Chapter 3146

The other people buried with him looked at the golden dragon flying above David's head, and they were all stunned!

David, a cultivator in the Composite Realm, shocked them too much!

Facing the golden dragon, even the eighty-one tigers began to tremble!

This is the suppression of the bloodline, and these ancient beasts know more clearly what kind of existence the golden dragon lineage is!

The golden dragon is the head of the dragon clan, and these tiger beasts are just the kings of beasts!

In contrast, high and low judge!

Looking at the eighty-one trembling tigers, Gu Ya began to retreat in his heart!

He never expected that David would recruit the soul of the golden dragon. This is too outrageous!

Seeing Gu Ya's ugly expression and the other trembling tigers, David didn't stop!

I saw the dragon-slaying sword in David's hand waved!

The golden dragon roared and charged directly at the eighty-one tigers!

The golden dragon rushed into the group of tigers, like a wolf into a herd of sheep, killing one with one bite, and killing another with one paw!

Those fierce tigers were in a mess and fled everywhere, but they couldn't escape the scope of the island at all!

All of a sudden, those tigers were killed by the golden dragon one by one, and the sky-holding spears fell from the sky one by one, turning into a pile of broken bones!

It was only a moment's work, and out of the eighty-one tigers, not one was left!

Bone Cliff suffered for thousands of years, and all the Sky Spears refined into nothingness at this moment!

Bone Cliff without the Sky Spear is like a tiger without teeth!

After killing those tigers, the golden dragon soared into the sky with a roar, and then entered David's body!

David looked at Gu Ya calmly, his face was full of indifference!

At this time, Gu Ya no longer had the arrogance just now, like a deflated ball!

"I didn't expect that after thousands of years of hard work, I would be able to restore my physical body soon, but I fell into the hands of you, a brat." "Forget it,

maybe this is God's will. This is my destiny, but I was born by you as a body fit state." Killed by a little monk, where is my face?"

"Even if I die, I want all of you to be buried with me..."

After Gu Ya finished speaking, his hands slowly formed seals on his chest, and his whole body was suspended in the air. In the middle of the sky, a silver bell suddenly sounded between heaven and earth!

This voice, as if it came from nine days away, or from the underground abyss, resounded throughout the entire island!

Hearing the sound of the silver bell, everyone was stunned!

Gu Ya opened his mouth slowly, and a fan scripture was transmitted from Gu Ya's mouth to all directions. With the exit of Gu Ya's scriptures, the world trembled, and endless heat waves rose from the small island and the sea of ink!

The flames approached the bone cliff, and endless runes flickered in the flames!

The sky and the earth were instantly filled with flames, the entire ink sea was surging, and the sky became a sea of fire!

Looking at the spell cast by Gu Ya, David frowned slightly. As expected of an ancient monk, even if he lost his body, he could still cast such a spell with just one remnant soul!

Gu Ya raised his right hand slowly, and a black fire lotus flower appeared in front of him. The black ink sea reflected the black fire lotus flower, distorting the entire void!

The appearance of the fire lotus caused all the flame power in the surrounding world to rush towards the bone cliff!

In the sea of ink, like a volcano erupting, clusters of flames erupted from the bottom of the sea!

The fire lotus grew bigger and bigger, and Gu Ya was suspended in the center of the fire lotus, surrounded by flames!

Then the flames that erupted all converged on the fire lotus, like fire dragons!

When everyone saw this scene, they were completely stunned. This bone cliff is going to destroy the world, and they will die together!

The fire lotus continued to absorb the flames, and it became bigger and bigger, until it directly covered the entire island!

“Get on the spirit boat, hurry up, hurry up...”

David yelled at the people who were still in a daze!

Chapter 3147

ashes, the demon mountain ghost elder and others reflected, and rushed towards the spirit ship on the shore of the island!

Everyone scrambled to jump on the spirit ship.

Then the spirit boat sailed away from the island at the fastest speed, and stopped after running for more than ten miles!

“David, David...”

Gao Qilan shouted loudly, now that David himself is on the small island, facing the terrifying fire lotus in the sky, can he still survive? ?

“Mr. Chen, is he okay?”

Ji Yun’s eyes were full of worry, but he knew that with his strength, let alone saving David, it would be difficult to land on the island at this time!

“It will be fine, Mr. Chen’s strength is beyond all of us’s imagination.”

Moshan Guilao has great trust in David!

Because David refreshed his cognition again and again!

After everyone left the island, David’s indestructible golden body shone with the brightest golden light, and at the same time, David was wrapped in a layer of flames outside the indestructible golden body!

