Chapter 3241

“Nonsense, even if the ancestral land is opened, can we go in? But you can go in. When the time comes, ask Taizu what happened and why the ancestral land suddenly advanced. Is it turned on?”

Ji Lianjun also wanted to know what was going on, but the ancestral land was not something they could enter. Only the younger generation of the Ji family could enter!

“Brother, now that the ancestral land has suddenly opened, we haven’t made any preparations yet. I think we need to go back and discuss who should be allowed to enter this time.”

Ji Lianying said to Ji Lianjun!

Ji Lianjun nodded, and then ordered people to guard the ancestral land, and everyone else returned to the hall!

Because the ancestral land opened so suddenly, there was no one scheduled to enter!

The juniors of the Ji family are not just the children of Ji Lianjun and Ji Lianying, there are dozens of juniors from the side branches of the Ji family!

Therefore, every time the ancestral land is opened, the junior members who will enter the ancestral land will be decided in advance, and they cannot all enter at once!

But this time it opened too suddenly, so we need to discuss the entry personnel!

“Dad, what should the sixth brother do? If he is allowed to enter, his identity will be exposed.”

Ji Cheng whispered in Ji Lianjun’s ear!

After all, Ji Yun's identity is just a pharmacist invited to treat the old man of the Ji family. If he wants to enter the ancestral land, he needs to make his identity public!

But once it becomes public, Ji Yun will inevitably be involved in the next fight between the Ji family, and Ji Lianjun doesn't want Ji Yun to take the risk of getting involved!

"Don't expose your sixth brother's identity yet. As for how to enter the ancestral land, I will figure out a way..."

Ji Lianjun warned Ji Cheng!

Ji Cheng nodded and said nothing!

David didn't know what the Ji family said in the hall. After all, he was not a Ji family member and was not qualified to participate in the Ji family's internal meetings!

"Mr. Chen, the sudden opening of the Ji family's ancestral land is actually an opportunity for you. There is a masterless origin in it."

Ji Yun said beside David!

Ji Yun could see that David yearned for the Ji family's ancestral land!

David smiled lightly: "This is the ancestral land of your Ji family. Outsiders are not allowed to enter, but you should be able to go in. You must seize the opportunity this time." "Mr. Chen, the rules are also set by people. When the time comes, I will

follow Uncle, let me see if I can let you in, after all, you saved grandpa's life."

Ji Yun hopes that David can go in. Ji Yun knows that David will definitely benefit a lot from entering the Ji family's ancestral land!

"Don't worry about me. You can adjust yourself first. When your grandfather recovers, it's time for us to leave. We can't stay here for too long." David smiled and patted

Ji Yun's shoulder, not letting Ji Yun stay . Worry about yourself!

However, David's eyes were indeed full of yearning when he looked at the Ji family's ancestral land, but he couldn't let Ji Yun go and beg Ji Lianjun because of himself. This was the family's rule, how could it be broken as soon as Ji Yun came!

In the evening, everyone in the Ji family discussed the results and confirmed the list of those who entered the Ji family's ancestral land!

After it was completely dark, Ji Cheng took a set of Ji family clothes and asked Ji Yun to change into them. Apparently, Ji Yun was asked to enter the ancestral land in place of others!

"Sixth brother, I will enter the ancestral land early tomorrow morning. I don't have a quota this time, so I will ask your eldest and second sister to take care of you then." "Remember, you must not expose yourself when you mix in the crowd, but when you

enter the ancestral land it'll be fine after that, don't expose yourself before entering."

Ji Cheng warned Ji Yun!

"Brother, I understand!" Ji Yun nodded, then hesitated, and opened his mouth to ask: "Brother, is it true that only our Ji family can enter the ancestral land of our Ji family, and no outsiders can enter? "

Of course. How can outsiders enter our family's ancestral land?" Ji Cheng said, then looked at Ji Yun doubtfully: "Sixth brother, is there something wrong with you?" "Oh, it's okay.

" Ji Yun smiled and shook his head!

Chapter 3242

Ji Cheng walking back. Ji Yun wanted to go back to his room, but was stopped by Ji Meiyuan who suddenly came out!

"Sister, why are you here if you don't sleep so late?"

Ji Yun asked Ji Meiyuan!

