Chapter 3353

Seeing David's surprised look, Demon Mountain Ghost knew what David was surprised about, so he smiled lightly and said, "Mr. Chen, when I walk outside, I change my breath and control my cultivation. If I don't do this, it's easy to expose myself." Identity."

"My aura can be ever-changing, but the strength of each aura is much lower. Only the strength of my body aura will be much higher." "

This is Tianmo Mountain, so I don't have to hide my aura. My strength comes naturally. It just improved..."

After listening to Demon Mountain Ghost Elder's explanation, David finally understood. He thought that Demon Mountain Ghost Elder had risen to several realms in a short period of time!

"Gui Lao, are you also here at Xuanyin Sect to discuss an agreement?"

Jin Dong asked Demon Mountain Gui Lao!

"Yes, several major demon clans from Tianmo Mountain are here, how can I be left out..."

Demon Mountain Ghost Old Man said with a faint smile!

"Then ghost, please go in quickly, my master has already gone in." Jin Dong said!

"Why don't you go in?"

Old Devil Mountain Ghost asked!

"Xuanyin Sect has regulations. Because Mr. Chen and the others are not demons, we can't bring them in. Master asked us to accompany Mr. Chen around. After all, we have to fulfill our friendship as landlords in Tianmo Mountain.

” Dong explained!

When Devil Mountain Ghost heard this, he immediately frowned and said, “Damn it, Old Man Kong has grown up. I’m going to see what’s going on. I don’t care about breaking the rules. Mr. Chen must go in!” Seeing Devil Mountain Ghost acting like that

, It seems that he is going to fight with the leader of Xuanyin Sect!

“Old Ghost, it’s fine for me to wander around outside. As long as the battlefield of gods and demons is open and I can enter, it will be fine.”

David hurriedly persuaded!

“Mr. Chen, don’t worry. No one else can enter the battlefield of gods and demons. You can definitely enter. If that old man Kong dares to beep, I will let his Xuanyin Sect never have peace.” Old Devil Mountain Gui promised, patting his chest

!

“Then thank you Guilao...”

David smiled slightly!

After saying goodbye to the Demon Mountain Ghost Lao, David and the others wandered around the Xuanyin Sect!

Soon, David discovered that there was a lot of people in front of a house, and there were many people bustling about!

“Mr. Chen, that is the treasure gathering pavilion of Xuanyin Sect. There are many treasures belonging to the master of Xuanyin Sect. These things can be sold or exchanged.” “If you are interested, I will take you

there to have a look...”

Jin Dong said!

“Okay!” David nodded!

David is somewhat interested in the magic cultivator’s treasures!

When David and the others walked into the Jubao Pavilion, they discovered that the space inside the Jubao Pavilion was extremely large. They should have used space magic or something like that. From the outside, the house didn't look big, but when they walked inside, they were surprised. Huge!

The room is filled with various weapons, fairy grass, and various rare treasures!

“There are too many treasures here, right?”

Ji Yun couldn't help but sigh after seeing so many treasures!

David looked around with his eyes, just glanced lightly, and said slightly disappointedly, “Let's go, there are no good things here...” “

Mr. Chen, there are so many treasures here, how can there be no good things?”

Jin Dong Full of confusion!

David walked out smiling without saying a word!

Originally, David thought that the leader of the Xuanyin Sect would really take out his treasures, sell them or exchange them, but when he walked into the Jubao Pavilion, he discovered that many of these so-called treasures were fake, and some were real. There is a flaw!

It seems that the major demon sects in Tianmo Mountain are not very proficient in identifying treasures, so they let Xuan Yin Sect start such a deceptive business!

However, David didn't say it clearly. He had no grievances by following the Xuanyin Sect, and he didn't have to ruin other people's jobs!

Chapter 3354

After walking out of the Jubao Pavilion, there is a street next to the Jubao Pavilion. It is usually deserted, but now it is very lively!

Many monks are placing their own items on the street. Among these monks are demon cultivators, some from human race and some from beast race!

Of course, there are also many people buying. After all, it is rare to see three tribes selling things together!

Some human monks are interested in demon clan items, while demon clan members are interested in orc clan items, which also causes many people to gather in front of each small stall!

David was wandering around with Jin Dong and the others, feeling very relaxed!

This was the most relaxing moment for David when he came to the Heaven and Human World. If the Heaven and Human Realm had this kind of harmonious scene among the three races, how wonderful it would be!

But David knows that these are all extravagant hopes. Even in the secular world, it is a world of humans, and there are constant disputes every day!

Not to mention the world where three races exist like the world of heaven and humans!

“This broken clock of yours costs one hundred thousand spirit coins. Are you out of your mind because of your poverty?” “

You guy, your beast tribe has never seen money, right? This broken thing costs one hundred thousand?” “

What a lion’s mouth.” , This rag dares to ask for one hundred thousand spirit coins.”

In front of a stall near the corner, a sarcastic voice suddenly sounded!

After hearing this, David followed Jin Dong and others and walked over!

David saw a big man with a velvet face sitting in front of a stall decorated with rags. He was silent and expressionless!

Even in the face of such ridicule from everyone, this big man remained silent!

And on the rag, there were more than a dozen items placed, which looked very ordinary. There was only one item that looked like a clock, exuding a mighty aura, attracting everyone’s attention!

It must be this item that those people were talking about just now!

“Boy, can you sell your broken watch for ten thousand spirit coins?”

