Chapter 3341

“Is Mr. Chen still practicing?”

Mr. Miao took care of his injuries and walked to the backyard to ask!

“It’s been two days and two nights, and I don’t know when it will end.”

Cai Hongwei seemed a little anxious. After all, time was tight. The earlier they arrived at Tianmo Mountain, the greater the opportunities they might encounter!

“Just wait patiently, I guess it’s almost there.” Miao

Lao said!

But as soon as Mr. Miao finished speaking, the sky and the earth suddenly trembled, and then large black clouds appeared in the sky!

In just a moment, the entire Falling Sun City was shrouded in black clouds, as if it was the end of the world!

This sudden vision made everyone in Falling Sun City worried!

Even City Master Sun ran out of the room and looked at the sky solemnly!

“What...what’s going on?” Cai Hongwei asked with a trembling voice.

Mr. Miao looked solemn and shook his head, “I don’t know either.”

“Isn’t there a demon cultivator coming?”

Cai Qiannan said fearfully as she looked at those black clouds!

“Yes, yes, it must be a demon cultivator. I can feel the aura of a demon cultivator.”

Miao Miao echoed!

The two girls had never seen such a scene before, and their faces turned pale with fear!

“Shut up, there is no demon cultivator. No demon cultivator dares to act so blatantly now.”

Mr. Miao glared at Miao Miao and said!

The black clouds were getting lower and lower, and everyone felt as if a big stone was weighing on their hearts, making them somewhat breathless!

This feeling is like the oppression caused by the arrival of an immortal!

Rumble...

Suddenly, there were bursts of roars in the black clouds, as if there were countless heavenly soldiers and generals running on the black clouds!

Click...

A bolt of lightning struck down without warning, and the location was Lao Jia's backyard, where David practiced!

This bolt of lightning struck down and instantly stirred up an endless storm!

Miao Lao who was originally guarding the backyard was immediately blown away!

Everyone flew dozens of meters away!

All the houses in the backyard were turned into powder the moment the lightning struck!

Even the City Lord's Mansion next door was affected, and even City Lord Sun was so shaken by this force that he took several steps back!

“What on earth is this?”

City Lord Sun frowned, jumped up, flew over the City Lord's Mansion, and landed in Lao Jia's yard!

At this time, Mr. Miao and Lao Jia had just climbed up from the ground in disgrace!

Then everyone looked at what they saw in shock!

I saw David sitting cross-legged under the fairy tree, and the fairy tree had already withered!

David's clothes also became tattered!

"Could it be that it was a thunderstorm just now?"

Cai Hongwei said in shock!

"Thunder tribulation?" Mr. Miao also waited until his eyes were opened.

"These black clouds in the sky are thunder tribulation clouds? How can there be such thunder tribulation clouds?" "Impossible, this kind of thunder tribulation may not be encountered even by

ascension. His current breakthrough is only the Tribulation Realm. If he suffers this kind of thunder tribulation, he will be wiped out." "

We have all broken through the Tribulation Realm and suffered thunder tribulation. Who has seen such a terrifying thunder tribulation cloud?"

Sun The city lord immediately retorted!

Although the Tribulation-Transcending Realm is the most difficult realm for monks, and there are probably only a few monks who can break through the Tribulation-Transcending Realm, it is not so terrifying!

If it is such a terrifying thunder tribulation, let alone one in a hundred miles, I am afraid that not a single monk in the entire heaven and human world will be able to break through the tribulation realm!

Just as City Lord Sun finished speaking, another thunderstorm struck down!

Everyone saw with their own eyes that the thunderstorm hit David hard!

All the clothes on David's body were completely destroyed, and his skin that shone with golden light was exposed!

This golden light is not David's use of an indestructible golden body, but the light of David's physical body!

Seeing this scene, everyone was stunned!

Because David's physical strength is beyond everyone's imagination!

Chapter 3342

"This is a thunder tribulation, it is definitely a thunder tribulation..."

Cai Hongwei shouted in shock.

Even if he didn't say anything, everyone would know that this was a thunder disaster!

But David actually used his body to resist such a perverted lightning disaster. Is it possible that he would die?

"Master is tempering his physical body. After this thunder tribulation, his physical body will be stronger."

Huofeng saw David's intention and said slowly!

Huofeng's words made everyone stare blankly, speechless!

Apart from using pervert to describe David, they couldn't think of any other words!

Rumble...

Another thunder catastrophe fell from the sky. Even though everyone hid far away and even set up a barrier in front of them, they could still feel the terror of this thunderstorm!

Just like that, nine lightning tribulations bombarded down one after another, and the barrier in front of everyone was continuously shattered, and then repaired!

And David's physical body, under these nine thunder tribulations, not only did not disappear into ashes, but it became even more golden!

Soon, the thunder tribulation disappeared, and the oppressive thunder tribulation clouds in the sky slowly dispersed!

David slowly opened his eyes and felt that the breath in his body had made a qualitative leap!

He knew that he had broken through to the realm of transcending tribulation!

After transcending the Tribulation Realm, he has reached a new level. In the years to come, he only needs to prepare for his ascension!

David stood up, the power in his body seemed to be still boiling!

“Ah...”

A sudden scream brought David back to his senses!

It turns out that David is already naked now, and his clothes were reduced to pieces by the thunder!

As soon as they got up, the two older girls, Miao Miao and Cai Qiannan, screamed in surprise!

When David came back to his senses, he also found that he was naked. He was suddenly embarrassed and at a loss!

Huofeng was the first to take the clothes ran over, stood in front of David, and personally helped David put on his clothes!

