Chapter 3167

Everyone lowered their heads, and no one dared to speak anymore, let alone the matter of asking for peace!

Yihe looked at these people in front of him coldly, with disappointment and helplessness in his eyes!

After being occupied by the tiger for a period of time, these generals have become so obsequious, without any blood!

Yihe knew that there would be no results in discussing with these people, so he waved his hands and said, "Go down, perform your duties, and guard the gates of your respective cities. If there are escapers, they will be killed without mercy... .."

"As ordered..." Those generals all retreated!

Yihe sat alone in the main hall with a sad expression on his face!

"Dad..."

At this time, Yisha ran in, behind Yisha, followed by Liu Ruyan and many other disciples of the Jade Cauldron Sect!

"Isha..." Seeing his daughter, Yihe hurried over and hugged her tightly!

During this time, Yihe has been worried about Yisha's safety!

After exchanging greetings with Yisha, Yihe looked at Liu Ruyan and said, "Miss Liu, I will keep the great kindness of the Jade Cauldron Sect in my heart. If the Jade Cauldron Sect needs me, I will definitely do my duty!"

"It's just that the Mingli King City's army is overwhelming now, and my Monster Emperor City is immediately surrounded, so I can't entertain you, and I hope you leave as soon as possible, so as not to be trapped!" "Yihe Monster Emperor,

I This time I brought people here, in addition to escorting Princess Isa, and to see if there is any need for help.” “

If I watched the Demon Imperial City fall into fear and remain indifferent, David would blame me if he knew it. ...”

Liu Ruyan said to Yihe!

When Yihe heard this, he smiled wryly, he knew what Liu Ruyan meant!

Now Liu Ruyan is David’s woman, and the Demon Imperial City is also David’s mouth!

Whether it is the Jade Cauldron Sect or the Demon Imperial City, they all belong to David!

So now all they need is to join forces!

“Then thank you Miss Liu!” Yihe nodded his thanks!

“Third Elder, you lead the disciples of the Jade Cauldron Sect to start refining pills immediately. If a war breaks out, there will definitely be a lot of casualties.”

Liu Ruyan ordered to the Third Elder.

“Obey!” The third elder nodded!

“Nie Heng, Fang Shu, the two of you each bring ten disciples to patrol the city wall, and if you find an injured person, immediately treat it on the spot.”

Liu Ruyan ordered again!

“Obey!” Nie Heng and Fang Shu also took orders at the same time!

Looking at Liu Ruyan’s orderly orders, Yihe also had hope in his heart!

With the addition of Jade Cauldron Sect, the casualties will definitely be much smaller!

At this moment, several guards in armor suddenly ran in from the door, everyone was covered in blood, very embarrassed!

After seeing Yihe, they all fell to their knees and said, “Yaohuang, the five teams we delivered the letter were all intercepted and killed halfway, only a few of us managed to escape.” “How could this be? I didn’t ask you to come back

from Did you leave by the secret way?”

Seeing this, Yihe asked with surprise on his face!

“The people from Mingli King City have already set up an ambush in the secret passage, and they already know the existence of the secret passage!”

said the guard!

When Yihe Yaohuang heard this, he was furious immediately, and he gritted his teeth and said, “This traitor, Huben, must have been the one who told the story. Now it seems that the entire Demon Emperor City has no secrets about that Li Wang anymore.” “Dad, this

is What’s going on?” Isa asked.

“I sent people out of the city to contact other demon emperors and king cities to inform them of the situation here.” “

At that time, these people will definitely see the huge benefits here, and then send troops here. At that time, King Li will not Dare to act rashly now.”

“If he is forcibly attacking our Demon Imperial City, it will be a dead end, and finally the snipe and the clam will fight for the fisherman’s benefit. I want to use this method to force the King Li to retreat.” “I didn’t expect this guy to

have Be prepared...”

Yihe frowned, not knowing what to do!

