Chapter 3248

David smiled bitterly and lamented that he was too impatient. If he could realize the origin by killing an origin fantasy beast, that would be too easy!

David continued to move deeper into the mountain col, hunting these phantom beasts. Even if David could not comprehend the origin of the metal element, he could still temper his physical body.

When David was hunting the original fantasy beast in the Ji family's ancestral land, the sky outside slowly lit up!

Ji Yun has already changed his clothes and plans to follow the crowd into the Ji family's ancestral land!

Before leaving, Ji Yun wanted to find David to talk to him, but found that David was not in the room at all!

"Miss Huofeng, where has Mr. Chen gone?"

Ji Yun asked Huofeng!

"I don't know. I'm looking for him too. The master disappeared early in the morning!"

Huo Feng had a bit of worry on his face!

"Why is it missing?" Ji Yun frowned slightly!

Normally, David would not leave without saying goodbye. Now that David has suddenly disappeared, he most likely sneaked into the ancestral land of the Ji family!

After all, David also wanted to enter the ancestral land of the Ji family. The source of helplessness was very attractive to David!

Thinking of this, he turned to Huofeng and said, “Miss Huofeng, don’t be anxious yet. Mr. Chen should have other things to talk to us about. He should be back after finishing his work.” “I want to.

” Let’s go gather, stay here and don’t run around...”

After Ji Yun comforted Huofeng, he hurriedly ran to the main hall of the Ji family!

At this moment, the Ji family’s main hall is already full of people, and there are dozens of younger disciples of the Ji family standing aside, all of whom are preparing to enter the Ji family’s ancestral land!

Ji Cheng had been waiting outside the door. When he saw Ji Yun coming, Ji Cheng personally brought Ji Yun in and then let him stand in the queue. No one doubted Ji Yun’s identity!

After settling Ji Yun, Ji Cheng stood outside the door again, with a look of anxiety on his face!

Soon, Ji Meiling hurried over and shook her head at Ji Cheng!

“Where did the eldest sister go? She dared to be absent on such an important day today. Does she think anyone can enter the ancestral land?”

Ji Cheng said anxiously!

“Brother, eldest sister was away last night and didn’t come back all night!”

Ji Meiling said in a low voice!

When Ji Cheng heard this, he immediately became angry: “I haven’t come back all night, why didn’t you tell me in advance? Where can I find it now?” Ji Cheng frowned and his face was ashen with anger. His

sister is really too naughty. !

Seeing Ji Cheng being angry, Ji Meiling was so frightened that she didn’t dare to speak!

“Okay, you go in, I’ll go and tell my father...”

Ji Cheng asked Ji Meiling to stand in the team, and then walked quickly towards Ji Lianjun who was sitting on the leader's seat!

Ji Cheng leaned over and whispered a few words in Ji Lianjun's ear, and Ji Lianjun's face instantly turned cold!

"This girl has gone too far. If I see her, I will deal with her according to my family's laws."

Ji Lianjun said angrily!

"Master, it's almost time. Can we leave?"

An elder looked at the time and said to Ji Lianjun!

Ji Lianjun nodded, looked at Ji Lianying not far away and asked, "Second brother, it's almost time. I think we should set off." "

Brother, wait a moment, I want to enter the ancestral land here. Before, take care of something."

Ji Lianying said!

"What are you dealing with?" Ji Lianjun asked in confusion!

"You'll know in a minute!" Ji Lianying smiled lightly and let it slip!

After a while, I saw a group of tall people walking into the Ji family hall!

Looking at the size of these people, Ji Lianjun immediately recognized them. They were people from the Juman Palace!

The first old man among them is Qin Hetian, the master of Juman Palace.

Chapter 3249

"Dad, why are the people from Juman Palace here?"

Ji Cheng asked with confusion on his face when he saw this!

“No need to ask, your second uncle must have found him, otherwise how could they get in here so easily.”

Ji Lianjun said coldly!

“Second uncle suddenly called for people from Juman Palace at this time. Is he planning to take action?” “Should

I arrange some help?”

Ji Cheng thought Ji Lianying suddenly called for people from Juman Palace. , I want to take action!

“Don’t move yet. Your second uncle won’t be stupid enough to take action on this day.”

Ji Lianjun knew that Ji Lianying was stupid and would not take action on such a day. Putting aside whether Ji Lianjun would agree or not, other members of the Ji family The department will definitely not agree!

It’s hard to wait until the Ji family’s ancestral land is opened. It’s very likely that these descendants of the collateral line will grow in strength by leaps and bounds because of this ancestral land!

They must not let this opportunity go to waste and let Ji Lianying take action at this time!

“Palace Master Qin...”

Seeing Qin Hetian, Ji Lianying hurriedly greeted him!

“Master Ji Er!” Qin Hetian raised his hand!

Behind Qin Hetian is Qin Jingyun. Qin Jingyun’s face is full of dissatisfaction at this moment!

When Ji Meiling in the team saw Qin Jingyun, she couldn’t help but see anger in her eyes!

Thinking of being taken advantage of by Qin Jingyun, Ji Meiling wanted to beat this guy to death!

“Palace Master Qin, I wonder what’s going on with your sudden visit to my Ji family?”

Ji Lianjun sat on his seat and did not get up!

Ji Lianjun would not be too polite to Qin Hetian. After all, he already knew that Ji Lianying was colluding with Juman Palace, so Ji Lianjun didn’t need to be polite!

