An understated Dominance – Dahlia and Dustin Chapter 1454

Chapter 1454

Even the aftermath of the battle made it difficult for them to look.

Is it over?

Who can block such a terrifying punch?

The moment the explosion just broke out, they really saw that Oscar Bryant's punch had already hit Dustin.

Even a man of iron should melt under the power of a half-step master, right?

When the dust settles.

Everyone immediately stared at the battle site.

However, the scene in front of them made them stand there in a daze, their faces full of shock.

At this moment, in the middle of the field.

Dustin stood motionless, without dodge or defense, just stood there quietly, letting Oscar Bryant's fist hit his chest.

His feet seemed to be firmly rooted, and he did not take a step back.

Only the ground under his feet was sunken a few inches, and the surrounding area was densely cracked.

“How...how is it possible?”

Seeing Dustin who was unharmed, everyone was stunned with disbelief on their faces.

Oscar Bryant's all-out trick was actually blocked?

Moreover, he still resisted with his body.

What the hell kind of monster is this? !

“Oh my God! Is this guy made of copper poured into iron?”

Isla Bryant’s eyes widened, she couldn’t believe the scene in front of her.

Oscar Bryant is a half-step master-level expert who can easily break gold and stone with one punch.

However, such a mighty punch hit Dustin without any injuries, which is really incredible.

“Who is this kid?” Liam Bryant was surprised and confused.

I thought that Oscar Bryant could easily win with a shot, but now it seems that this is not the case.

“Um?”

Thomas Bryant frowned. Although he said nothing, the shock in his eyes could not be concealed.

Being able to withstand a punch from a half-step master, this kid’s defensive power is simply exaggerated and terrifying!

“interesting.”

Duke touched his beard and looked at Dustin, his eyes were obviously different.

“...”

At this moment, Oscar Bryant was stunned.

The fist was still imprinted on Dustin’s chest, and he kept attacking.

He never dreamed that it would be such a result.

He didn’t hold back the punch just now, intending to decide the outcome with one move.

However, when the punch hit Dustin, he was horrified to find that his fist strength was like a mud cow entering the sea, without causing any fluctuations.

When this happens, there is only one possibility, and that is that the opponent's strength must be far superior to him!

He has even reached the level of a master!

“Have you finished the fight? Now, it's my turn to take action.”

Dustin smiled slightly and covered Oscar Bryant's chest with a light palm.

This palm seems to have no power.

However, at the moment of contact, Oscar Bryant felt as if he had been hit by a train. With a “bang”, he was directly launched more than ten meters away, and then fell heavily to the ground.

He passed out on the spot.

Seeing this scene, the whole place was silent.

The Bryant family disciples who were full of confidence before were completely dumbfounded. They were all dumbfounded and full of disbelief.

The most dignified genius of the Bryant family, a half-step master-level expert, was defeated like this?

And he was defeated by Dustin with one move, easily crushed.

Is it too exaggerated?
