An understated Dominance – Dahlia and Dustin Chapter 1444

“At such a young age, he really don’t know the heights of the world.”

Liam Bryant shook his head: “Make it clear, this is not the Southern Province, but Stonia, where the dragon is hiding and the tiger is crouching. Your little three-legged cat kung fu can’t make any big waves here.”

“Master Liam, hurry up if you want to fight, I’m in a hurry.”

While Dustin was speaking, he even yawned, as if he hadn’t woken up.

Recently, he was busy rebuilding Healwell clinic, teaching people how to make Jade Dew Ointment, and investigating the whereabouts of Golden Marrow Jade and Ice Heart lotus.

Back and forth, my legs were almost broken.

If it wasn’t for the Bryant family’s value, he wouldn’t be bothered to waste time here.

“Boy! You are so presumptuous!”

Dustin’s lazy behavior instantly angered many Bryant family children.

They have seen a lot of arrogant people, but they have never seen a guy like Dustin who completely ignores the Bryant family.

It’s just life and death!

“Surnamed Rhys! Don’t be too arrogant. When my third brother arrives, you will cry!” Ian Bryant said with a sullen face.

“What? No one has arrived yet?”

Dustin frowned slightly, and complained: “Then why did you call me here? Are you drinking tea and chatting? Do you know that time is money? I’m very busy!”

As soon as these words came out, the crowd was instantly excited.

“Damn! This kid is so crazy, he doesn’t take our Bryant family seriously!”

“It’s too much to bully others! It’s really too much to bully others!”

“Fuck! If I hadn’t injured my leg yesterday, I would have killed him today!”

“...”

The disciples of the Bryant family were filled with righteous indignation and were all enraged.

Even Liam Bryant, who is quite deep in the city, couldn’t help frowning.

Is this kid trying to provoke people on purpose? Or are you really arrogant and ignorant?

“Uncle Liam! I can’t take it anymore, I want to tear his mouth apart!”

At this time, a tall, round-waisted man suddenly stood up.

The man was covered in flesh, with a fierce face, and his body was a bit bigger than Ian Bryant. At first glance, he looked like a mountain of flesh.

This person’s name is Connor Bryant, a branch of the Bryant family, but because of his outstanding martial arts talent, he was selected as a core disciple by the Bryant family and focused on training.

“Fat man, can you do it? Don’t lose and embarrass the Bryant family.” Dustin said coldly.

“Uncle Liam! This kid shit and pissed on our heads. If we don’t teach him a good lesson, how can our Bryant family children have any face in the future?” Connor Bryant was furious.

“Okay! It’s up to you to take the lead and strip this kid’s teeth first!” Liam Bryant finally couldn’t bear it anymore.

“no problem!”

Connor Bryant laughed evilly, slapped the table into pieces, and then strode towards Dustin.

Those ferocious eyes seemed to want to eat people.

“Fifth uncle, this guy Dustin is very strong. Is Connor Bryant sure of winning?” Ian Bryant asked tentatively.

“Don’t worry, although Connor Bryant is not as good as Grandson, he is the strongest among you, and with his innate supernatural power, it will not be a problem to take down this kid.” Liam Bryant is very confident.

“That’s right! Brother Connor’s horizontal martial art has reached its peak. Ordinary innate masters can’t break through the defense. That kid can only be abused!”

“I heard that Brother Connor can tear buffalo apart with his own hands. I can’t wait to see that kid being torn to pieces!”

The disciples of the Bryant family had bright eyes, their faces full of excitement and anticipation.

Connor Bryant was born with supernatural power and was a master of horizontal training. Among the many young disciples of the Bryant family, his strength ranked among the top three.

It would be easy to deal with a skinny boy.

“Look! Brother Connor is taking action!”

Under the attention of everyone, Connor Bryant roared forward like a tank.

His arms were like two big hammers, hitting Dustin’s head hard.

If it hits hard this time, not to mention a human being, even an elephant will be killed on the spot!

Just when everyone thought Dustin would definitely die.

Hearing the sound of “dong”, Connor Bryant, who had just rushed forward, seemed to be hit by a train, and instantly bounced more than ten meters away.

Then he slammed into the wall heavily, spraying blood from his mouth and nose, and passed out on the spot.

For a moment, the whole place was silent.