Chapter 3168

“Yihe, leave this matter to me. I’ll go talk to those old guys and let them send troops...”

At this time, Huofeng left Come in and say!

Seeing Huofeng, Yihe hesitated and said, "If it was before, there would be no problem for you to come forward, but with your current strength, you probably won't be able to leave the Demon Imperial City, right?" Huofeng used to be very strong, but was

beaten After entering the secular world, his strength has dropped drastically, and now he is at the combined state. If he wants to leave the Demon Imperial City, King Li will definitely not agree!

"Don't worry, King Li is suspicious by nature. He won't immediately intercept me when he sees me." "

But how long can you resist this Demon Imperial City? The other old things are all in other continents." , the distance is far away, it will take time for me to come and go."

Huofeng asked Yihe!

"I still have 100,000 soldiers in the Demon Imperial City. Adding the magic circle around the Demon Imperial City, it should be no problem to resist for ten days and half a month."

Yihe said!

"That's good, you wait for my good news!" After Huofeng finished speaking, she jumped and turned into a fire phoenix, flying towards the outside of the city!

When she saw that the fire phoenix had directly turned into a fire phoenix, Yisha's eyes widened immediately, and she said in disbelief, "Dad, this is not... this is not that..... "

That's right. She is Huofeng. I haven't seen her for many years. I didn't expect her to be thrown into the secular world. Now Mr. Chen is the owner of Huofeng." Before Yisha could finish speaking, Yihe nodded and said

!

"Is David the owner of this fire phoenix?" Yisha's expression was even more unbelievable!

And at this time, the fire phoenix soared into the sky, with flaming wings constantly waving!

Li Xing was looking at the Demon Imperial City in front of him on the hilltop a few miles away from the Demon Imperial City, with a bit of smugness on his face!

Because it won't take long for this Demon Imperial City to be annexed by their Mingli King City!

At that time, he will be able to become the king in the Demon Emperor City, and he can even hold Yisha under him!

The reason why Li Xing didn't do anything when Huben was in control of the Demon Imperial City was that he wanted to rely on Li Xing to get rid of those diehards and royal masters in the Demon Imperial City!

Then he was thinking of a way to kill Huben, so that he could get the Demon Imperial City without bloodshed!

It's a pity, he didn't expect Yihe to return to the Demon Imperial City so quickly, kill Hu Ben, and regain control!

"My lord, the members of the Jade Cauldron Sect have already escorted Princess Yisha into the city, and I told my subordinates to pretend that they didn't see it." At

this time, a general from Wangcheng stepped forward and whispered to Li Xing!

"Hahaha, now that the Jade Cauldron Sect and Yisha have entered the city, we can catch them all in one go. They must have thought that they were acting covertly and sneaked into the Demon Imperial City, but we didn't find out." "As everyone knows, I let them in on purpose

. Yes, this way we can catch them all in one go, and catch the turtle in the urn."

Li Xing laughed out loud!

"Xing'er, why are you so happy?" King Li slowly walked out of a tent, followed by Hu Yixiao!

“Dad, most of the members of the Jade Cauldron Sect have already escorted Yisha into the Demon Imperial City, and we can launch an attack at any time.”

Li Xing said to King Li!

“The Jade Cauldron Sect is still here.” Li Wang smiled coldly, then looked at Hu Yixiao behind him and said, “Elder Hu, you can go to the Jade Cauldron Sect next and take down the Jade Cauldron Sect easily. , but take down the Jade Cauldron, don’t forget to promise me.”

“Don’t worry, King Li, I will take down the Jade Cauldron, and I will definitely follow Li Wang’s order in the future, and all the resources in the Jade Cauldron will be released at any time For King Li to use.”

Hu Yixiao said like a pug, nodding and bowing his head!

“Hahaha...” Li Wang waved his hand: “Go, I am dispatching hundreds of guards and followers for you...”

Hu Yixiao left gratefully!

