Chapter 3301

Seeing Cai Hongwei running away, everyone else also turned around and ran away!

“Miao Lao, I’ll stay here to delay, you’d better leave quickly...”

David said to Miao Lao!

“You?” Mr. Miao looked at David. “With your strength, I’m afraid you will be eaten by the silver red tiger in one bite. Don’t stay and die in vain.” “Don’t worry, Mr. Miao.

Since I dare to stay, then There must be a way...”

After David finished speaking, he waved his hand, and a dragon’s breath shot out from his body, and then exploded in mid-air!

This dragon’s breath directly formed a barrier, blocking the silver red tiger!

Feeling the dragon’s breath, even Yin Chihu, who had lost his mind, was so frightened that he took a few steps back! When

everyone saw this scene, they all looked at David in disbelief!

“Little brother, your aura is very special. It was able to scare away the irrational Yin Chihu.”

Mr. Miao said with a look of disbelief on his face!

“Miao Lao, this is just a small trick. I added the smell of fear of monsters into this breath, so I can scare away these silver-red tigers.” “But they won’t last long, so you’d better hurry up first

. Run away quickly and wait until you are out of the poison tent.”

David said to Mr. Miao!

Seeing this, Mr. Miao nodded, and then said, "Everyone, let's go first and leave this poisonous tent!"

With Mr. Miao taking the lead, others followed Mr. Miao and fled for their lives!

"You two should follow, and I will catch up with you later."

David asked Ji Yun and Huo Feng to escape with Miao Lao and the others!

Ji Yun and Huo Feng wanted to say something, but seeing David like that, they could only nod their heads and follow Miao Lao and the others!

At this moment, David was left alone to face dozens of silver red tigers!

The reason why David asked others to escape was because he didn't want to expose his identity in front of everyone!

David deliberately changed the dragon's breath just now, so he was not recognized. Come!

However, the dragon is the master of all beasts. Even if the silver red tiger was poisoned and lost his mind, he could still feel the oppression of the dragon's breath, so he retreated!

There is another reason, that is, David feels that there is something wrong with the poison tent. This poison tent is not naturally formed, but was refined by someone!

And the poison tent suddenly appeared here. Someone should have done it deliberately, but David didn't know exactly who it was!

At this moment, the dragon's breath was slowly weakening, and those silver red tigers began to attack crazily, and the barrier they bombarded continued to tremble!

Seeing that the barrier was about to be blown away, David didn't feel nervous at all!

David was seen muttering something in his mouth, the Heart-Cleaning Mantra sounded melodiously, and then penetrated into the bodies of those silver-red tigers through his ears!

In a moment, the originally manic Silver Scarlet Tigers slowly calmed down, and their scarlet eyes began to lose their red color!

David continued to recite the Purifying Mantra, and finally the eyes of those silver red tigers suddenly became clear!

“What...what’s going on?”

King Tiger looked around, and then spoke with a surprised look on his face!

The other Silver Red Tigers are also in a state of confusion. They don’t know why they are here at this moment!

“You were hit by a poison tent, which caused you to lose consciousness and attack our group.”

David said slowly!

“We attacked you?” The Tiger King was a little incredulous. “We have always lived deep in the mountains and forests and have never fought with human monks. How could we attack you?” “Didn’t I just say that you were poisoned by the poison tent

? I’m unconscious.”

“It’s just that I don’t know where these poison tents come from.”

David said truthfully!

“It must be the fault of those greedy guys. Since they arrived, we have given up a lot of space. I didn’t expect these guys to use the poison tent to confuse our minds and let us attack the human monks.” The Tiger King seemed to think of something,

so Said angrily!

Chapter 3302

“Who are those guys?”

David asked in confusion!

“They are a group of demon cultivators. These guys have been in the Chilian Mountains for many years, but they have never made a move against us, so I ignored them.” “After all,

the Chilian Mountains are vast and there are many more of them . The demon cultivator is fine, but we didn’t expect these guys to refine the poison tent and confuse our minds.” The

Tiger King said angrily!

“There are actually demonic cultivators in this mountain range. It seems that these demonic cultivators are really pervasive.” David sighed with emotion. As long as it is a slightly remote place, there will be demonic cultivators appearing!

“Little brother, thank you for helping us, otherwise we would have formed a deep hatred with the human monks. I am going to go find those guys to settle the score.” After the

Tiger King finished speaking, he wanted to leave with the tiger group!

“Wait a minute!” David called out to the tiger king, and then said, “You have lived in the Chilian Mountains for a long time. I wonder if you have ever seen spiritual stones or fairy grass trees with fairy energy.” Hearing David mention

it Immortal energy, the Tiger King became obviously cautious, and then shook his head and said, “I have never seen it, and I advise you not to listen to the rumors. There is no immortal energy in the Chilian Mountains.” After the Tiger King finished speaking, he left with his men

!

Watching the Tiger King leave, David always felt that the Tiger King must be hiding it from him on purpose. It must know the existence of immortal energy, but it just doesn’t want to tell him!

After Yin Chihu left, David felt like he was chasing Miao Lao and the others in the direction they fled!