In David’s original space, the stars of the source of fire have become extremely bright. David intends to follow this bone cliff to fight fire against fire.

The flame of Guya is just the fire in the center of the earth, but the origin of David’s fire comes from the flames of the demons, so in terms of flame, David’s flame is even better!

But now Gu Ya is holding a desperate attitude, and he is not afraid anymore, otherwise he would not dare to inflate the fire lotus to such a large extent!

Seeing that David didn’t run away but was still actively fighting, Gu Ya snorted coldly and said, “Boy, you have no chance. Under this fire lotus, no life will survive, and even this small island will be destroyed.” Exist!”

“Whether there is a chance is not up to you, but to me. There are many people who want to kill me, and there are many ancient powers among them.”

“But didn’t I live well in the end? This time is no exception!”

David still desperately mobilized the source of fire in his body, his mouth was full of disdain!

Gu Ya didn't say anything, but the whole person sank down suddenly!

The huge fire lotus immediately pressed towards the island!

David stared at the fire lotus with both eyes, and stood upright, while dragon chant resounded in his body!

David was burning with flames all over his body, but this flame was like a small flame in front of the huge fire lotus!

It seemed so insignificant, but David didn't flinch!

“Die...”

The fire lotus finally crashed down, hitting the island hard!

Rumbling.....

A burst of thunder-like figure, the whole island was engulfed in a sea of flames!

On the surrounding sea surface, a huge wave of 100 meters was set off, spreading towards the surroundings continuously, one wave after another.

The spirit boat, which was more than ten kilometers away, was swayed by the huge waves, as if it was about to capsize at any moment!

“David.....”

Seeing this, Gao Qilan shouted in grief and indignation!

The others also broke into a cold sweat for David. After all, under this kind of attack, not to mention David, a cultivator at the Composite Realm, even a cultivator at the Transcendence Tribulation Realm, he might not be able to withstand it!

“Pfft...”

Gu Ya spat out a mouthful of blood, and his whole body was on the verge of collapse. After this blow, he knew that he couldn't exist for too long!

The flames were still burning on the small island, and the entire small island sank directly under the bombardment, leaving only one-tenth of the ground exposed above the sea of ink!

It looks like they will all sink into the sea of ink soon!

The flames gradually extinguished, and Gu Ya glanced at the small island with only a small piece of land left, but did not find David!

The corner of Gu Ya's mouth raised a smile. Under this kind of attack, not to mention David's body-fitting monk, even a powerful monk, it would be difficult to escape!

David must have been reduced to ashes under that attack, not even a corpse left behind!

You must know that it is the fire in the center of the earth, the temperature is as high as tens of thousands of degrees, how could David bear it!

Chapter 3148

crazy

and proud of the bone cliff, waiting for the death of his remnant soul, suddenly coughed and pulled him back!

“Ahem...”

“It's not very powerful, but it's too dull, and I'm all black.”

I saw David emerge from a piece of scorched earth!

David's whole body was scorched black, as if burned, but the indestructible golden body on his body was still intact, that is, the blow just now, even David's indestructible golden body could not be destroyed!

This is also due to the fact that when David absorbed the dragon energy, his unbreakable golden body also strengthened!

David stood up, swept the dirt off his body, and stroked his hair.

“Damn it, I messed up my hairstyle...”

David looked up at Gu Ya provocatively!

Looking at David, Gu Ya was unscathed, and he was about to go crazy. This was his desperate move, and he planned to die together.

Now David is unscathed, but he himself is about to perish...

What is this called?

“Ah... ah...”

Gu Ya yelled like crazy.

An ancient monk was driven crazy by David...

“Mr. Chen is fine, he is fine...”

Ji Yun looked from afar and found that David was fine, so he couldn't help shouting excitedly !

“Mr. Chen's achievements will definitely be limitless in the future...”

The old devil ghost said slowly!

So everyone looked at David in shock. Under such a terrifying attack, he survived!

At this moment, David looked at Gu Ya who had gone mad, and said with a cold smile: “It's not rude to come and go, since you set fire to me, I will burn you too...” David

said Come on, a ball of flames rises in the palm, and then with a wave, it directly wraps the bone cliff!

“Ah...”

Gu Ya roared fiercely!

Even if it is a remnant soul, it is very painful to be burned by this ultimate fire!

Amidst the screams, Gu Ya's remnant soul was completely wiped out, leaving no traces in this world anymore!

After David killed Gu Ya, the small island under his feet trembled for a while, and then began to collapse, falling into the sea of ink.

David jumped up and let out a long roar!

The surrendered holy tortoise appeared instantly, allowing David to land on the turtle's back steadily!

