

An Understated Dominance By Marina Vittori

Chapter 1546

The bearded man shuddered, threw his head back and fell down, dying with his eyes open.

“I have no credibility with rubbish like you.” **Dustin** responded coldly.

Then, he crossed the body and walked to **Hazel**, untied her, and at the same time took off the black cloth covering her face, and asked softly: “**Miss Lancaster**, are you not injured?”

“I’m fine. Fortunately, you arrived in time, otherwise I would have been tainted by these beasts today.” **Hazel** let out a long sigh of relief.

Although she has seen many big scenes, this is the first time she has experienced something like today.

With such a group of hungry wolves in the stall, if **Dustin** hadn’t rescued her, not only would she have been played with today, but she would have probably been sold abroad as goods afterwards.

Until then, life will truly be worse than death.

“I’m sorry, it was all me who hurt you.” **Dustin** blamed himself.

It was because he offended **Gary Montgomery** that the other party threatened **Hazel** with the knife.

“What nonsense are you talking about? We are partners, we share blessings and share difficulties, right?”

Cherry smiled indifferently: “Besides, this is **Gary Montgomery**’s fault, what does it have to do with you? We should find a way to see how to overcome this difficulty.”

“Leave **Gary Montgomery**’s matter to me, you don’t have to worry about it,” **Dustin** said.

“Little handsome boy, what are you going to do?” **Hazel** asked tentatively.

“Of course – eradicate the root cause!” **Dustin** said coldly.

“What?”

Hearing this, **Hazel** couldn’t help being startled: “Little handsome boy, please don’t mess around. **Gary Montgomery** is **Prince Eugene Montgomery**’s adopted son. He has amazing power. We can’t afford to offend him. If you kill him, we will definitely be in trouble.” Disaster is coming!”

“Don’t worry, I will do it neatly and without arousing suspicion.”

Dustin said calmly: “Besides, even if I don’t take action, he will never let us go. Today’s behavior is the best example. Instead of being worried all day long, it is better to pre-emptively strike and avoid future troubles!”

“This...” **Hazel** frowned and began to think deeply.

Gary Montgomery is indeed notorious in the shopping mall and will do anything to achieve his goals.

I don’t know how many times I have done this kind of kidnapping and murder.

Once you are targeted by this poisonous snake, you will have to shed your skin even if you die.

Do you really want to take the risk and give it a try?

“**Miss Lancaster**, there is no need to worry. This matter has nothing to do with you. Even if there is any accident, I will take care of it.” **Dustin** promised.

“What? Look down on me? We promised to share the blessings and hardships together. How can I stand by and watch when something like this happens?”

Hazel said seriously: “Tell me, what do you need from me? I will definitely help you!”

“You don’t have to do anything now. Go back and have a good sleep. If anything happens, we’ll discuss it tomorrow.” **Dustin** smiled.

“Little handsome boy, I’m serious. You must never take risks alone. If anything happens to you, I will be very sad.” **Hazel** said in a serious tone.

“I understand, let’s go, I’ll take you home first.”

Dustin smiled slightly and without saying much, supported **Hazel** and walked out of **Guan Gong Temple**.

At this moment, many people had gathered outside **Guan Gong Temple**.

When they saw **Dustin** coming out safe and sound, everyone’s expressions changed and they dispersed.

They all knew that the **Black Bear Gang** had business to do today, and they specially gathered the elites of the gang to prepare to kill the prey.

The screams inside had already explained the problem.

However, no one expected that the last person to walk out of the door would be **Dustin**, who was regarded as prey.

When this happens, there is only one possibility, and that is that the **Black Bear Gang** has been destroyed!

Able to single-handedly destroy the elites of the **Black Bear Gang**.

Who dares to provoke such a fierce man?