Huo Feng has been here before and is already very familiar with David's body!

“Mr. Chen, you...your thunder disaster is too outrageous. I have never seen such a terrifying thunder disaster.”

Cai Hongwei stepped forward and said in shock!

“It's not that the thunder catastrophe is terrifying, but that Mr. Chen's physical body is too strong. He can withstand this kind of thunder catastrophe.” “

Now even if Mr. Chen doesn't use any techniques, ordinary monks want to hurt Mr. Chen , it's also impossible.”

Mr. Miao exclaimed with envy!

“Pharmacist Chen, I can’t believe that in addition to your superb medical skills, you are also so powerful. I was blind and didn’t notice it before.” City Master Sun stepped forward with a smile on his face, and pulled

David aside as he spoke, “Pharmacist Chen, I know that you are looking at my little girl’s body to treat her illness, but I still hope that Yaoshi Chen can marry my little girl.” “My little girl is considered a

superior person regardless of her beauty and figure, and as long as you get married, the whole family will be affected. Sun City is all yours. I only have this daughter on my knees. Think carefully about why you are running around here and there.” City

Lord Sun now particularly hopes that David will stay. Through this thunderstorm, he saw David With his strength, he saw David’s future!

If the Falling Sun City can be handed over to David, City Master Sun believes that the Falling Sun City will definitely prosper!

“City Master Sun, I’m really sorry. I already have a girlfriend, and I promised her that I would be the first to marry her and give her the first wedding.” “I really don’t want to be a heartless person

. I hope City Lord Sun can understand...”

David flatly refused!

City Master Sun looked at David blankly. He didn’t expect that the temptation of a city could not tempt David!

“Hey, since Medicine Master Chen attaches great importance to love and justice, I won’t force others to do anything.”

City Master Sun sighed, as if he had suffered a great loss!

Chapter 3343

After David exchanged a few pleasantries with City Master Sun, he was ready to set off. He was delayed a lot in practicing, so he had to get to Tianmo Mountain as soon as possible!

David and the others did not choose to take the airship. After all, the City of Fallen Sun is not very far from Tianmo Mountain. There are many monks rushing to Tianmo Mountain!

If they take the airship, it will be too eye-catching, and David doesn't want everyone's attention to focus on them!

After traveling for a day and a night, everyone finally arrived at the Tianmo Mountain area!

As soon as they stepped into Tianmo Mountain, everyone felt the changes between heaven and earth!

Moreover, a huge mountain range soaring into the sky lies between the sky and the earth, and the edge cannot be seen at a glance.

The range of the mountain range is extremely wide, and everyone under this mountain range is like a grain of dust. Compared with the Chilian Mountains that are broken down by the Central and Southern Territories, this Heavenly Demon Mountain is many times bigger!

If this Heavenly Demonic Mountain also has taboos and cannot fly, then it may take a long time to get out of this Heavenly Demonic Mountain!

Fortunately, there are no taboos in this Heavenly Demonic Mountain, and monks can fly and travel freely!

"What a huge mountain range. This is the first time I've seen such a huge mountain range. It's like a huge giant lying on the ground." Cai Qiannan couldn't help but sigh when she

saw Tianmo Mountain for the first time!

David was shocked when he looked at Tianmo Mountain. The magnificence of Tianmo Mountain indeed exceeded his imagination!

In the secular world, David has seen many mountains, but compared with this Demonic Mountain, they pale into insignificance!

Even in the Heavenly and Human Realm, David had seen huge mountains like the Chilian Mountains and Qingniu Peak, but they couldn't be compared to the Heavenly Demon Mountains!

No one else had ever seen Tianmo Mountain, and everyone was very excited!

After all, stepping into Tianmo Mountain means you have the opportunity to encounter opportunities and find various treasures at any time!

Unlike everyone else who was excited, Cai Hongwei frowned slightly and had a look on his face. "Everyone, now we have entered the area of Tianmo Mountain. We will face many unknown dangers later, so everyone must be alert." "

In addition to monsters, there are also many demon cultivators here. This Tianmo Mountain is a demon cultivator. The most places, and there are countless monks who come to hunt for treasures. These people are also desperadoes. For their own interests, they will do anything." "So we must unite. No one can take it lightly or take it lightly

. For the sake of immediate interests, do things that harm the team, otherwise don't blame us for being rude."

Cai Hongwei told everyone that when they get to this place, they must unite. If they want to fight alone, I am afraid it will be impossible. You can't enter the Demonic Mountain!

"Don't worry, Boss Cai. We people have come here risking our lives, and we are all ready now." "

Yes, if we were only seeking profit and ran away in the Chilian Mountains, how could we fight those demon cultivators!"

" This time I have a feeling that with Mr. Chen here, we will definitely gain something!"

Many monks expressed their opinions one after another!

If they had all escaped and left David alone when they were in the Chilian Mountains, David would probably have fallen into the hands of Elder Fei!

"Everyone just needs to be prepared, and don't be too nervous. I have been to this Demonic Mountain, so I am familiar with it. Compared with many people who have never been here, we have an advantage." "This time the battlefield of gods and demons is not yet over

. We know the specific place, so we need to be patient and search slowly, and be prepared to persist in this Demonic Mountain for a long time.”

Cai Hongwei comforted everyone, he couldn't let everyone's hearts collapse before they entered the Demonic Mountain!

It's time to be reminded and comforted, which also reflects Cai Hongwei's ability as a team leader!

After all, he is considered an old man and knows how to lead people!

Cai Hongwei led everyone to the Tianmo Mountain area and walked towards the depths of the Tianmo Mountain!