Soon, the island sank, and a lot of heads popped up not far away!

These people are Ye Fengqing, Zhou Tai and others who are comfortable and absorb spiritual power down there!

The blow just now woke up these people, and with the sinking of the island, all these people swam up with all their might!

When they saw that the island had disappeared, they all panicked!

Moreover, the spirit boat also ran more than ten miles away, so they could only soak in the water!

Although these people are all monks, it is no problem to fly in the air, but it is a pity that the small island has disappeared, and they cannot fly above the ink sea. They can only soak in the water, or swim to the spirit ship by themselves!

It's just that if there are fierce beasts attacking during this time period, they will become lambs to be slaughtered!

Sitting on top of the holy tortoise, David smiled faintly when he saw these monks emerging!

"Chen Daoyou, please help us, can you sit on your holy turtle?"

A monk asked David loudly!

"No problem, come up..."

David nodded.

David's holy tortoise is big enough to seat eight people, there is no problem!

Those monks climbed towards the back of the Holy Turtle one by one!

Then Ye Fengqing and Zhou Tai glanced at each other, and they also bit the bullet and climbed up David's Holy Turtle!

“Get off, who told you two to come up?”

David said to the two of them!

Ye Fengqing and Zhou Tai were taken aback for a moment, and then Zhou Tai said: “David, don't go too far, don't forget, I got the tickets for you to get on the boat.” “That's you

idiot , You are soaking in the water, you are not allowed to climb up!”

David said with a faint smile!

This made Zhou Tai so angry that he wished he could swallow David alive!

Chapter 3149

“David, let the two of us go up, and I can give you any number of spirit coins!”

Ye Fengqing also lowered his head at this time.

After all, there are unpredictable changes in the ink sea, if a monster really comes out, they will be fish on the iron plate in the ink sea, ready to be slaughtered!

“I'm not short of money...”

David sneered, and then let the Holy Turtle swim towards the spirit boat!

The huge body of the holy tortoise drew out waves, knocking Zhou Tai and Ye Fengqing in the water into a daze!

Looking at David who left, Ye Fengqing's face was full of anger: “Ah, wait until you get ashore, I will make you look good...”

Just as Ye Fengqing was roaring, he suddenly felt a dangerous breath coming!

Turning his head instinctively, Ye Fengqing saw a tiger shark swimming towards the two of them with its bloody mouth open!

Seeing this, Zhou Tai and Ye Fengqing were so frightened that they swam towards the spirit boat desperately!

David laughed when he saw the two guys being chased by the Tiger Shark Beast!

But the spirit boat in the distance found Ye Fengqing, so it hurried towards Ye Fengqing!

At the last moment, Ye Fengqing and Zhou Tai climbed onto the spirit boat and escaped the tiger shark attack!

The two of them were wet all over, and they were extremely embarrassed!

David also sent other monks to the spirit ship!

Ye Fengqing and Zhou Tai looked at David coldly, gnashing their teeth with hatred!

If it wasn't for the fear of destroying the spirit ship, the two of them really wanted to do it on the spirit ship!

“David, just wait for me, I'll never end with you...”

Ye Fengqing gritted his teeth and said word by word!

“So what if it's not over? Do you have the ability to hit me?”

David looked provocative!

Now that he is at the peak of the eighth-rank of the body-fitting state, as long as he practices a little, it is not difficult to break through to the ninth-rank of the body-fitting state!

So he is not afraid of Ye Fengqing at all!

“You don't have to be on the spirit boat, I'll make you pay the price when it lands.”

Ye Fengqing said with a murderous look on his face!

David snorted coldly with disdain: “Then I’ll wait for you, even if you don’t look for me, I will settle the matter with you.” After

David finished speaking, he jumped off the spirit boat. Turtle, no need to take the spirit boat!

Gao Qilan, Ji Yun, Ji Lianzhan, Moshan Guilao, Jin Dong, and Luo Xi all jumped onto the Holy Turtle!

Then ride the Holy Turtle and swim all the way to the shore!

“Hey……”

On the back of the turtle, Ji Lianzhan suddenly sighed!

This time, their Feitianzong suffered heavy losses, more than half of the airship was lost, and even more than half of the disciples of the sect were lost!

If you want to recover in the future, I’m afraid it will take a long time.

Ji Lianzhan finally worked hard to win the family business of Feitianzong, but he didn’t want to become like this in just a few days!

The problem is that he didn’t even avenge his revenge, and just let the person from the Cloud Piercing Sect escape!

Not only did the Cloud Piercer escape, they almost died in the ink sea.

This is what makes Ji Lianzhan the most aggrieved!