“Sixth brother, let me ask you, just now you asked why outsiders are not allowed to enter the ancestral land. Do you want Mr. Chen to enter?”

Ji Meiyang asked!

“Ah...” Ji Yun was stunned. He didn’t expect that Ji Meiyang was eavesdropping on their conversation, but he still shook his head and said, “No, I just asked casually.” “

Sixth brother, you and me I haven’t told the truth yet, does Mr. Chen also want to enter the ancestral land?”

Ji Meiyang asked Ji Yun.

Seeing this, Ji Yun nodded helplessly: “Mr. Chen should have had this idea, but he didn’t say it. I feel that there is the origin of Wu Zhu in the ancestral land, and Mr. Chen happened to have realized the power of the origin, so he entered The ancestral land will benefit a lot.”

“What? He has realized the power of the source?”

Ji Meiyang exclaimed, she did not expect that David, just a Fusion Realm monk, could even realize the power of the source!

He is simply a genius among geniuses!

At this moment, Ji Meiyang fell in love with David even more. She wished she could become David’s woman now!

This kind of talent is very popular!

“Mr. Chen has realized several kinds of original power. With Mr. Chen’s talent, this is nothing.”

Ji Yun said calmly!

But after Ji Meiyang heard this, she was no longer calm. It was good for a young monk in the Fusion Realm to realize the power of the source. He actually realized several kinds of power. This was really abnormal!

“I didn’t expect that his talent is so high...”

Ji Meiyán's eyes burst with passion, and her admiration for David is no longer secretive!

Seeing Ji Meiyán like that, Ji Yun quickly asked: "Sister, do you like Mr. Chen?"

Ji Meiyán didn't show any pretense, but nodded directly: "Yes, a man like him, what woman doesn't like it? It's not just me. Your second sister's little girl is also in love with Mr. Chen..."

When Ji Yun heard this, he felt a little surprised. He really didn't expect that he had just met her not long ago. The eldest sister and the second sister both fell in love with David!

But in the world of gods and humans, this is nothing. It is normal for two sisters to serve a man at the same time!

"Sister, to be honest, Mr. Chen has many women. The Fire Phoenix girl who followed is one of Mr. Chen's women." "

In the Northern Territory, Mr. Chen still has many women waiting for him... .."

Ji Yun followed Ji Meiyán and said truthfully.

"I know that it's normal for a man as good as him to have many women."

Ji Meiyán didn't care at all!

All he cares about is whether he can become David's woman!

When Ji Yun saw this, he also looked helpless. After all, in this world of gods and humans, strength is respected. David was so young and had strength beyond ordinary people. How could he not be liked by girls?

"Okay, go to bed. Don't tell anyone about my coming here!"

After Ji Meiyán said that, she disappeared into the darkness!

Ji Yun shook his head helplessly, and then went to bed!

Ji Meiyán did not leave, but after Ji Yun left, she went directly to David's room!

David is following Huo Feng in the room!

The fire phoenix pestered David all night long. Fortunately, David's physical strength was different from ordinary people, otherwise he would have been dragged down by the fire phoenix!

Ji Meiyuan came to the door of David's room, and when she heard what was going on inside, her face suddenly turned red!

But Ji Meiyuan did not leave, but quietly sat at the door and listened to what was going on inside!

She knew that those were the voices of David and Huo Feng. At this moment, Ji Meiyuan was extremely envious of Huo Feng!

Chapter 3243

The secret passage was

very fast. Huo Feng was tired and fell into a deep sleep!

David, on the other hand, glanced outside the door and then slowly put on his clothes!

David noticed it as soon as Ji Meiyuan arrived at the door, but she was fighting fiercely with the fire phoenix and couldn't stop!

David slowly walked to the door and opened the door slowly!

At this time, Ji Meiyuan was sitting on the ground, her face was red, her body was hot, and her eyes were even more blurred!

When David opened the door, Ji Meiyuan didn't even notice it. She was still immersed in her own fantasy!

Looking at Ji Meiyuan's appearance, David seemed a little embarrassed, so he whispered: "Miss Ji..."

Upon hearing this, Ji Meiyuan hurriedly looked up, not knowing that David had already stood beside her. In front of him, he immediately stood up in embarrassment and straightened his clothes!

“Chen...Mr. Chen, I...I...”

