Chapter 3305

“Yes, they are demonic cultivators, but demonic cultivators will also abide by their agreement. As long as you are willing to cooperate, nothing will happen.”

Sikong Zhen said boldly!

“Bah, I will never cooperate with a demon cultivator.”

Cai Hongwei spat, and then shot at Sikong Zhen again! Although

Cai Hongwei was injured, his shot this time was thunderous.

“Don’t think that I can’t kill you little bastard just because I’m injured. I want to clean up the Sikong family.”

Cai Hongwei was filled with anger, and then he rushed straight towards Sikong Zhen with a sharp breath!

Sikong Zhen retreated continuously and rolled his body on the ground three times before he could barely avoid Cai Hongwei’s blow!

“Guardian Gong, if you don’t show up, I will die...”

Sikong Zhen shouted with panic on his face!

Along with Sikong Zhen’s roar, Protector Gong led the people out. Next to Protector Gong was Elder Fei in black robes!

Seeing the sudden appearance of everyone, Cai Hongwei instinctively stepped back.

“Guardian Gong, Cai Hongwei is injured and is already a turtle in the urn. There is no need to be afraid of him.”

Sikong Zhen got up and walked to Guardian Gong and said!

“Sikong Zhen, you beast...” Cai Qiannan shouted with anger, her face flushed!

“Qiannan, as long as you are obedient, Protector Gong will not harm you.”

Sikong Zhen said to Cai Qiannan proudly!

“Bah...” Cai Qiannan spat hard!

“Boss Cai, we meet again...” Protector Gong looked at Cai Hongwei with a sneer!

Cai Hongwei looked at Protector Gong with a cautious face and said in a gloomy voice, “You demon cultivators dare to show up in public. Aren’t you afraid of being discovered and wiped out directly?” “Hahaha, in this Chilian Mountain Range,

I Let’s see who can wipe us out. This area is my territory now. If you want to pass by here, don’t leave anything behind. How is it possible...”

After Protector Gong finished speaking, he waved his hands, and the two demon cultivators immediately attacked Cai Hongwei!

The aura in Cai Hongwei’s body continued to surge, and it was difficult for him to control the aura in his body when he was injured!

But in the face of the attack Of the two demon cultivators, Cai Hongwei gritted his teeth and said, “How dare you show off in front of me, a little demon cultivator...”

After that, Cai Hongwei grabbed the void, and then the void shook, and there was an extra handful in Cai Hongwei’s hand. The crimson sword!

Immediately after the sword swept across, the sword light shot out in an instant, lighting up half of the sky as bright as day!

This sword directly killed the two demon cultivators on the spot, without any trace of a trace. There is no room for resistance!

However, after this sword strike, Cai Hongwei’s face became even more ugly, and blood spurted out again!

“Dad...” Cai Qiannan stepped forward to help Cai Hongwei with concern!

“Xiaonan, hurry up, hurry up. Leave here and don’t stay...”

Cai Hongwei said to Cai Qiannan!

“Dad, I won’t leave...” Cai Qiannan shook her head, tears streaming from her eyes!

“You go quickly, while I can still help you resist. “

Cai Hongwei gave Cai Qiannan a hard push!

“Leave? It’s such a beautiful idea, none of you can escape. “

Sikong Zhen said with a ferocious smile on his face!

“Beast, even if I die today, I will kill you...”

Cai Hongwei was furious and instantly activated all the breath in his body.

All the breath was continuously poured into the red gun in Cai Hongwei’s hand. In the sword!

The light of the sword is getting stronger and stronger, and the terrifying aura spreads around!

“This Cai Hongwei is really a living treasure. The sword in his hand is definitely not a mortal thing. It seems that I really have foresight.” “

Protector Gong’s eyes were full of greed, and then he waved his palms gently, and a mist directly surrounded Cai Hongwei and his daughter!

Chapter 3306

“Poison tent?” Cai Hongwei was stunned for a moment, then looked at Protector Gong in disbelief, and said with a trembling voice, “This poison tent was actually made by you?” “Hahaha, you just knew that

this Chilian Mountain Range There is no poisonous tent in it, I have made it all just to make you monks kill each other so that I can reap the benefits.”

Protector Gong

laughed loudly!

“Guardian Gong, they both took the detoxification pill, so this poison tent is probably useless to them.”

After Sikong Zhen finished speaking, he took out the detoxification pill refined by David from his body and handed it to Guardian Gong!

The reason why Sikong Zhen didn't take the elixir refined by David was because he didn't need to take it at all. He had already taken the detoxification pill given by Protector Gong and would not be affected by the poison tent at all, so there was no need to take the detoxification pill refined by David. Damn it!

Protector Gong took the detoxification pill. After looking at it carefully twice, he said with a bit of surprise in his eyes, “Who refined this pill? I didn't expect that there would be such a high-level pharmacist in the team this time.”

“It was made by a guy named David. This guy's alchemy skills are really good.”

Sikong Zhen said!

“David?” Elder Fei on the side was stunned when he heard the name, and then grabbed Sikong Zhen's collar. “Is the David you are talking about in his twenties?” Sikong Zhen did not know Elder Fei

. Seeing Elder Fei grabbing his collar, showing no courtesy at all, he immediately said in annoyance, “Who are you? Get away from me. Why should I tell you?” “

Sikong Zhen, this is Elder Fei from our Soulless Palace. , whatever he asks you, you must answer.”

Protector Gong said!

When Sikong Zhen heard that he was an elder, he quickly changed his attitude and said, “Yes, David looks to be in his twenties. He is accompanied by a man and a woman, and the woman is the mythical beast Phoenix.”
“That's him, take me now

. Go find him..." Elder Fei now has an order from the Demon Sealing Alliance, so David must be dealt with as soon as possible!