“Dad, you don’t have to be too sad. As long as we work hard, I believe Feitianzong can regain its glory.”

Seeing this, Ji Yun walked to Ji Lianzhan’s side to comfort him!

Ji Lianzhan looked at Ji Yun, his face was full of relief. Although Feitianzong suffered a heavy loss, his son had changed a lot, which gave Ji Lianzhan some comfort.

This is also thanks to David. After Ji Yun followed David, he has grown a lot in terms of thinking and responsibility, and he can no longer be seen as the playboy he used to be!

“Look, what’s in front?”

At this moment, Jin Dong seemed to have discovered something, and shouted loudly!

David and the others looked over and found black dots passing through the sea of ink one by one more than ten miles away!

David looked intently, and instantly discovered that these passing black dots turned out to be a person, sitting on the back of the holy tortoise, walking through the sea of ink!

Chapter 3150

I will give you

a rough look at David, and there are dozens of people, even the holy tortoise has more than a dozen!

There are four or five people on the back of each Holy Turtle!

“Cloud Piercer, these are people from Cloud Piercer...”

Ji Lianzhan looked at it carefully, and then roared angrily!

As soon as David heard that the other party was someone from the Cloud Chuanmen, he immediately rushed towards those people from the Cloud Chuanmen!

Those people from Chuanyunmen also seemed to have discovered David and the others. Seeing that there were only a few of David and the others, they all surrounded them!

When the people from the Cloud Crossing Sect saw the sacred turtle that David and the others were sitting on, they all showed surprise on their faces!

Because the holy tortoise that David and the others rode was too big, several times bigger than their holy tortoise!

“Ji Lianzhan, you’re not dead yet?”

At this moment, a middle-aged man in a black gown with a gentle face asked Ji Lianzhan!

“Qin Lei, you haven’t died yet, how could I die.”

“God let me meet you now, I will definitely let you die without a place to die...”

Ji Lianzhan was full of anger, his eyes The killing intent is vertical and horizontal!

“Hahaha, are you kidding? Didn’t you realize that you have already been surrounded by me?” “

But the holy tortoise you tamed is not small. If you obediently hand this holy tortoise to me, I will I can consider letting you go.”

Qin Lei said with a cold smile!

“Sect Master Ji, is this the person who pierced the Cloud Gate who engaged in sneak attacks and robbed business?”

David asked Ji Lianzhan!

“That’s right, this guy is the deputy sect master of Chuanyunmen. I don’t know where they learned the tortoise training technique. They tamed a lot of holy tortoises, so they easily crossed the ink sea and attacked us.” Ji Lianzhan nodded

. Nod!

“Turtle training technique?” David was taken aback for a moment, then smiled and said: “This is a good technique, but I don’t know if their turtle training technique is as good as mine!” Then Qin Lei listened to David’s words, and

then He took a look at David and said, “Boy, do you know how to train turtles? Did you tame this holy tortoise you sat down on?” “

I tamed it!” David said!

“Now you cut off the connection with the holy tortoise, and this holy tortoise belongs to us...”

Qin Lei said with a very arrogant attitude!

“To you?” David smiled: “Are you my son or my grandson, if you say it belongs to you, it will belong to you?” “

You call Dad, I can give you the Holy Turtle...”

David Ping’s words instantly made Ji Lianzhan laugh!

After all, Qin Lei is also the deputy sect master of Chuanyun Sect, David actually makes people call him father!

“Mr. Chen, if you have such a big boy, it doesn’t make you look too old.” “

I think you’d better let Ms. Gao give birth to a fat boy for you. You don’t want such an old man as your son!”

Ji Yun also joked aside!

“Ji Yun, what are you talking about, who is going to give birth to a fat boy for him, he has Huofeng and Jiameng, and Miss Liu, it’s my turn to give birth...”
Gao

Qilan Although she was shy, there was a bit of resentment in her words!

After all, those girls were all favored by David. At that time, Gao Qilan also heard the shouts of the girls, and she was very happy when she heard it!

But she hasn’t been touched by David yet, so how can she have no resentment!

Then Qin Lei was about to go mad with anger at this time, it was fine for David to scold him, but the others started to treat him like air!

“You are still in the mood to flirt when you are about to die, today I will let you fend for yourself in this sea of ink...”

After finishing speaking, Qin Lei began to make harsh voices!

The holy tortoise that David and the others sat down became visibly agitated after hearing the sound, and writhed desperately!

This is Qin Lei’s tortoise training technique, which made the holy tortoise anxious!

David gently stroked the holy tortoise's head, slowly soothing the holy tortoise's emotions!