Ji Meiyuan stuttered and didn't know what to say!

After all, it was too embarrassing for David to see him like this!

“Miss Ji, do you have something to do when you come to my place late at night?”

David asked!

Ji Meiyuan nodded, then pulled David and said, “Come with me...”

David was stunned, and his heart suddenly tightened. He didn't know where Ji Meiyuan was pulling her to go at night!

You don't want to do that kind of thing, do you?

David was not mentally prepared yet!

Ji Meiyuan pulled David and headed all the way towards the Ji family's backyard, getting more and more remote, which made David murmur even more!

“Miss Ji, I...I'm not ready yet. After all, we just met. If we break the relationship like this, I feel irresponsible to you.” David said to

Ji Meiyuan !

Ji Meiyuan was stunned for a moment, and then she understood what David meant. She immediately glared at David and said, “What are you talking about? Do you think I'm taking you to bed? Stop thinking nonsense, I'll take you Let's go to a good place...”

Ji Meiyuan pulled David and flew all the way, with trees passing by on both sides. David didn't know where Ji Meiyuan was taking her!

After walking through a forest and passing a river, David and the others came to a place surrounded by mountains!

The location here is very remote, it seems like no one has been here at all!

“Miss Ji, where are you? Why did you bring me here at night?”

David asked in confusion!

“I ask you, do you want to enter the ancestral land of our Ji family?”

Ji Meiyuan asked David!

David was stunned for a moment, and then fell silent. If he said he didn't want to go, it would be a lie, but there was nothing he could do if he wanted to go. After all, the ancestral land belonged to the Ji family, so David couldn't force his way in!

Seeing David's silence, Ji Meiyuan understood what David was thinking, so she said: “Since you want to go, I will take you to the ancestral land of our Ji family. There is the origin of the Masterless in it. You can absorb it at will.” !”

“This doesn't seem to be the ancestral land of your Ji family, right?”

David looked around, and it didn't seem like he came here during the day!

“This is a secret passage into the ancestral land. If you enter from the front, you won't be able to get in at all. Someone is guarding it.” “I can secretly take you in through the

secret passage, and then no one will notice.”

Ji Meiyuan said!

“Miss Ji, this is no joke. If your father or other people in the Ji family find out, you will definitely be punished. I'd better not go in.” David doesn't want to implicate

Ji Meiyuan because of himself!

“There will be no punishment. It is estimated that after the ancestral land is opened this time, the Ji family will be in chaos. Who will care about me then.” “

My father has been hiding this from my sister and me, not wanting us to get involved. In fact, the two of us have already You know it.”

Ji Meiyuan said, then she found a raised stone and pressed it gently!

With a friction sound, the stone moved slowly, and then a dark hole was revealed!

Chapter 3244

Ji Meiyang got in directly, and David followed suit when he saw this!

In the progress cave, layers of brilliance lit up instantly. These brilliance seemed to be moving quickly. David felt like they had entered a time and space tunnel!

There was no movement at all. David only felt his eyes go blank, and then a majestic palace appeared in front of the two of them!

“This is the main hall of our ancestral land. I discovered this secret passage accidentally. Except for my father and eldest brother, no one knows about the existence of this secret passage.” Ji Meiyang said

!

David looked at the majestic palace and felt the original atmosphere inside, with a look of excitement on his face!

Here, you can absorb the original breath without any need to comprehend it, which is simply amazing!

Seeing David’s excited look, Ji Meiyang also laughed. She liked to see David happy, so she would be happy too!

“Have you felt the original aura?” Ji Meiyang asked!

“I feel it, a very strong original aura...”

David nodded vigorously!

“Come in with me. There are many kinds of origin auras here. Maybe you can feel one kind of origin while you are here!”

Ji Meiyang said, leading David towards the main hall!

Just after taking two steps, Ji Meiyang suddenly turned around and said: “When you meet Taizu, don’t talk nonsense. No matter how you are asked, just say that you are from the Ji family.” “Taizu? Is this the ancestral land?”

” Is there anyone alive?”

David asked in surprise!

“Of course, Taizu has lived for hundreds of years, but he can’t leave here. As long as he leaves the ancestral land, he will die immediately.”

Ji Meiyang said!

