### An understated Dominance – Dahlia and Dustin Chapter 1534

Even though she knew that the person in front of her was going to harm her, she didn't dare to show any signs of it.

"What's the overall situation?"

Mark Montgomery said with disdain in his eyes: "As a woman, do you know what the overall situation is? In Montgomery Palace, except for my foster father, I have the final say on everything. This is the overall situation!"

"Brother Mark may have power, but he can't act recklessly. In the Montgomery Palace, the father is the master after all." Dahlia did not back down.

"Hehe... good, good!"

Mark Montgomery suddenly smiled, but his eyes were cold: "Sister, you are indeed a wonderful person. This should be the reason why your adoptive father values you, right? But unfortunately, people like you often don't live long. You Take care of yourself."

With that said, he patted Dahlia on the shoulder, turned and left.

A helpless woman who dares to fight with him is really asking for her own death!

"Miss Nicolson, you just spoke for us, probably because you have annoyed Mark Montgomery. You will probably be even more danger in the days to come," Dustin reminded.

"Even if I don't do anything, he won't let me go easily." Dahlia was very sensible.

She could see that Mark Montgomery was a very ambitious person.

As soon as she entered Montgomery Palace, she was favored by her adoptive father, which would definitely arouse dissatisfaction.

Perhaps her existence threatened Mark Montgomery's status, so the other party regarded her as a thorn in his side and planned to get rid of her quickly.

"No matter what, you must be careful." Dustin warned.

"I will."

Dahlia nodded: "Mr. Dustin, it's not suitable to stay here for a long time. I think Mark Montgomery will take the opportunity to make trouble. Why don't I send you out first?"

Dustin nodded, but did not refuse.

"It's no big deal."

Dahlia smiled lightly, then led Dustin and Abigail out of Montgomery Palace safely.

Along the way, there were many eyeliners watching, but because of their scruples, they did not act rashly.

"Miss Nicolson, send it here."

After going out, Dustin clasped his fists in thanks.

"Okay, we'll meet later."

Dahlia nodded slightly, then watched Dustin and the two get into the car and leave.

She had a strange feeling that this young man named Dustin seemed to have known her before.

At this moment, on the moving car.

Dustin and Abigail took off the human skin masks one after another, revealing their original faces.

"Uncle, I've got the golden marrow jade, why do you still look a little depressed?" Abigail was a little surprised.

"It's nothing, I was just thinking about something." Dustin forced a smile.

“Uncle, you are not worried about Miss Nicolson’s safety, are you? Could it be...do you like her?” Abigail was keenly aware of the strangeness.

“A previous acquaintance had a fate.” Dustin explained.

“Oh~ I understand!”

Abigail smiled suddenly: “Miss Nicolson is in danger, so you are worried about her, but you have a fiancée, so you don’t know why you are helping, right?”

“You little girl, looks like you have seen lot of movies.” Dustin had a strange expression on his face.

He was indeed a little entangled. On the one hand, he was worried about Dahlia’s safety, but on the other hand, he did not want to get too entangled.

“Uncle, you don’t have to worry about anything, leave this matter to me, and I will send someone to secretly protect Miss Nicolson, so that you can rest easy!” Abigail volunteered.

“It sounds pretty good.” Dustin nodded: “Okay, I’ll leave this matter to you.”

With experts from the mystical order taking action to protect Dahlia’s safety, it shouldn’t be a problem.

“Hey! Don’t get too excited, protector, I have to charge, but for the sake of our friendship, I can give you a 20% discount.” Abigail raised her eyebrows and compared 80% gesture.

Dustin’s mouth twitched and he was speechless for a moment.

This girl is really a money addict.

Never forget to make money at any time, I really admire it.
