

An Understated Dominance By Marina Vittori

Chapter 1884

"It's not certain yet."

Dustin shook his head and said seriously: "There are only two possibilities for this situation. First, Dustin Kate has not gained the trust of the Dragon Protection Pavilion. Ji Yuanzun sent such a A team came out purely to test Dustin Kate."

"What about the second one?" Thorian Rhys asked.

"Second, Dustin Kate rebelled. This was a trap set by the Dragon Protection Pavilion. They used a team of scapegoats to lure us out and prepare to catch us all."

Dustin said solemnly: "If it's the former, only Dustin Kate is in danger. If it's the latter, we may have fallen into the enemy's ambush."

"Everyone, listen to the order! Be on guard immediately!"

Thorian Rhys reacted quickly and immediately issued the order.

The royal palace elites immediately dispersed and became alert.

"Hahaha... It's too late to be alert now!"

Suddenly, a loud laugh rang out in the sky, startling countless birds.

Immediately afterwards, a large number of soldiers and horses swarmed in from all directions.

Looking around, there are thousands of them, densely packed.

There are probably more than a thousand elite experts brought by Dustin this time.

However, the number of soldiers and horses ambushing the Dragon Guard Pavilion was ten times as many.

There are people everywhere, obviously they are well prepared.

"No! We've fallen into a trap!"

Thorian Rhys's expression changed, and he immediately commanded the guards to set up a defensive formation.

They originally thought that this time they were catching a turtle in an urn, but they never thought that it was a mantis catching a cicada, followed by an oriole.

"Surround up!"

With a loud shout, thousands of soldiers and horses from the Dragon Guard Pavilion directly surrounded the royal palace elites.

This time, both sides dispatched the best of the best.

However, there are more dragon-protecting pavilions and they are obviously more dominant.

"Damn it! Dustin Kate, that beast, has indeed rebelled!"

Thorian Rhys gritted his teeth, his face filled with resentment.

This time they were carrying out a beheading operation. In order to avoid alerting the enemy, they did not bring many troops and only selected some elite masters.

He just didn't expect that Dustin Kate would betray the palace and set up such a trap to push them all into a pit of Li.

"Dustin, didn't you expect that we would meet in this way?"

With a burst of laughter, Ji Yuanzun walked out of the crowd with a team of Dragon Guard Pavilion masters.

The person standing on the left is Lorenzo, and the person standing on the right is Dustin Kate.

He acted like a right-hand man.

"Ji Yuanzun?!"

Dustin squinted slightly and looked at the tall man wearing a mask in front of him, a fierce light flashed in his eyes.

The hatred of killing one's mother is irreconcilable.

Ji Yuanzun was the chief culprit in the Forbidden City incident, and he was even more heinous than Li Yuanwu.

"Yes, it's me."

Ji Yuanzun laughed loudly: "How is it? Isn't it a surprise? Very unexpected? It is said that the mantis stalks the cicada and the oriole follows. I never thought that behind you, the oriole, there is me.

"Logan, I'm sorry. As the saying goes, those who know the current affairs are heroes. The master of the pavilion gave you too much. I really can't refuse, so I can only sell you." Dustin Kate grinned.

"You despicable beast! The palace gave you a chance to make a new life. Even if you don't appreciate it, you actually betrayed us. Has your conscience been eaten by a dog?!" Thorian Rhys cursed directly.

"Conscience? Haha..."

Dustin Kate sneered: "Thorian Thorian, are you too naive? How much is conscience worth? Is it more important than power? More important than status? Stay in West Lucozia, I will never have a chance to get ahead, especially after this failure, you may even put me under house arrest and never see the light of day for the rest of my life.

But it is different with the Pavilion Master. Not only can I enjoy all the glory and wealth, but also I have supreme power. As long as I kill you, I will be the future King of West Lucozia!"

"You're dreaming!"

Thorian Rhys shouted angrily: "You, a trash seller who seeks glory, will never be the king in your life!"

"Stop talking nonsense! I only know who wins and loses! To achieve your goal, you can do whatever it takes!" Dustin Kate shouted.

"Hmph! You can describe being despicable and shameless in such a high-sounding way. I have never seen anyone as disgusting as you!" Thorian Rhys sneered.

"Scold me, scold me as much as you want, you will be dead soon!" Dustin Kate didn't care at all.

"Dustin Kate! Don't be too proud. It's still unclear who will win today!" Thorian Rhys said with a cold face.

It is true that the Dragon Guard Pavilion has many soldiers and horses, but they brought elite experts this time. Even if they cannot defeat them, they can still break through with all their strength, and there is still a glimmer of hope.

"Haha...I have already cheated you out of all your trump cards, how can you still fight me?" Dustin Kate sneered.

"Dustin, I have to say that the two formations you just set up are really powerful. If I accidentally get trapped in them, I might not be able to get out for a while."

Ji Yuanzun first praised him and then changed the subject, smiled and said: "But it's a pity that after all your calculations, you still missed one move. I love talents very much, so now I plan to give you a chance. As long as you surrender and bow your head, I can spare your life, and guarantee you eternal wealth!

"Surrender?" Dustin snorted coldly: "Are you worthy?"

A person as sinister and cunning as Ji Yuanzun would naturally not let the tiger go back to the mountain.

As long as he dares to surrender, he will be killed in the next second.

After all, both sides have already reached the point of fighting to the death.

"Dustin, those who understand current affairs are heroes. You should learn from your third uncle and know how to bow to the strong. This is not a way to survive." Ji Yuanzun smiled lightly.

"Ji Yuanzun, who are you? I know very well. I don't believe a word of your words."

Dustin said with a cold face: "Now, if you want to fight, fight. Let's fight it out at this place today." Life or death!"

"Okay! Since you want to die, then I will grant it to you!"

Ji Yuanzun slowly raised his hand, then pressed it down suddenly: "Kill! No one will be spared!"

"Kill!"

After receiving the order After that, everyone in the Dragon Protection Pavilion roared and rushed forward with their swords drawn.

"Brothers! Fight with them!"

Thorian Rhys suddenly drew his sword and led the palace's elite masters to face them head-on without fear of death.

The men and horses on both sides collided with each other and began to fight to the death.