David understood that this so-called Taizu probably did not live in a real physical body, but perhaps in the body of a soul, which could continue to exist relying on the various auras in the ancestral land!

If you leave the ancestral land, then this soul body may be wiped out!

Following Ji Meiyang into the hall, David saw an old man sitting cross-legged in the center of the hall!

The old man looked extremely thin, his eyes were slightly closed, and his eye sockets were sunken!

Seeing this scene, David was surprised. He didn’t expect that the ancestor of the Ji family was still alive in the real body. It was simply not easy!

It’s just that the Taizu of the Ji family didn’t have any aura on him, so David couldn’t detect the old man’s strength!

The old man had his eyes slightly closed at first, but after hearing the movement, he slowly opened his eyes!

“Taizu...”

Ji Meiyang saw this and hurriedly stepped forward to salute!

The old man took a look at Ji Meiyang, and then slowly said: “The ancestral land has just been opened. It is said that no one will come in tomorrow. Why did you come in so quickly?” “Taizu, the ancestral land suddenly opened. Many people are not here.

” I know what the situation is, so I sent two of us to come in and see the situation.”

Ji Meiyang said!

The old man glanced at David and then said: “This young man is not from the Ji family, is he?” “

Taizu is from the Ji family. He is the son of the third uncle who ran away from home, and is a descendant of our Ji family. “

Ji Meiyuan hurriedly explained!

“Nonsense, don’t I know whether he is a descendant of our Ji family or not, and whether he has the blood of our Ji family?”

The old man suddenly shouted angrily!

This sound startled Ji Meiyuan!

When David saw this, he admitted: “Old senior, I am indeed not a descendant of the Ji family!” “

Since I am not a descendant of the Ji family, I am not qualified to enter the ancestral land. Please leave quickly. If you dare to break in without permission, , then don’t blame me for being rude.”

The old man waved his hand!

“Taizu...”

Ji Meiyuan looked anxious and wanted to ask the old man, but the old man had slowly closed his eyes!

“Miss Ji, let’s leave...”

David planned to ask Ji Meiyuan to leave. After all, he was not a descendant of the Ji family, so he couldn’t stay in his ancestral home!

Chapter 3245

“I can’t leave. I finally got in, how can I leave!”

Ji Meiyuan didn’t leave, but looked at the old man and said, “Taizu, although he is not from the Ji family, but He is also half of Ji’s family, you can’t kick him out.”

“Half of Ji’s family?”

The old man opened his eyes again!

“Yes, half of the Ji family. He is now my man and the son-in-law of our Ji family. Of course, he is half of the Ji family. We are already husband and wife.”

Ji Meiyuan stepped forward and took David’s arm and said!

David looked confused. He didn’t expect Ji Meiyuan to find this excuse!

“Nonsense, do you think I’m a fool? You’re obviously still a virgin, how could you possibly be husband and wife with him?”

the old man said angrily!

“We are husband and wife. If you don’t believe it, I will prove it to you...”

Ji Meiyuan said, pulling David up and leaving!

Walking directly to a room next to the main hall, Ji Meiyuan began to take off her clothes!

“Miss Ji, what are you doing?”

David was frightened by Ji Meiyuan!

“We must be husband and wife now, otherwise you will be kicked out.”

Ji Meiyuan said to David!

“Miss Ji, I can’t ruin your reputation for myself. I can’t do this.”

David turned around quickly!

“You are a grown man. Why are I not afraid of my mother-in-law? What are you afraid of?” “Don’t

worry, I know you have many women. Even if we sleep together, I don’t want you to be responsible.”

Ji Meiyuan Take off your clothes while talking!

Soon Ji Meiyuan appeared naked in front of David, and even stepped forward to hug David!

David is a normal man, who can bear this!

David gritted his teeth and directly pressed Ji Meiyuan under him!

There were waves of pleasant sounds in the room. The Taizu of the Ji family sat in the middle of the hall and sighed helplessly!

“Times have changed. How come today’s society has become like this? Girls don’t know how to cherish themselves.” “

They take this matter of men and women so lightly and don’t pay attention at all.”

“Sad, sad... ..”

The Taizu of the Ji family looked helpless, but there was nothing he could do. This is the development and changes of the times!

If women in their era were so frivolous and didn’t care about their bodies at all, they would be in a pig cage.

