

An Understated Dominance By Marina Vittori

Chapter 1849

Isn't this asking for trouble?

"Hmph! You are somewhat self-aware!"

Dustin Kate smiled coldly and followed: "Rufus Rhys, your youngest son has given up, so may I ask, where is your eldest son now?"

"Logan, you have been hiding for so long, it is time to show up?" Rufus Rhys suddenly spoke loudly.

Although he has never met his eldest son Dustin, he knows about his existence.

In the previous case of Su Connor, it was precisely because Dustin reported it that he had the opportunity to eliminate the cancer.

Now that such a big thing has happened in the palace, the other party will definitely not sit idly by with his character.

"I didn't expect that you, an old fox, not only deceived Dustin Kate, but also deceived all of us. Now, you have asked me to be your shield. Is this appropriate?" After hesitating, Dustin finally took off his face. human skin mask.

Since Rufus Rhys is not dead, the general trend of the palace is still there. In the current situation, it is impossible for him not to show up.

Although he felt a little forced to go to Liangshan, he also knew in his heart that Rufus Rhys was thinking about him.

Because today is the best time to establish your prestige.

As long as Dustin Kate, the hussar general, is defeated in front of all the Black Dragon Army officers, there will be fewer obstacles for him to succeed to the throne in the future.

"What? He turned out to be Dustin?"

After seeing Dustin's true face, everyone couldn't help but be stunned.

No one expected that the mysterious master who just defeated Nangong Po turned out to be Dustin, the son Kirin who had disappeared for ten years.

The impact of this level of identity is not much different than that of Rufus Rhys's resurrection from the dead.

As expected of father and son, one is more sinister and cunning than the other.

"It's you? How is it possible?!"

Dustin Kate's expression changed, and he was shocked.

He thought Dustin was gone, but he never thought that the other party was actually lurking beside him.

The most important thing is that the opponent is so strong that even he is not sure of winning.

"Everyone, I'm sorry. I had to hide my identity because I had no choice please to forgive me."

After revealing his identity, Dustin hugged his fists at everyone in the palace.

"Logan, when did you come back?"

Princess Elara was stunned for a moment, first glanced at Dustin, and then turned her attention to Thorian Rhys.

Thorian Rhys smiled and could only pretend that he didn't see it.

"I've been back for a few days. I heard that there was a crisis in the palace, so I helped secretly, but for some reasons, I couldn't reveal my identity. It's a pity that I couldn't hide it from this old fox."

Dustin glanced at Rufus Rhys with a complicated expression.

When he heard the news of his father's death, he almost lost control of his emotions. As a result, he made trouble for a long time and found out that this was Rufus Rhys's conspiracy.

Deliberately fake death to lure out all the people with evil intentions, and then focus on cleaning up in the end.

I have to admit, this is a great move.

It was so bad that even the closest relatives around him were kept in the dark.

Although Dustin Kate was both civilized and military and capable of strategizing, he was still one step short of the scheming Rufus Rhys.

Whether it was fake death or this carefully prepared duel.

From the beginning to the end, Dustin Kate was being manipulated without any notice.

This...is the city of West Lucozia King Rufus Rhys.(I laughed here -What do you think about Rufus tell in comments below)