If there are demonic cultivators in this mountain range, it would be dangerous. After all, monsters are easy to deal with, but those demonic cultivators are not easy to deal with!

When David caught up with Mr. Miao and the others, everyone looked very surprised!

“Little brother, are you okay?”

Mr. Miao asked with concern when he saw David!

“It’s okay.” David smiled lightly!

“Where are those silver-red tigers?” Pharmacist Chen came over and looked back worriedly, and found that there was no silver-red tiger following David!

“Don’t worry, everyone, the Silver Red Tiger has left. TheyIt was also under the influence of the poison tent that they attacked us, but now they are fine. “

David said!

When everyone heard this, they immediately breathed a sigh of relief. If the Silver Red Tiger was chasing after them, they might not be able to escape from the Chilian Mountains! “Thanks to my

little brother for today, otherwise the rest of us Everyone has to answer here. “

Miao Lao said very gratefully!

Other monks also stepped forward to thank David. At this time, no one dared to underestimate David!

“Miao Lao, since we are in a team, we should help each other. David smiled slightly, then looked around and found that Cai Hongwei and his daughter were not there, so he asked, “Mr. Miao, where are Boss Cai and his daughter?” “

I don’t know. They left first and we didn’t catch up with them. Maybe they escaped in different directions.” “

Miao Lao said!

When David heard this, he couldn’t help but frown. Thinking of the existence of demon cultivators in this mountain range, and thinking that Sikong Zhen didn’t take his own elixir, but was not affected by the poison tent, David I had a bad premonition in my heart!

“It’s broken...” David frowned and said!

“What’s wrong? “Miao Lao asked in confusion!

“There are demon cultivators in the Chilian Mountains. The poisonous tent just now was not formed naturally, but was refined by someone. Those people also know our location, so the poisonous tent was hidden quietly. The sound filled the air. “

David said!

“What? Were those poison tents deliberately made by someone? The path we are taking has been chosen by Boss Cai over the years. It is not only hidden but also safe. How could it suddenly become known to others? “

Miao Lao was a little incredulous. The reason why they followed Cai Hongwei to the Southern Territory was because Cai Hongwei was very familiar with this road and they had always been in peace. Why did something suddenly go wrong? “I don’t dare to act rashly now

. Conclusion, I think someone in our team must have secretly exposed our location. Now you guys rest here while I go find Boss Cai and his daughter. “

David asked Mr. Miao to take everyone to rest, while he went to find Cai Hongwei and his daughter!

Chapter 3303

In the dense forest of the mountains on the other side, Sikong Zhen was still running with Cai Hongwei on his back, while Cai Qiannan looked around vigilantly to prevent any monsters from appearing!

“Xiao Zhen, where are you taking me?”

Cai Hongwei looked around and asked with confusion!

“Uncle Cai, just come with me. I also know a safe way.”

Sikong Zhen explained!

“You also know the way? You seem to have never been to the Southern Region, right?” Cai Hongwei looked at Sikong Zhen doubtfully and asked!

“I heard it from my friends. Anyway, now that we have escaped, it shouldn’t take long to escape from the Chilian Mountains.”

Sikong Zhen held Cai Hongwei and said as he walked!

When Cai Hongwei saw this, he didn’t say anything anymore, but his face looked a little unsightly and he kept looking around!

Cai Qiannan, on the other hand, followed behind cautiously!

At this moment, not far in front of Cai Hongwei and the others, a group of people was waiting quietly!

One of the old men in black robes had a ferocious look in his eyes!

“Elder Fei, I really didn’t expect that after so many years, you and the palace master are still alive and living at the headquarters of the Demon-Sealing Alliance.” “

Ever since our Soulless Palace was besieged by many monks from the Demon-Sealing Alliance, I took a dozen people with me I fled to the Chilian Mountains and lived an elusive life.”

“I still thought that one day I would avenge our Soulless Palace, but I didn’t want you all to be alive.”

Next to the old man, a man with a scar on his face said!

“Guardian Gong, after so many years, the palace master and I are very pleased that you have such a heart. At that time, we also thought that if we fell into the hands of the Demon-Sealing Alliance, we would definitely die, but we didn’t expect that the Demon-Sealing Alliance didn’t want to kill anyone. Instead, they locked us up.”

“There are many demon cultivators who are supported in the Demon-Sealing Alliance and work for the Demon-Sealing Alliance.”

“This time I came here, I was sent by the Demon Sealing Alliance to hunt down a guy named David, otherwise I wouldn’t have met you.”

Elder Fei said to the scarred man!

“Who would have thought that the Demon-Sealing Alliance, which is most hostile to our demon clan, has been cooperating with our demon clan secretly. It’s really ironic.” Protector Gong sighed!

“As long as you know about this, you must not say it casually.”

Elder Fei said coldly!

“Don’t worry, Elder Fei, I won’t talk nonsense.” Protector Gong quickly assured!

“What are you waiting for when you brought me here?” Elder Fei asked.

“Elder Fei doesn’t know. In the Chilian Mountains, monks often pass by to go to the southern region. This time, the news of the discovery of the battlefield between gods and demons in the Tianmo Mountain spread throughout the heaven and human world. Even more people passed by the Chilian Mountains.”