I don’t know how long it took, but David and Ji Meiyuan walked out of the room!

Ji Meiyuan’s face was red and her expression was very satisfied!

But David was a little embarrassed. After all, he played with his granddaughter in front of his great ancestor, which was a bit embarrassing!

“Taizu, can he stay in our Ji family’s ancestral land now?”

Ji Meiyuan asked!

“Hey, that’s all, that’s all, go in, go in...”

The old man had no choice but to wave his hand!

“Thank you Taizu, please open the passage to the ancestral land...”

Ji Meiyuan said happily when she heard Taizu agreed!

I saw Taizu say: “You two gather your minds, let go of the taboos in your body, and don’t think wildly!”

Taizu said, slowly holding up his hands, and streaks of blood-red light gathered in Taizu’s hands!

Immediately afterwards, an oval light door appeared at the rear of the hall.

“Go in...” Taizu said!

“Thank you!” After Ji Meiyuan said that, she pulled David and walked towards the light!

“Where does this light door lead to? Is it a space magic?”

David didn’t understand. Was the light door that suddenly appeared meant to send them away?

“Don’t worry, this is not a space spell, it just sends us to the ancestral land!” “

This hall is just the periphery of the ancestral land. The real ancestral land is in a huge formation. Otherwise, those who have no origin would have been there long ago. It will return to heaven and earth.”

“It’s just that after hundreds of years, this formation may have been damaged, so every time the ancestral land is opened, some of the ownerless origins will rush out of the ancestral land and then be absorbed by the world!” “During the day

! The original aura we felt rushed out from this ancestral land magic circle.”

Ji Meiyuan explained to David!

Chapter 3246

David understood, so he followed Ji Meiyuan into the light gate!

As the two people were wrapped in light, a vast aura filled the air, and the bodies of David and Ji Meiyuan disappeared!

“Hey...”

Taizu sighed again and closed his eyes again!

David and Ji Meiyang only felt a flash of white light, and then they appeared in a mountain forest!

This mountain forest is full of flowers and looks very beautiful!

However, David knew that this so-called ancestral land of the Ji family should be a world created by the ancestors of the Ji family using formations!

The purpose is to leave some resources to future generations so that the Ji family will not decline after hundreds of years!

“In our ancestral land of the Ji family, we have the most gold-type origins, because the ancestors of our Ji family were all enlightened metal-type sources.” “But there are also

other sources, which are just auxiliary sources. There are relatively few, only the metal-type sources. At most!”

“The origin of gold is a defensive origin. If you can understand the origin of gold, your body’s defense will be stronger.” “Unfortunately, I don’t have the origin space, and I haven’t comprehended the

origin yet, so I can only stay here. The ancestral land is looking for some other resources.”

Ji Meiyang said!

After all, perverted talents like David belong to a very small number of people. The Fusion Realm opens up the original space, and also comprehends several kinds of origins!

David felt the masterless origins around him, instinctively found a place to sit down cross-legged, and then began to plan to absorb and comprehend!

“What are you doing?”

Ji Meiyang asked!

“Of course it’s about comprehending the origin. Although there are many metal origins here, I haven’t comprehended the origin of the metal yet, and I

can't absorb and refine it. I need to comprehend it first..." David planned to comprehend the origin of the metal

. In this way, not only can you absorb the original aura of the owner here, but you can also have one more source of power!

When the time comes to realize the origin of the metal system, David's indestructible golden body will reach a higher level!

With an indestructible golden body and the blessing of the metal element, it will definitely be as solid as a rock.

"Like you, sitting on the ground and relying on meditation to gain enlightenment, who knows in which year and month you will be able to understand the origin of the metal system."

Ji Meiyuan said with a smile!

"What's going to happen?" David asked in surprise!

"In this ancestral land, there are origin phantom beasts. These origin phantom beasts are all born due to the strong aura of the unowned origin." "Especially, there are the

most gold-type phantom beasts. If you want to understand the gold-type origin, Then kill those golden fantasy beasts, those who can realize the origin the fastest."

Ji Meiyuan introduced!

David was stunned when he heard this. He didn't expect that there were original fantasy beasts in the Ji family's ancestral land, but in this case, it would indeed be much faster than forcibly comprehending it himself!

