Married at First Sight Chapter 2602-“Then you’re welcome.”

Kiera put the money into his trouser pocket, then took out her mobile phone and called a late-night snack stall, asking the stall owner to send dozens of fried noodles to the Caron family Martial Arts Gym as a late-night snack for everyone.

“We’ll eat later.” Julian smiled and said, “I rarely have late-night snacks at night.”

“I won’t eat then. I don’t eat sometimes. It could be because I work out a lot. I can’t sleep if I don’t eat midnight snacks. But I usually eat at home, where my mom lets me make something to eat at midnight.”

After Kiera called someone to deliver midnight snacks, she stood up and said to Julian, “Let’s go without disturbing their class.”

Julian won the competition with Kendrick. The students were still in shock and suspected it was a dream.

“Alright.”

Julian followed Kiera, and Kiera said to the two brothers, “Eldest brother, second brother, I will take Julian for a walk. You don’t have to wait for us when you get home later.”

Kendrick responded, “I know. Take Julian to go shopping and help Julian buy some daily necessities.”

Kiera hummed and led Julian out of the martial arts gym.

Coming out of the martial arts gym, Kiera asked Julian with admiration, “Julian, from whom did you learn this martial art? I believe you learned a variety of skills, but you are proficient in all of them. You must have learned for at least ten years, right?”

Seeing the admiration in Kiera’s eyes, Julian knew that his decision to defeat Kendrick was right.

Kiera just appreciated the strong.

Julian said, "I have been studying for more than 20 years. There are many masters. My dad sent me to study. Every time my dad said that I didn't study well and wouldn't let me go home, I studied hard, so I worshiped every master; I am the most powerful among all the students of that master."

Kiera: "That's it."

Julian: "Are you surprised that I defeated your eldest brother?"

Kiera: "A little unexpected."

Julian: "Actually, it's really a fluke. I wanted you to win money, and I tried my best. Your eldest brother could only use half of his efforts."

Kiera smiled and said, "You don't have to coax me; I can see it. However, the feeling of winning money is very good, haha. The moment when I won was the most exciting, because the whole audience was silent, and Silas broke the silence."

Thinking of the scene just now, Kiera couldn't help but laugh.

Kiera said, "You didn't bring any daily necessities here, did you? I don't know if I have any new ones at home. Just in case, I'll take you to the mall to buy some daily necessities."

Julian replied, "I planned to stay in a hotel. There are daily necessities in the hotel, so I didn't bring them."

Kiera said, "We are friends, and my home is big enough. If you come here for a business trip, you can stay at my home."

Julian: "I'd be embarrassed. How about I pay you the rent?"

Kiera said, "I always live in a house under my parents' name. Even if you have to pay rent, it should be given to my parents. If they take it, then don't mention it again. But I don't think my parents will accept it. They appreciate you very much."

Kiera turned her head to look at him and said with a smile, "My whole family appreciates you, including me."
