Chapter 3402

“What is the God King’s Bow?”

Ning Zhi asked Ning Caichen!

Ning Caichen was stunned, then frowned slightly and said, “Ancestor, don’t you know the God King’s Bow?”

Ning Zhi quickly explained, “I have been sleeping for so many years, and I can’t remember many things...” Ning

Caichen had no doubts, so he said, “This God King’s Bow is an ancient thing. It is rumored that it was used by Hou Yi to shoot the sun. It fell from the heaven to our heaven and human world many years before the war between gods and demons.” !”

“There have always been legends about the God King’s Bow in the Heaven and Human Realm, but not many people have actually seen the God King’s Bow. The person who gets this bow will definitely become the master of a region, or even the master of the entire Heaven and Human Realm. “...
“

Ning Zhi listened quietly to Ning Caichen’s words, and was very shocked in his heart. He didn’t understand how David got such a peerless magic weapon not long after he came to the heaven and human world!

However, Ning Zhi also felt that this rumor was a bit exaggerated. Hou Yi used it to shoot the sun. Hou Yi used a sun-shooting bow, which ranked third among the top ten weapons in ancient times!

When Ning Zhi was in the secular world, he had read a lot of books, so he still knew a little bit about it!

But seeing these people’s fear of the God-King Bow also proves that this God-King Bow is also a very powerful weapon!

At this time, the power in David's body surged, and he put one hand on the bow string and slowly pulled the God King's bow!

"Open..."

Accompanied by David's loud shout, the Divine King's Bow was fully drawn without David!

Waves of terrifying aura were like a storm, beginning to sweep toward the demon cultivator in front of him!

On top of the God King's bow, a stream of light arrows appeared, not just one, but countless light arrows, each with an unrivaled aura!

Swipe...

David relaxed his hand lightly, and countless arrows of light transformed again in the void, directly becoming overwhelming and turning into a blaze of brilliance, and the arrow feathers could not be distinguished!

This piece of brilliance enveloped all the demon cultivators, and every arrow of light was filled with a horrifying and fierce evil aura!

as if there are countless fierce ghosts, showing their teeth and claws!

"How the hell is this the bow and arrow that Hou Yi used to shoot the sun? This is obviously a weapon used by the demons."

Ning Zhi's eyes narrowed slightly and he said!

You know, Ning Zhi is also half a demon. Now the light arrow is full of evil spirits, and when David pulls the God King's bow, he also uses the evil energy of the Dao pattern in his body!

Ning Zhi was very familiar with this kind of aura, but he really couldn't figure out who this David was? Why can he have multiple auras in his body?

At this moment, countless arrows were heading toward Qi Peijia and the others!

At this moment, the faces of all the demon cultivators changed drastically, and their legs were trembling!

There were even demon cultivators who were so frightened that they collapsed on the ground!

They have never experienced this terrifying feeling!

You must know that David is just a guy in the first level of the Tribulation Realm. Anyone they can pick out is at a higher level than David!

But now David was so scared that he almost peed his pants!

“Run...”

“Help, this guy is not a human...”

“Wait for me...”

Many demon cultivators no longer dared to follow Qi Peijia. Even Liu Xueyi was crawling and trying to escape. !

However, David’s murderous intention was determined at this time, and it was impossible to let these people escape, otherwise the news that he owned the God King’s Bow would be leaked!

Countless arrow feathers are carrying evil spirits, sweeping like waves!

The entire radius of several miles was filled with white brilliance, falling crazily like a heavy rain!

These demon cultivators have no way to escape and no place to escape!

As soon as David took action, he didn’t want to let them live!

Between heaven and earth, there was only a rustling sound and the panicked shouts of those demon cultivators!

Puff puff puff...

The arrow feathers fell, without any pause, directly penetrating the bodies of those demon cultivators!

There was no time to scream, and there was no way to escape!