“At that time, a monk asked while holding the clock!”

The big man didn’t speak, he just shook his head!

“Twenty thousand, twenty thousand, that’s the most…” the monk continued to ask!

The big man still shook his head!

“Damn, this broken thing is still a treasure. You can never sell this thing…”

The monk threw away the clock and left angrily!

David squatted down and took the clock in his hand. After taking the clock, David discovered that the clock was actually carved from jade, lifelike, but the hands did not move at all, it was just an ornament!

But there seemed to be several subtle formations engraved on the clock. David looked at it for a long time and didn’t know what use such a small formation could have!

David looked at it for a long time and found that apart from the good texture and the powerful spiritual energy contained in this clock, there was nothing special about it!

After all, there is no shortage of spiritual energy in this world of gods and humans, so this clock is not valuable!

David took the clock and glanced at the big man again. Since this thing dared to ask for one hundred thousand spirit coins, it must have its value. Maybe he hadn’t found out clearly yet!

David exuded an aura and penetrated into the clock. He found that the clock was just a piece of jade carving, with nothing special about it!

David was a little disappointed and was about to put the clock back on the stall, but when he reached out and was about to put it back, he suddenly found that the hands on the clock jumped!

David was stunned, quickly took his hand back, and looked carefully again!

“Mr. Chen, this is just an ornament carved from jade, it has no value.”

Jin Dong saw that David had been looking at the clock, so he said!

David didn't speak and stared at the clock, but the hands didn't move!

After a while, David asked Jin Dong and Ji Yun, “Did you just see the hands of this clock move?”

Chapter 3355

“Mr. Chen, this is just carved from jade, how could it move?”

Ji Yun asked!

“Yes, this is fake, the pointer will not move.”

Jin Dong also said!

“Master, are you dazzled, or do you have a fever?”

Huofeng gently touched David's forehead with his white and delicate hands, “I don't have a fever either...”

David was sure that he was definitely not dazzled just now. , but no matter what he does now, the clock is still the same and the hands don't move!

“Fellow Taoist, if you don't want to buy it, please put down the clock for me!”

the big man with a furry face said!

“I bought it...”

After David finished speaking, he looked at Ji Yundao and said, “Give him the spirit coin...”

“Mr. Chen, this clock is just an ordinary jade carving, it's not worth the price at all. Yes, don't lie to me.”

“There are also some fakes sold here, so you'd better look carefully.”

Luo Xi said!

She was afraid that David would be deceived here. When Luo Shouhai found out, he would definitely blame her and Jin Dong!

After all, this is the territory of the demon cultivator. The two of them took David around and let David be deceived!

“It doesn’t matter, even if it’s 100,000 spirit coins, it’s still worth buying an ornament...”

David smiled lightly!

Although David didn’t know what was weird about this clock, he always felt that this clock was anything but ordinary!

So I want to buy it first, and then go back and study it slowly!

But just when Ji Yun was about to give money, a voice suddenly sounded!

“I want this clock...”

Not far from David and the others, several young demon cultivators were walking towards them. One of the young men leading them had a scar on his forehead!

“Liu Xueyi, what are you doing here?”

Seeing the person coming, Jin Dong frowned slightly and said with disgust!

“Jin Dong, only you people from Blood Spirit Valley are allowed to come, but us people from Blood Spirit Peak are not allowed to come?”

Liu Xueyi said with a sneer!

Jin Dong glanced at Liu Xueyi coldly without saying anything, while Liu Xueyi looked at Luo Xi with a provocative look in his eyes and said, “Little junior sister, do you think there is anything you like here? If you like it, senior brother will buy it for you.” ...”

Luo Xi rolled her eyes at Liu Xueyi, snorted coldly and said nothing!

Liu Xueyi was not angry when facing Luo Xi's attitude. Instead, he looked at the big man who was buying things and said, "I want this broken clock. Isn't it just one hundred thousand spirit coins?" After saying that, Liu Xueyi took out the spirit coins and threw them in front of the big man

. , and then reached out to take the clock from David's hand!

David ducked out of the way, leaving Liu Xueyi to catch him!

"There has to be a first-come, first-served basis when buying things. I've already bought this clock..."

David looked at Liu Xueyi displeased and said!

Liu Xueyi was stunned for a moment, then sneered, "Did you buy it? Did you pay for it? Besides, you, a little human monk, dare to follow me and steal things. Don't you want to live anymore..." Liu Xueyi threatened David

. , this is the Demon Mountain, and demon cultivators are in power, so they are so rampant!

If he left Tianmo Mountain, this guy would probably be so scared that he would hide his aura!

"Liu Xueyi, this is Mr. Chen. You'd better be more respectful, otherwise you will get into trouble."

Jin Dong reminded Liu Xueyi!

Jin Dong knows David's strength, and this Liu Xueyi is no match at all!

When Liu Xueyi heard this, he immediately laughed and said, "Jin Dong, are you mentally ill? This guy's aura looks like he has just stepped into the Tribulation Realm, and this is still in Tianmo Mountain. Are you afraid of a little monk who has just stepped into the Tribulation Realm?"

"You have embarrassed your Blood Spirit Valley too much, and what you have embarrassed is not your own people, but the face of our entire demon clan."
In

Liu Xueyi's view, David is just a young man who has just stepped into the Tribulation Realm . Monks, Ji Yun and Huo Feng around them are only in the Fusion Realm, there is nothing to be afraid of!