Chapter 3169

Just as Hu Yixiao left, Li Xing saw a flame flying out from the sky above the Demon Imperial City!

“Dad, look quickly, someone has escaped from the Demon Imperial City, maybe they want to call in reinforcements...”

Li Xing hurriedly pointed to the flame in mid-air and said!

When Li Wang looked up, his face suddenly became extremely ugly, and his brows were also wrinkled!

“Dad, do we want to intercept?” Li Xing saw that King Li didn’t speak, so he asked again!

But King Li still didn’t speak, his eyes fixed on the flame!

After a while, he waved his hand and said: “Don’t stop...”

“Dad, why didn’t you stop, it must be the people sent by the Demon Imperial City to rescue the soldiers. We didn’t know if there was a fire. Already.”

Li Xing asked in bewilderment!

“That’s not someone from Demon Imperial City, that’s Huofeng...”

Li Wang said!

“Fire Phoenix?” Li Xing was stunned for a moment, then took a breath and said, “I haven’t seen the Fire Phoenix for many years, why did it suddenly appear in the Demon Imperial City?” “Could it be

... ..”

“Don’t make wild guesses, it’s definitely not what you think. Regardless of why Huofeng is here, give orders immediately and prepare to attack.” King Li said with cold eyes!

He suddenly had a very bad premonition at this moment, so he didn’t want to delay any longer!

Li Xing nodded, then stood on the top of the mountain and slapped his palm, which exploded in mid-air instantly.

The sound of the explosion directly caused the army of the royal city below the mountain to move!

An army of tens of thousands of people began to march towards the Demon Imperial City!

“Demon King, it’s not good, the army of Mingli King City has started to attack...”

A guard rushed to report!

When Yihe Yaohuang heard this, he frowned instantly, and then quickly walked out of the hall and boarded the tower!

Looking from a distance, the tens of thousands of troops in Mingli King City are marching forward in uniform steps!

In front of these armies, there are all kinds of monsters, roaring constantly!

Yihe knew that these were the vanguard of Mingli King City, and they were only attacking tentatively!

If Demon Imperial City did not dare to face the opponent's tentative attack, it would definitely have a great impact on morale!

But if you go out of the city to fight, it will be a waste of troops!

What Yihe wants is to delay the time, hoping that Huofeng will notify the other Demon Emperor and Wangcheng as soon as possible.

Yisha glanced at Yihe, knowing what her father was hesitating, so she let out a long cry!

Soon, a figure came to Yisha's side!

This person is Lang Feng covered in hair!

"Lang Feng, I order you to lead the pack of wolves and block the opponent's attack!"

Yisha ordered to Lang Feng!

"Obey!" Lang Feng accepted the order without the slightest hesitation!

It's impossible to rely on wolves to stop the opponent's tens of thousands of troops, but Lang Feng didn't hesitate even if he knew he was going to die!

Lang Feng turned around and was about to jump off the city, Yisha couldn't bear it and said, "Lang Feng, be careful..."

Lang Feng didn't speak, just nodded and jumped down!

With Lang Feng jumping down, a wolf howl came out of his mouth!

Accompanied by the howling of wolves, thousands of demon wolves surged from all directions of the city!

These monster wolves guarded the city gate with their teeth bared!

"Dad, what is this Demon Imperial City up to? Do you want to stop our army with this little wolf?" "

It's really ridiculous..."

The corners of Li Xing's mouth raised slightly, his eyes were full of disdain!

But King Li has deep eyes, but his expression is not relaxed!

"These demon wolves are not used to block our army, but to boost morale!"

Li Wang said slowly!

"What do you mean?" Li Xing didn't understand what it meant!

"These demon wolves knew they were going to die, but they didn't back down. The purpose was to show the soldiers in the Demon Emperor City and improve their morale.

", to boost morale."

Li Wang said with some admiration!

Chapter 3170

Yihe stood on top of the city, looking at the thousands of monster wolves below, feeling full of reluctance and guilt!