"They might have died a long time ago. When I ran over, those people were surrounded by the silver red tiger. He must be dead now. "

Sikong Zhen said!

"I don't care if he is dead or not, even if he is dead, I still want to see the body. "

Elder Fei must bring David's body back to life!

"Okay, I'll take you to find it..." Sikong Zhen planned to take Elder Fei back to look for it!

But as soon as he finished speaking, he found a gust of wind coming, and the surrounding area The poison tent was blown away in an instant, and then a figure slowly walked over!

"No need to look for it, I came here myself..."

David slowly walked to Cai Hongwei's side!

"Are you not dead? "Sikong Zhen's face was full of surprise!

Even Cai Qiannan and Cai Hongwei were surprised!

"Little brother, you are okay, what about Mr. Miao and the others? "

Cai Hongwei asked with some shame!

After all, they ran away first and left the others behind, which made Cai Hongwei very ashamed.

"Everything is fine, okay. I just came here to find you. I knew this guy didn't have good intentions. I'm afraid you will suffer a loss. "

David followed Cai Hongwei and said!

"Hey, I am blind..." Cai Hongwei sighed!

"Boy, are you David? Elder Fei asked!

“Yes, I am David, but I seem to have no enmity with you. Why do you want to kill me?” “

Although you are demon cultivators, I really want to have nothing to do with you demon cultivators!” “

David looked at Elder Fei. He didn’t understand why Elder Fei wanted to kill him!

“There is no need to have a feud. You have offended someone who shouldn’t be offended, so you must die...”

Elder Fei said with a cold face!

David said with a cold face! When Ping heard this, he understood instantly and said with a faint smile, “So you are also dogs of the Demon Sealing Alliance. Think about it, you demons are now willing to be treated as dogs...” David’s words made Cai Hongwei confused

. , he didn’t understand what these demon cultivators had to do with following the Demon Sealing Alliance.

Chapter 3307

The Demon-Sealing Alliance has always been the most active organization in eradicating demonic cultivators in the world of gods and humans. Why would David say that these demonic cultivators are dogs of the Demon-Sealing Alliance!

“Shut up, you are looking for death...”

Elder Fei frowned, and the aura on his body exploded instantly!

The fact that the Demon-Sealing Alliance supports demon cultivators is considered a secret of the Demon-Sealing Alliance and must not be leaked. If it is spread, the reputation of the Demon-Sealing Alliance will be ruined, and it is very likely that the Demon-Sealing Alliance will put it in order to preserve its reputation. These demonic cultivators in prison were killed and silenced!

“Elder Fei, there is no need for you to take action against such a mere brat. You think too highly of him.”

Protector Gong stopped Elder Fei!

In his opinion, David, a young monk at the eighth level of the Fusion Realm, would never be able to make waves!

I saw Protector Gong waving his palms towards the mountains and forests on both sides, and poison tents filled the mountains and forests, accompanied by roars! Dozens

of monster beasts surrounded them with scarlet eyes. These monster beasts stared at David and the others!

It was obvious that these monsters were controlled by Protector Gong!

Seeing dozens of monster beasts surrounding them, Cai Hongwei's face was ashen and he said to David, “Little brother, thank you for coming to the rescue despite the danger. You can't fight them at all. I just hope you can take Xiao Nan away. I Come and wean you off.”

Cai Hongwei has made up his mind to die, but he doesn't want his daughter to die. If he can save Cai Qiannan's life by risking his life, he will not hesitate!

“Boss Cai, let's run away together...”

David looked at the dozens of monsters staring at him with eager eyes, his expression did not change at all!

David didn't pay much attention to these dozens of monsters, because these monsters were controlled by poison tents. David only needed to detoxify these monsters!

Now he is worried about the demon cultivators on the opposite side. These guys are not weak. Now that Cai Hongwei is injured, David himself has no way to deal with it!

After pondering for a moment, David suddenly took out a few pills, and then crushed them, and countless powders floated towards the monster.go!

After the powder floated over, the manic auras of those monster beasts began to subside, and their eyes recovered!

“This guy is really powerful. He broke my poisonous tent so easily.”

Protector Gong said in surprise!

“Stop playing with poison, give it to me...”

After Elder Fei finished speaking, he jumped up first and rushed towards David and the others!

When Protector Gong saw this, he could only rush forward with his men!

David frowned, picked up Cai Hongwei and Cai Qiannan and ran away!

Now they can only run away and have no ability to fight!

However, Cai Hongwei was injured and couldn't run fast, so he was about to be overtaken!

“Little brother, you take Xiaonan and run for your life. I'll stay and stop them, otherwise none of us can escape.”

Cai Hongwei broke away from David and wanted to stay and resist for a while!

“You two leave first, I will stay and buy time.”

David will not let Cai Hongwei stay by himself. If Cai Hongwei dies, their journey to the Southern Region will be over. It will be very difficult for them to rely on them alone. It's hard to get out of the Chilian Mountains!

Cai Hongwei is the guide and the leader. Without Cai Hongwei, their team would have no choice but to turn back!

After finally getting here, David will never give up!

Just when David was about to stay, a roar suddenly sounded!

A silver-red tiger king more than ten meters long appeared, and behind the guard were dozens of majestic silver-red tigers!

“You guys run away for your lives, I'll stop them...”

Tiger King spoke human words and said to David!

Cai Hongwei and Cai Qiannan were shocked when they saw the Tiger King appearing, but when they heard the Tiger King speak human words, they both looked at David in shock!

David didn't say much, he just picked up Cai Hongwei and Cai Qiannan and continued running!

And the Tiger King took dozens of silver red tigers and rushed towards those demon cultivators!