"Since you can understand the origin by killing the origin fantasy beast, why don't you kill it? Then you can also understand the origin."

David asked doubtfully!

Because none of the brothers and sisters of the Ji family seem to have realized the origin. If they can realize it by killing the origin fantasy beast, then they should all have realized the origin!

After listening to David's words, Ji Meiyuan couldn't help but rolled her eyes and said: "Your head, we haven't opened the origin space, so what's the use of killing more origin fantasy beasts?" After Ji Meiyuan said this, David suddenly realized

, He smiled awkwardly and said, "I'm sorry, I forgot about the original space..."

Only by opening the original space can we truly understand the power of the original source, but the original space is not that easy to open.

"Let's go, I'll take you to find those original fantasy beasts, but I can't help you kill them. After all, it's useless if I kill them,"

Ji Meiyuan said!

"I understand, thank you Miss Ji..."

David said gratefully!

When Ji Meiyuan heard this, she immediately became unhappy and looked at David angrily: "You just played with me, and now you are holding up your pants and denying it?"

Chapter 3247

This sentence made David look confused and asked, "What does Miss Ji mean by this?" "What do

you think? We both did it, and you still You call me Miss Ji and treat me like an outsider?"

Ji Meiyuan's face was filled with grievances and she was about to cry!

When David heard this, he understood instantly and said with embarrassment: "I...I didn't mean that, Meiyuan, I'm sorry..."

David could only follow Ji Meiyuan and apologize!

Hearing David call her name, Ji Meiyuan laughed: "I forgive you this time, come with me..."

Ji Meiyuan took David to a mountain col, and then said : “There are many origin fantasy beasts here, but when you kill the origin fantasy beasts, it is best not to use magic. It is best to kill those origin fantasy beasts with bare hands. Only in this way can you understand more quickly.” “If you use magic

. Magic or other magical weapons will weaken the original aura of the original phantom beast itself. Even if you kill the original phantom beast, the chance of enlightenment will be much smaller.”

Ji Meiyuan warned David.

“Meiyuan, I didn’t expect you to know so much!” David was very surprised that Ji Meiyuan would know this!

Ji Meiyuan’s face turned red and she said, “Father told us this, otherwise how would I know!” “

Hurry in, I’ll wait for you here, I hope you don’t make me wait too long... ..”

David nodded, and then walked into the mountain col!

Not long after he walked into the col, David heard the roars of monsters around him. He knew that these were the original fantasy beasts and not real monsters!

These origin fantasy beasts have no real body, so it will be very difficult to kill them!

Especially since you can’t use spells and weapons, this will probably be even more difficult!

But no matter how difficult it is, David will not back down. After finally entering the Ji family’s ancestral land, how can David back down!

Especially Ji Meiyuan, she even dedicated her body in order to stay in her ancestral land!

When David thought of Ji Meiyuan’s proactive look in the hall just now, his blood started to surge.

“What are you thinking about...”

David hurriedly slapped himself to wake him up and stop thinking nonsense!

Although the power of these origin fantasy beasts should not be very great, if you are careless, your life is still in danger!

David walked slowly towards the depths, and suddenly a black shadow rushed out from the forest on the side. David instinctively dodged and avoided the blow!

At this moment, an origin phantom beast was opening its huge mouth and looking at David eagerly!

The shape of this phantom beast is similar to that of a tiger, with red eyes and sharp fangs!

David waved his hand, and the Dragon-Slaying Sword appeared in his hand!

But soon, David remembered Ji Meiyuan's instructions, so he put the Dragon Slaying Sword back again!

Facing the phantom beast in front of him, he could only kill it with his bare hands and the raw power of his body!

The fantasy beast roared and suddenly rushed towards David!

David waved his fist and rushed forward!

The phantom beast's movements were very flexible, and its mouth was full of fangs, which made David very afraid!

One person and one beast were already fighting together!

It's like two ordinary people wrestling wildly!

Fortunately, David's physical body is also extremely strong, otherwise the wound would have been directly torn out by the claws of the phantom beast!

David's fist kept hitting the phantom beast's head.

I don't know how long it took, but the phantom beast howled and became silent. Then its body turned into its original form and wrapped up David!

As a golden source entered his body, David gasped for air and carefully felt the golden source. However, in his origin space, the stars of the golden source did not light up!
