

Chapter 678 Being Betrayed

Immediately the words left Vivian's lips, a shock surged through Liam like a sudden storm.

His mind had been preoccupied, but now he grappled with utter confusion.

Pregnant? What was she talking about?

Since Julie's tragic miscarriage, he hadn't been intimate with her. How could she be pregnant?

Liam's hands shook more, his head spun, and his legs grew a bit unsteady.

Questions whirled in his mind.

Why was this happening?!

Liam teetered on the brink of emotional collapse. Considering the timeline, there was a chilling possibility that the mysterious man seeing Julie could be the father, and it was perhaps Timothy.

The thought of Julie and Timothy together intensified Liam's agitation. Why did they get together?

Liam felt like he was on the verge of breaking down, as disbelief gripped him.

He couldn't make himself believe that this was the outcome of all the troubles he went through. He had

as disbelief gripped him.

He couldn't make himself believe that this was the outcome of all the troubles he went through. He had invested so much to rescue her, sacrificing numerous subordinates in the process.

The weight of the situation eroded Liam's trust in Julie. Even the authenticity of her memory loss seemed questionable.

Scared of the truth being discovered, Vivian anxiously awaited Liam's response.

As Liam remained silent, Vivian could sense her own unease. She couldn't suppress her nervousness and asked, "Don't you want a child?"

Liam struggled to maintain composure and responded, "Your memory isn't fully restored, and now you're with a child, it seems unfair to you."

When Vivian heard this, her face changed dramatically. "Even with vague memories, I know you're my lover. Shouldn't we rejoice in having a child?"

Liam recoiled when she said this.

Lover? He was repulsed by the realization that she was carrying someone else's child.

"Then you should ensure your well-being and that of the baby. Once I finish my tasks, I'll take you home for our wedding." Liam gave a curt reply, concealing

his deep disgust for the woman before him.

Never had he imagined he could harbor such intense hate toward Julie.

Relieved by Liam's assurance, Vivian nodded hastily.

With that, Liam's mood soured, prompting him to quietly leave the house.

He headed to the Dark Night Organization's headquarters, and sought out a trustworthy subordinate.

But when he walked around the building, he could find no one, let alone his loyal subordinates!

This unusual circumstance raised Liam's concerns.

This was a stark contrast to the usual guarded headquarters of the Dark Night Organization in the delta region. Liam sensed that something was amiss.

Could the Sandoval family have sought revenge on them? This was unlikely, as they lacked the courage for such a move.

Despite the uncertainty, Liam saw this disturbance as an opportunity to release his pent-up frustration.

Liam instantly dialed Aikin's number, but he didn't pick up the call. A series of unanswered calls to Aikin left Liam frowning.

He then decided to call Tyson. After what seemed like an eternity, the call successfully connected.

 +90 Points at most

The other end of the line buzzed with commotion. After a while, Tyson's voice bellowed, "Mr. Hoffman, there's trouble at the rare-earth mine!"
