

A Man Like None Other Novel

Chapter 3039

Seeing Qinglong's painful appearance, David couldn't bear it!

"Old man, what are you waiting for?"

At this moment, the painful Qinglong asked the old man!

After hearing this, the old man slowly looked at David, and then the whole person became more and more blurred, and the whole void began to become distorted!

Suddenly, a large number of void cracks appeared around, and the whole world seemed to collapse!

A huge suction force emerged from the void crack!

Seeing this, David's pupils shrank immediately, and his face became very ugly!

This kind of void crack has a strong suction force, if it is accidentally sucked in, it will definitely be smashed to pieces by the turbulent flow of time and space!

Seeing the appearance of the crack in the void, the old devil was no longer calm, and said with a little panic, "Brother, what are you going to do? Are you going to die with me?" "Yes, we should have died long

ago He shouldn't have appeared in this world!"

"It's just that the old dragon is going to be buried with him..."

the old man said slowly!

"Hahaha, even if I enter the void crack, I may not completely perish. How can our dragon clan be like you mortal monks!"

Qinglong Yuanshen laughed loudly, as if he didn't care!

Listening to the conversation between Qinglong Yuanshen and the old man, the old devil became more and more nervous!

"Brother, do you have to kill me? I don't need to learn magic skills anymore, can't I concentrate on practicing ancient body refining techniques?" The

old devil was afraid. If he really entered the void crack, then It's all over!

As the old devil spoke, he struggled vigorously, and continuously waved out streaks of black mist to prevent the old man from continuing to open the cracks in the void!

The figure of the old man is getting weaker and weaker, and he is about to disappear!

And Qinglong Yuanshen dragged the old devil with all his strength, and headed towards the crack in the void!

"Senior, don't..."

David desperately resisted the suction force of the crack in the void, and shouted loudly!

He didn't want the patriarch of the ancient body refining clan and Qinglong Yuanshen to die together in order to destroy this old devil!

"Young man, your future is limitless, don't go astray..."

The old man looked at David with a smile, and slowly disappeared!

“Senior...”

David roared, his eyes full of sadness!

“Senior Qinglong, Senior Qinglong...”

David looked at the Qinglong Primordial Spirit. At this time, the Qinglong Primordial Spirit was entangled with the old devil, and had already reached the crack in the void!

“Don’t worry, even if I enter the rift in the void, I may not necessarily die, but we want to meet, so I don’t know how many years it will take.” “But I hope that when I see you,

then The Dragon Clan revived back then, and you are already the ruler of the Dragon Clan.”

Qinglong looked at David and said!

“Senior Qinglong, I...”

David didn’t know what to say, because it was too far away for him!

Revitalize the Dragon Clan?

Become the dragon master?

This is not something that can be done in one sentence!

“At the last moment, I will have a gift for you...”

Qinglong Yuanshen smiled faintly, and dragged the old devil directly into the void crack!

There were bursts of dazzling white light from the cracks in the void, and the old devil's miserable voice sounded very scary!

Soon, from the crack in the void, the magic whip fell down quickly, and David caught it instantly!

Just when David caught the magic whip, a soft white light fell out from the crack in the void!

Immediately afterwards, the void cracks slowly closed!

Suddenly, the whole world began to tremble, the surrounding scenery changed, and the world began to collapse!

The two worlds of the old devil and the ancestors of the ancient body training clan collapsed at this moment!

The place where David and the others were located was where the two worlds merged, so they acted particularly violently!

Chapter 3040

The others didn't know what happened at all, they only knew that the mountains were suddenly shaken, and the situation changed suddenly!

David and the others have been in the illusion, so Ning Caichen and the others don't see much of the battle inside, and they don't even know that the old devil has been eliminated!

"What's going on? How did this happen?"

"This world seems to be collapsing, and the scene around you is changing rapidly!" "

Could it be that the old devil is dead?"

All the monks discussed and expressed Very anxious.

Seeing this, the other members of the Five Elements Heavenly Fiend glanced at each other, and suddenly their bodies jerked, and they disappeared in an instant!

No matter who wins or loses, they will all flee!

Even if the old devil wins, they still have nothing to eat!

Jinsha is the best example. He was possessed without making a sound, and his soul was destroyed!

And at this moment, with the death of the old devil, the illusion is also disappearing!

David jumped up vigorously, catching the falling soft light!

When David looked, he found that it was a white bead!

"Ice Soul Pill?" David opened his eyes wide, full of surprise!

This ice pill was swallowed by the old devil. At that time, the ice pill was not perfect, and there were some black spots on it!

But now, the Bingpo Pill has become pure and flawless, exuding a holy and soft white light!

"Could this be the gift Senior Qinglong said?"

David was overjoyed, with this Ice Soul Pill, he could go back to work with the princess of Jialing County!

Putting away the Ice Soul Pill, David slowly walked out of the black mist!

Everyone saw that a golden light slowly appeared in the black mist, followed by a figure!

So people put their hearts in their throats!

If this figure is the old devil, then none of them will survive!

But soon, everyone saw clearly that this person was David, not the old devil!

This time, everyone breathed a sigh of relief!

Soon, all the black mist dissipated, and there was no one else around!

"Mr. Chen, where's the old devil?"

Ji Yun stepped forward and asked hurriedly!

"Dead, the world here is about to collapse, we have to take this opportunity to leave."

David said to everyone!

When they heard that the old devil was dead and they could leave here, they were all overjoyed!

No one asked about the treasure anymore, after all, being alive is the most important thing!

Everyone started to flee one after another, wanting to leave here while the world completely collapsed!

The current world is already crumbling, and there are cracks everywhere, they can leave completely!

"Where are the five elements Tiansha?"

David observed at this time that the other people of the Five Elements Tiansha disappeared without a trace!

"Maybe he ran away, none of us paid attention!"

Ning Caichen said!

"Run away, if a few guys don't run away, it will be very difficult for us to deal with it."

Old Sun said!

It was true, now that David was already exhausted, it would be very difficult to deal with the other four of Five Elements Heavenly Demon just by relying on these other people!

"Let's go, don't delay anymore..."

Lao Kong urged, he was afraid that after this world completely collapsed, they would all be trapped here to death!

A group of people jumped up immediately, Ji Yun and Gao Qisheng protected David on both sides, they could tell that David was in poor condition and seemed to be exhausted!

The scenery in front of everyone's eyes kept changing, until finally the white snow field appeared, and everyone knew that they had completely left!

After escaping completely, everyone took a deep breath, feeling like they were alive after a catastrophe.

"Brother Chen, thanks to you this time, you have saved us several times. If there is a need in the future, just speak up, we are absolutely obliged !

"

He and Zuo Qing said to David!
