Seeing Lord Yan appear, both David and Yihe breathed a sigh of relief!

Otherwise, if the Thunder Eagle King brought those hundreds of bloodthirsty Thunder Eagles to attack, they would have no way to resist!

And the Thunder Eagle King was a little surprised to see Master Yan appearing outside Jialing County!

“Master Yan, you are not staying in Jialing County, why did you run out?” “

This place does not belong to your Jialing County, so you can't let me do it?” “

I remember that Jialing County has a rule that you can't intervene in Jialing Things outside the county.”

“You can't stop doing it in your Jialing County, and you can't let it go outside Jialing County, right? Isn't that too much? Are you overbearing?”

King Lei Ying asked Master Yan with a cold face!

Master Yan smiled lightly, “You're right, Jialing County does have rules, but ask about things outside of Jialing County.” “

I came out today just to give you face. , It's up to you to decide.”

"Whether you give me face or not, I won't do anything to you, after all, rules are rules..."

Seeing what Master Yan said, the Thunder Eagle King had nothing to fear, and just snorted coldly "Master Yan, this kid stole my Heavenly Thunder Fruit, so I have to kill him today, I can't give him this face..." Master Yan was not angry when he saw that the

King of Thunder Eagle didn't give him any face. Still with a slight smile, he said, "Since you don't give face, then just pretend that I didn't say anything, but I hope you don't regret it..." After

Master Yan finished speaking, he stepped aside directly, as if he really didn't care!

However, Master Yan's words made King Leiying immediately vigilant, "Master Yan, what did you mean just now? What do you mean don't regret it? Could it be that you can't do it if I do it?"

"I don't make a move, who said I would, but I can tell you, this David is not an ordinary person, if you touch him, I'm afraid you will regret it." Master Yan said with a smile

!

"Hmph, it's just a little fifth-grade monk in the Composite Realm, what's so special?"

"Is it just because of Yihe? I'm not afraid of him, I'll kill them all today!"

Thunder Eagle King snorted coldly, Not afraid of Yihe at all!

At this time, David and Yihe, listening to Lord Yan's words, did not understand what he meant!

Seeing that he really wanted to stand by and watch, the two of them began to feel nervous!

However, David couldn't force Lord Yan to help, after all, his rules were also rules, and he couldn't break the rules just for himself!

"Mr. Chen, you guys should run for a while, I can stop the Thunder Eagle King for a while!"

Yihe said to David!

David nodded, now he has no choice but to sacrifice Yihe, he can't watch Liu Ruyan and Huofeng all die in front of him!
