illusion, I didn't expect him to use a big knife in front of Guan Gong..."

At this moment, the old man spoke slowly!

In terms of illusion, the old man's attainments are much better than that old devil!

What's more, David himself possessed the origin of illusion. He never thought that the old devil could use illusion!

David looked around and rushed forward quickly!

He found that no matter how he acted, the surrounding scene was exactly the same, and the black mist seemed to wrap him alone!

"Brother, I know that your illusion is also very powerful, but do you still have the ability to use it now?" "Can you break my

illusion?"

The old devil's voice came from all directions, and it was impossible to hear the sound Identify the position of the old devil!

"Hmph, you are left over from my play, I will show you what is a real illusion in a while!" After

the old man finished speaking, he looked around with a solemn expression!

“Senior, how can this illusion not be seen through?”

David’s illusion is also good, otherwise it would be impossible for the old devil and the five elements to fall into it!

But this time, he himself fell into it, but he didn’t know it, and he couldn’t see any flaws!

The old man observed for a while, and said in surprise, “This guy actually took advantage of the intersection of our two illusioned worlds to comprehend my illusion. He is damned. It seems that he has not been idle all these years!

“ I used illusion in front of me, he knows that we are not strong enough now, and we must have a lot of spiritual power to support it if we want to break through the illusion.” “

Then we have no chance to go out?” David asked in surprise!

Chapter 3034

“It’s not impossible, it depends on your understanding...”

“Illusion is divided into three types, namely blindfolded, heart blinded, and wisdom blinded...”

the old man said slowly!

“Blindfolded, blindfolded, blindfolded?”

David was puzzled. Although he was proficient in illusion, no one had really explained it to him!

Now hearing what the old man said, David immediately became interested!

He also lacks a master to explain it to him now!

And this old man is a master of illusion, so David listened very seriously!

“Blindfolding, as the name suggests, is to use illusion to blind your eyes, so that you can’t see the things around you, and you always think that you are in another place.” “The so-called

magic show can also be called a kind of illusion. A method to blind your eyes, make you believe everything he has done, and make you have a false appearance.” “

Blinding is using illusion to blind your heart, making you think uncontrollably, or do something, something Hypnotism is the method used. After hypnotizing a person, you can ask some questions, but the other person has to answer.” “

And ignorance is the highest level, blinding a person’s mind and thoughts, even if you are awake Yes, even if everyone opposes you and persuades you, you will firmly believe that you are right.” “

Some so-called success masters just use speech skills to deceive some people, making them lose the ability to think independently. , are all right, even if you are deceived and go bankrupt, you will not repent, and no matter how many people persuade you, it is useless.” “

This is the highest level of wisdom. When you do this, sometimes you don’t need to fight. You just let the other party Die, the other party will die without hesitation.”

“In his eyes, you are the master, you are the god who controls everything...”

“I’ll tell you this in the most easy-to-understand words, I hope you can understand and understand...”

David was shocked when he heard the old man’s words. Know this!

What kind of magic, hypnosis, even the master of success knows it!

Couldn't this also come from the secular world?

But none of this is important, what is important is that this kind of popular explanation really made David understand a lot!

"Senior, what should we do now?"

David asked the old man!

"What we have to do now is to calm down. If the enemy doesn't move, we won't move. We have consumed too much spiritual power, so we can't waste it at will." The

old man said slowly!

David understood, so he nodded!

David sat cross-legged, motionless, slowly recovering all kinds of strength in his body!

Seeing that David didn't move, the old devil didn't panic anymore. He knew in his heart that his brother must have made him do this!

So the old devil waved his hand, and saw that in the thick black mist, suddenly a breath broke through the black mist and came straight to David!

Whoosh...

The speed of this breath was very fast, and it was right in front of David!

David's heart was shocked, and he jumped up quickly, dodging this attack!

But just after dodging, several monsters rushed out of the surroundings in an instant, and all of them attacked David!

David frowned, his body kept dodging and moving, and he continued to swing his fists, hitting those monsters!

After dealing with these monsters, David felt even weaker!

“Damn it, it took a lot of energy...”

David cursed!

“As I said before, the principle of these illusions, you are now blinded. What you see with your eyes may not be true, and what you think in your heart may not be true.” The words of the old man sounded slowly

!

When David heard this, he was stunned and thought for a while!

Soon, David’s eyes lit up and said, “Senior, I may have realized...”

David seemed to understand what was going on!

Chapter 3035

David sat up again, quietly recovering his strength!

And in the endless black mist, various spells suddenly appeared, and attacks from various elements all came towards David in one go!

Chen Ting sat quietly, watching the various attacks in front of him, and tried his best to keep calm!

Seeing David, David was trying hard to control his heart!

When various spells came before him and he was about to be submerged, David’s body was moving, and he instinctively wanted to avoid it!

"Steady..."

the old man suddenly said!

David's body, which he originally wanted to avoid, slowly calmed down!

He watched helplessly as those spells hit him!

However, David didn't feel any attack, and those spells seemed to disappear before his eyes in an instant!

It wasn't until this time that David realized that the things in these illusions could not bring him substantial harm at all!

David was just deceived, so when he saw an attack, he instinctively dodged without thinking about other things at all!

If David keeps attacking and avoids, even if David is not killed, he will be exhausted to death!

Seeing that David was motionless, he didn't care about various magical attacks at all!

The old devil frowned, and then transformed into various monsters again in the black mist!

These monsters have different shapes and look very scary, and they all walk towards David with their bloody mouths wide open!

The old devil planned to use this monster to scare David!

It's just that David closed his eyes slightly and didn't look at those monsters at all. Even if the monsters came in front of him, David remained indifferent!

"Senior, even if we are not in danger in this illusion, with my current physical strength, I am afraid that I will not be able to support the attack of the old

devil." "He will definitely launch an attack when he sees that the illusion is useless to us.

" , how shall we deal with it then?"

David asked worriedly!

After all, there is not much power left in David's body, and it is almost impossible to fight with the old devil!

The old man didn't speak, but was silent for a moment and said, "Actually, you still have a power that you haven't used..."

"What power? Is it the origin of illusion?"

David hurriedly asked!

He really didn't use the source of illusion, after all, he didn't use illusion when fighting!

The old man shook his head slightly and said, "The power of the dragon, as a golden dragon avatar, you must have a lot of the power of the dragon in your body!"

David glanced at the dragon crystal on his chest, and said helplessly, "My dragon power has also been used, and now the dragon There is not much left in the crystal!"

David used all the power of the dragon, so there is nothing left!

"Although your dragon crystal doesn't have the power of a dragon, don't forget that you still have a green dragon soul, which has always existed in your sea of consciousness." "Isn't it time to use it?"

A How much dragon power can the soul of a dragon transform into?"

The old man said to David!

When David heard this, he was stunned. You must know that Qinglong Primordial Spirit has saved him many times!

Although David has never communicated with Qinglong Yuanshen, every time he summons Qinglong, Qinglong Yuanshen will appear in time!

Now the old man actually asked him to absorb and transform the Qinglong Yuanshen, which made David a little unacceptable!

"Why, are you hesitating? If you die, everything in your sea of consciousness will be wiped out."

The old man saw David's reluctance!

"Senior, I..."

David opened his mouth, but he still didn't dare to make up his mind. He has always been called the son of the dragon, and he regards all the dragons as relatives!

David would not let him absorb the Azure Dragon Primordial Spirit now!

If one's own strength is high, as long as there is a soul, there is still a way to resurrect, but if the soul is gone, it will really disappear completely!