“We can sneak attack these people in the Chilian Mountains and get some resources, and what we are waiting for this time is a guy who has been traveling in the Southern Region all year round. He knows many treasure places. I heard that in the Chilian Mountains, there are all There is a treasure he has hidden.”

Protector Gong explained!

“How do you know they must have passed by here?” Elder Fei asked in confusion.

“Of course I know. I have already placed people in their team, and used poison tents to force these people to flee for their lives.” “As long as we

catch Cai Hongwei later, we can let him take us to find him. The location of the treasure.”

Protector Gong said very proudly!

“I see. It seems that you have grown a lot over the years. When our Soulless Palace recovers, I will report it to the Palace Master and recommend you to

be promoted to elder.” Elder Fei patted Protector Gong on the shoulder and said!

“Thank you, Elder Fei...” Protector Gong looked excited!

While they were waiting, Sikong Zhen and Cai Hongwei and his daughter were getting closer and closer!

Cai Hongwei looked around, his expression becoming more and more solemn!

Chapter 3304

“Xiao Zhen, let’s take a rest...”

Cai Hongwei broke away from Sikong Zhen and then found a place to sit down!

Seeing this, Sikong Zhen hurriedly said, “Uncle Cai, we are about to go out in front, and it is not safe here. Let’s go to the front and rest.”

With that, Sikong Zhen was about to help Cai Hongwei up!

But Cai Hongwei waved his hand and didn’t get up at all!

“Qiannan, please advise Uncle Cai, it’s too dangerous to rest here.” Seeing this, Sikong Zhen could only say to Cai Qiannan!

“Dad, how about we go to the front and rest?”

Cai Qiannan said to Cai Hongwei!

Cai Hongwei still shook his head, and then said, “I’m afraid we won’t be able to rest when we get to the front.” “

Why?” Cai Qiannan looked puzzled!

“I have walked through the Chilian Mountains countless times. It is impossible to get out of the Chilian Mountains from here.”

After speaking, Cai Hongwei looked at Sikong Zhen with cold eyes and said, "Xiao Zhen, please explain Why did you bring us here?"

Sikong Zhen's body trembled and he quickly explained, "Uncle Cai, it's impossible, right? I also heard what my friends said, so I chose this path. Did I choose the wrong one?" Sikong Zhen said

. Zhen pretended to be looking around!

"Dad, are we going the wrong way?" Cai Qiannan became a little nervous!

"Qiannan, Uncle Cai, don't worry, I'll go ahead and explore the road to see if I'm really going the wrong way."

After saying that, Sikong Zhen walked forward!

After Sikong Zhen left, Cai Hongwei hurriedly said to Cai Qiannan, "Xiao Nan, you follow Sikong Zhen secretly. Don't be discovered. Let's see what's going on."

Cai Qiannan nodded, and then secretly followed Sikong Zhen!

Soon, Cai Qiannan discovered that Sikong Zhen was walking forward and then came to a group of people!

Because the distance was too far, she didn't hear what was said, but it was obvious that Sikong Zhen was following this I know these people!

Seeing this, Cai Qiannan quickly told Cai Hongwei what she saw!

"It seems there is something wrong with this guy. Let's leave quickly..."

Cai Hongwei stood up and prepared to leave with Cai Qiannan!

But as soon as he got up, he saw that Sikong Zhen was back!

"Uncle Cai, there is a resting place not far ahead, and we have to leave this mountain range. We are not going wrong..."

Sikong Zhen didn't know that Cai Qiannan was following him, so he lied!

Seeing Sikong Zhen lying, Cai Hongwei made his thoughts clearer!

“Xiao Zhen, you don’t have to lie to me. Who did you see in front just now?”

Cai Hongwei asked bluntly!

“No, I didn’t see anyone?” Sikong Zhen was still quibbling!

“You fart, I just saw it.” Cai Qiannan glared at Sikong Zhen!

Upon hearing this, Sikong Zhen knew that he had been discovered, and his body began to retreat quietly!

Cai Hongwei suddenly stretched out his hand, and the air in front of him trembled, grabbing Sikong Zhen with one hand. “You still want to run away?”

Sikong Zhen turned pale in shock, turned around and ran away!

Cai Hongwei’s grasp was empty, but dozens of trees turned into powder under this grasp!

Sikong Zhen ran as hard as he could. Seeing this, Cai Hongwei wanted to take action again, but a mouthful of blood spurted out!

I was injured just now, but now I have moved and the injury is affected!

When Sikong Zhen saw Cai Hongwei spurring out a mouthful of blood, he immediately relaxed and stopped running away!

“Uncle Cai, since you have seen it, I won’t hide it from you. In fact, Protector Gong is waiting for you in front. As long as you are willing to cooperate with us and tell us the treasure you know, I guarantee that nothing will happen to you. Yes.”

Sikong Zhen said proudly!

“The Protector Gong you are talking about is the demon cultivator entrenched in the Chilian Mountains?”

Cai Hongwei asked!