Especially Nalang Feng, Yihe knows his position in Yisha's heart!

Yisha played in the forest since she was a child, and she was always accompanied by Lang Feng. It can be said that Lang Feng watched Yisha grow up!

But now, Yisha wants Lang Feng to die!

Yihe knew that Yisha was more sad than him at this time, but he had to do this!

The Demon Imperial City was ruled by that tiger for a period of time, many loyal soldiers were brutally killed, and the loyalty of the entire Demon Imperial City to Yihe dropped a lot!

Facing a great enemy now, and the disparity in strength, it is inevitable that the hearts of many soldiers in the Demon Emperor City will be shaken!

And Yisha also understood this, so she ordered Lang Feng to lead the pack of demon wolves to block the attack!

Because at this time, only Lang Feng is the most loyal!

Yisha also wants the fearless aura of the demon wolves to infect the soldiers of the entire Demon Imperial City!

Let these soldiers of the Demon Imperial City regain their fighting spirit!

Similarly, Lang Feng also understood this, so he agreed without hesitation!

If his death can be exchanged for the safety of the Demon Imperial City, then he will die with no regrets!

Lang Feng stood quietly in front of thousands of demon wolves, the breeze blowing by made the hair on Lang Feng's body dance with the wind!

Facing tens of thousands of enemy troops, Lang Feng's eyes were full of tenacity and unyielding!

Without the slightest fear!

Those thousands of demon wolves also had fierce eyes, showing terrifying fangs!

Lang Feng is loyal to Demon Imperial City, but these thousands of demon wolves are loyal to Lang Feng!

Because of loyalty, I am not afraid of death...

"Kill..."

Lang Feng suddenly roared, and his whole body instantly transformed into a huge demon wolf, rushing towards the enemy!

The thousands of demon wolves behind them also rushed out together!

In an instant, thousands of demon wolves rushed into the enemy army of ten thousand people and started fighting!

These demon wolves are not very strong. Even Lang Feng's strength is not very strong. There is no way to compare with the opponent!

But they hold the determination to die and are not afraid!

The killing sound shook the sky!

The smoke is everywhere!

The place under the Demon Emperor's city instantly turned into a mountain of corpses and a sea of blood...

Looking at the scene in front of her, Isa's tears slowly flowed out!

After more than ten minutes, the killing sound gradually stopped, and the gunpowder smoke gradually dissipated!

Thousands of demon wolves were all down in a pool of blood, none of them survived!

But the damage they caused to the enemy was extremely low!

I saw Lang Feng's corpse hanging high above a spear. The enemy was provoking the Demon Imperial City in this way!

Looking at Lang Feng's body, Yisha couldn't bear it anymore, covered her face and burst into tears!

Yihe's eyes got moist too!

Many soldiers in the Demon Imperial City saw this scene, each of them was filled with killing intent, and red threads appeared in their eyes!

At this moment, the bloodiness of many soldiers in Demon Imperial City was aroused!

On the mountaintop several miles away, King Li saw that his subordinates had hung up Lang Feng's body to provoke him, and immediately cursed angrily: "Idiot, you are still provoking in this way, this is to provoke the other party Stubborn resistance?"

“Dad, even if the Demon Imperial City resists, so what? The masters of the Demon Imperial City have already been purged, and there are some unsteady guys left, who can’t succeed.”

Li Xing said indifferently!

“Fart, what do you know? Get someone back immediately...”

King Li scolded Li Xing fiercely!

Li Xing was helpless, and when he was about to withdraw the soldiers who were probing in front, he suddenly shook the mountain, and the killing sound shook the sky!

The gate of Demon Imperial City was slowly opened, and tens of thousands of soldiers rushed out of the city!

These soldiers of the Demon Imperial City roared one by one, their eyes full of murderous aura!

The soldiers of Demon Imperial City, who were originally timid, are now like killing gods one by one!