When Qin Hetian saw Ji Lianjun’s attitude, he frowned and felt dissatisfied, but he still suppressed his anger and said: “Ji Family Master, I’m here to seek justice...” Qin Hetian said one word and let Ji

Lianjun Suddenly he was confused and said with a puzzled face: “Seeking justice? What kind of justice?”

“The people in your house beat my son and broke his arm. Do you think I should seek justice?” ?”

“We in Juman Palace have followed your Ji family without any grievances, and because of the teleportation array over the years, our two families have become somewhat friends.” “But my son was shopping in your Huanglan City, and was raped by your Ji family

. Injuring a family member is simply too much.”

Qin Hetian asked angrily!

“Oh? Is there such a thing?” Ji Lianjun frowned: “Who in our Ji family did it?” “It was

your two daughters, followed by a guy named David, they injured me .” Qin Jingyun stood up and said angrily!

Ji Lianjun was stunned. He didn’t expect that it would be David and his two daughters who did it!

But before Ji Lianjun could say anything, Ji Meiling, who was in the team, couldn’t stand it any longer and rushed out and said, “You fart and spit blood. You teased me first, and then Mr. Chen couldn’t stand it, so he did it.” “And at that time

. We were about to leave. You wanted to compete with Mr. Chen, but you were defeated with one punch and broke your arm. What does it have to do with us? It's because your skills are inferior to others. If I were you, I would just hit you to death. , How dare you come to our door!"

Ji Meiling yelled at Qin Jingyun, making Qin Jingyun's face turn red!

When Qin Hetian saw this, his expression turned cold and he said, "Master Ji, is this how you teach your daughter?"

"Meiling, please don't be rude..." Ji Lianjun scolded Ji Meiling, and then said: "Tell the story exactly as it is. You must not hide anything..."

Ji Meiling clicked He nodded and then told the story in detail. When he heard that Qin Jingyun dared to eat Ji Meiling's tofu after knowing that Ji Meiling was the eldest lady of the Ji family, Ji Cheng couldn't help it!

Chapter 3250

If you eat your sister's tofu, you are seeking death!

"What a good boy, you dare to bully even my sister, and you dare to come to your door. Are you bullying my Ji family?"

Ji Cheng roared, and then loudly said: "Ji family disciples obey orders..."

"In..."

In an instant, dozens of Ji family disciples came forward from all around the hall!

"Juman Palace bullies people too much. They guard the door and don't allow Juman Palace to leave alone. If Juman Palace doesn't give an explanation, then don't blame us for being rude!"

Ji Cheng's eyes were filled with murderous intent!

Soon, the door was blocked by the children of the Ji family, and Qin Jingyun's face became a little ugly!

Qin Hetian looked indifferent, and then glanced at Ji Lianying!

“Ji Cheng, what are you going to do? It’s not your turn for us elders to give orders now.” “Let’s

go. Don’t you know what day it is today? Do you want to see blood?”

Ji Lianying scolded angrily. He looked at Ji Cheng, and then waved his hands to let the children of the Ji family disperse!

But no one moved. These are the children of Ji Lianying’s lineage. There is no way they would listen to Ji Lianying’s words!

When Ji Lianying saw this, he frowned: “Brother...”

Ji Lianjun waved his hand slowly, and the Ji family disciples dispersed!

“Palace Master Qin, your son molested my daughter, do you think cutting off his arm is too much?”

“If I were there, I would kill him...”

Ji Lianjun said with a gloomy expression!

Anyone who dares to molest his own daughter is seeking death. Ji Lianjun loves his two daughters the most. Although his two daughters often get into trouble, and Ji Lianjun is right to yell at them in anger, he has never really punished them once!

If Qin Jingyun dared to tease Ji Meiling now, if Ji Lianjun were at the scene, he would beat Qin Jingyun to death without hesitation!

“Master Ji, are you threatening me?”

Qin Hetian’s eyes narrowed slightly, and the aura on his body began to slowly rise!

Ji Lianying on the side saw this and hurriedly said: “Brother, you can’t just rely on Meiling’s words. Why don’t you find David first and ask him if it is really David who broke Mr. Qin’s arm? He just needs to apologize.”

“He is not from our Ji family, so what if he is handed over to Palace Master Qin? We can’t delay the important events of our Ji family because of him.”

Ji Lianying was stunned after what he said. Arousing the approval of other branches of the Ji family!

None of them want to cause any fight on a day like today!

Besides, David has nothing to do with the Ji family. Even if David is handed over as a favor, what will happen?

“Master, I think what my second brother said is right. Just call David.” “

Yes, call David and let Juman Palace take him away. Don’t affect our important affairs.” “

This is all. Because what David did, don’t affect us!”

Everyone stood up and asked to call David!

When Ji Lianjun saw this, his expression was very ugly. He knew David’s strength and talent!

Besides, their old man was treated by David, and David did it for his own daughter!

If David is handed over, Ji Lianjun simply can’t do it!

But if David is not called, it is obvious that the rest of the Ji family will not agree!

At this time, if Ji Lianying is allowed to gain the upper hand and other branches of the Ji family support Ji Lianying, the subsequent battle will be fierce!

After much hesitation, Ji Lianjun still said to Ji Cheng, “Go and invite Mr. Chen.” “

Dad...” Ji Cheng didn’t want to call David over. If David really came, the giant Gong will definitely take David away!

Although Juman Palace does not dare to do anything to their Ji family, but David is not a Ji family member, Juman Palace will not be afraid!

“Go...”

Ji Lianjun waved his hand!

Ji Cheng had no choice but to call David!
