Chapter 2340

Just then, a slender old man stood forward.

"Thompsons, let us Hiltons see what you are capable of!"

He was the leader of the Hiltons' second bloodline, Bobby Hiltons; along with him were five of the Hiltons' elders, who stopped the Thompsons in time.

To eliminate Leon and avoid all possible failures, Devon called his younger brother along with the five elders of his family over, leaving only his son, Sebastian, behind to hold down the fort.

This was precisely the moment for the Hiltons' elders to shine.

"Get out of our way. If you refuse to see reason and insist on helping the Southern Boss in his evil course, we won't show you any mercy!" The Great Elder of the Thompsons scoffed and signaled the others to line up before the Hiltons.

"As if you can stop us! What a joke! Elder, know your place. I advise that you give up and surrender! That way, the Southern Boss and the Hiltons might just spare your lives!" Bobby sneered.

He knew that the Thompsons were powerful and that all four Thompsons' elders reached the Intermediate Almighty State.

However, as one of the most influential families in the southern region, the Hiltons were no weaklings either.

Bobby and the five Hiltons' elders were all in the Initial

Almighty State and were not far from reaching the Intermediate Almighty State; since they outnumbered the Thompsons by two, Bobby was not at all concerned.

"Very well, Bobby Hilton, you asked for this! Let's see who wins in the end!" The Great Elder laughed angrily, before launching an attack along with the other three elders of the Thompsons.

A heated battle broke out and as Bobby predicted, the Hiltons soon had the upper hand due to the advantage of number, but the Thompsons were far too formidable for the Hiltons to defeat them immediately. However, Bobby knew that the Hiltons would

eventually win as time passed.

"Do it! Eliminate the Thompsons!" Seeing as the Southern Boss and Devon joined in the battle, Rodney and Joel took it as a sign and ordered the other members of their families to attack.

Following their command, the Spears and the Hiltons charged toward the Thompsons.

"Uncle John, you should stay here with Mister Wolfs subordinates to keep Yuri and the girls safe. I shall meet them in battle!"

Angus said to John.

John already reached the Almighty State and both Henry and Chandler were in the same state as well. For safekeeping, Angus left three martial artists in the Almighty State to protect Yuri, Iris, and the others, while he and August led the Thompsons to fight the Hiltons and Spears. It was a battle royal!
