

Read I am a quadrillionaire chapter 2680

I am a quadrillionaire chapter 2680-‘Thank you, Master David, for reminding me! Ever since my family was wiped out, I have indeed been blinded by hatred. Now that you’ve reminded me, I was suddenly enlightened and I’ve come to my senses. Thank you for giving me a new lease of life, I will never forget it as long as I live.’

“It’s good that you’ve come to your senses. Go! Deal with your enemies yourself and put down everything from now on. Cultivate with your master and strive to become an Eternal as soon as possible. That is the most important thing. If you don’t become an Eternal, you will soon become a pile of dirt.” David nodded.

“Yes, Master David!”

After Lucia finished speaking, she turned to look at Spencer who was sitting on the bed motionlessly. She had a look of hatred in her eyes again as she walked towards him step by step.

Today she was going to kill this useless emperor who killed more than 30 thousand members of the Darling family.

In fact, she could have done it with the help of her master more than a year ago, but at that time, Lucia felt that it would be too easy for Spencer.

She wanted Spencer to be tortured to death in order to relieve the hatred in her heart.

However, after listening to David’s words, Lucia suddenly became enlightened and she was able to think this through.

As long as she killed Spencer with her own hands, her state of mind would be further improved and it would be of huge benefit to her future cultivation.

Spencer looked at the remaining member of the Darling family walking toward him step by step and his whole body began to tremble.

The emperor of the Great Quinn Empire was terrified as he faced his imminent death. He would rather drag out an ignoble existence than die.

“Don’t kill me! Don’t kill me! Don’t kill me!” Spencer started screaming hysterically.

He was the emperor of the Great Quinn Empire and he had the utmost authority here. So, he did not want to die.

“Spencer, did you ever think that would happen to you when you slaughtered millions of innocent people?” Lucia asked coldly.

“Don’t kill me! I was wrong! I know I was wrong. Please give me a chance and I will definitely change my ways. Please let me live!” Spencer begged.

“Give you a chance? Did anyone give the Darling family and those millions of people a chance? They also begged you like this when they died, right? But did you let them go?”

Lucia paused for a moment before speaking. Then, she suddenly raised her voice.

“No! You didn’t give them a chance. You killed them all in

the end. Spencer, God is always watching. Today is the time for you to atone for the numerous crimes you have committed. Stop struggling and I’ll make it quick.”

“No! Don’t kill me! I don’t want to die! I am the emperor of the Great Quinn Empire! You can’t kill me.”

“Really? So what if you’re the emperor of the Great Quinn Empire? You’re still going to die in my hands today, Spencer. Even if you go to the underworld, you will not rest easy because millions of ghosts are waiting for you.”

As Lucia continued to get closer, Spencer felt his pressure increasing.

When Lucia came to him, Spencer could not bear the tremendous pressure anymore and broke down completely.

“How bold of you! I am the emperor of the Great Quinn Empire. How dare you talk to me like this? Capture all these people and kill them with a thousand cuts!”

However, no one at the scene took action.

Even the heavily armored guards guarding the outside made no move.

It was because David used his mind power to seal this place.
