Chapter 3386

The people of the Tianlang Sect, in the white mist, no one dared to move for a while, because he couldn't distinguish between reality and illusion!

"Elder brother, please think of a way, we don't dare to move."

Someone shouted loudly!

"Yeah, I don't dare to move. There's someone in front of me. I don't know if it's an illusion."

"Who's cutting me, am I blind?"

"Sorry, I I thought it was an illusion."

"I can't see, the fog is too heavy..."

For a moment, many people from the Tianlang Sect started shouting, causing the middle-aged man in green to frown!

Now he must find a way to eliminate this mist, otherwise they may be trapped in this white mist!

I saw a cold light flash in the eyes of the middle-aged man in Qingyi, and he actually took out a very delicate small gourd from his arms. The small gourd was carved with a strange flower!

The middle-aged man in Tsing Yi clapped his palms and muttered something, and the little gourd started to grow in size with light emanating from it!

When the small gourd became the size of a bucket, the middle-aged man in Qingyi opened the gourd, and a crazy suction force surged in, sucking the white mist directly in!

"Fortunately, I have this sky-swallowing gourd, otherwise I would be trapped here!"

The middle-aged man in Qingyi snorted coldly, watching the gourd in his hand emitting divine light, constantly absorbing everything around him!

Soon, all the surrounding white mist was absorbed, and now everything appeared in front of you!

Only these members of the Sirius Sect discovered that they had been wandering around the edge, and there were several corpses of members of the Sirius Sect on the ground!

And dozens of people away, a monk stood motionless, exuding the aura of the sixth level of the Tribulation Realm!

Then the middle-aged man in green clothes turned his attention to David and Luo Xi. Seeing that they were just newly promoted tribulation cultivators, the middle-aged man in green clothes looked away!

In his opinion, David and Luo Xi are just followers. The real master is the sixth-grade monk in the Tribulation Realm!

“Elder brother, look at the weapons all over the floor. They should all be magic weapons. We are going to be developed.”

A member of the Sirius Sect looked at the weapons all over the floor and shouted excitedly!

“Don’t be too happy too early. Since the other party is so indifferent, he must be prepared. We can’t be reckless.” The

middle-aged man in Qingyi frowned!

They just rushed into the white mist in a daze, and several people died!

He can’t be reckless now. Since the other party is motionless, it proves that he is not afraid of them!

“Fellow Taoist, what sect are you from? We, the Tianlang Sect, don’t want to be your enemy, and I hope you don’t misunderstand me.” The middle-aged man in green took two steps forward, and then said

to the sixth-level monk in the Tribulation Realm. !

But the sixth-grade cultivator in the Tribulation Realm remained motionless and didn't even say a word. He looked like a puppet!

But the aura of the sixth level of the Tribulation Realm on his body has been constantly being released, and it seems to be intentionally warning the people of the Tianlang Sect!

“Elder brother, this guy is so crazy that he ignores you?”

Seeing that the other party didn't even speak, some members of the Sirius Sect became angry!

The middle-aged man in Tsing Yi also frowned and said, “Fellow Taoist, we are just...”

“Stop talking nonsense. Isn't Master ignoring you even if you haven't seen me? Either get out or keep your life.”

“Beep, beep, beep . . . , Don't you dare to take action?”

Before the middle-aged man in Qingyi finished speaking, David said with disdain!

Luo Xi glanced at David quickly. She understood that David was trying to trick these people from the Sirius Sect!

The cultivator of the sixth level of Transcending Tribulation, who is their master, is now just a puppet, with only the aura exuding from his body, and has no strength at all!

“Okay, if that's the case, don't blame me for being rude.”

The middle-aged man in green said, holding a sword in his hand, he stabbed towards the monk who was in the sixth level of transcending tribulation!

Chapter 3387

The rest of the Tianlang Sect also stared nervously at the sixth-grade monk in the Tribulation Realm, completely forgetting the existence of David and Luo Xi!

After all, the two people were too weak, so they were forgotten!

When the middle-aged man in green stabbed him, he found that the other party was still motionless, with no expression on his face!

The more the other party behaves like this, the greater the pressure on the middle-aged man in Qingyi. He really doesn't know what the other party relies on!

Seeing the long sword in front of him, there was still no movement from the opponent, which made the middle-aged man in green feel unsure!

Even the members of the Sirius Sect who were watching looked puzzled, wondering why the other party didn't fight back?

"Hmph, stop pretending. Even if you have an indestructible body, I will penetrate you with one sword." The middle-aged

man in green snorted coldly and stabbed you hard!

He also thought that the other party must have some kind of indestructible body, so he was so confident!

Poof... The

long sword instantly passed through the body of the sixth-grade monk in the Tribulation Realm, directly piercing his heart!

The breath of the sixth level of Tribulation Realm also disappeared without a trace at this moment!

At this moment, the middle-aged man in Tsing Yi was a little dumbfounded!

He really couldn't understand, was this sixth-grade cultivator in the Tribulation Realm so easy to kill?

Even the rest of the Tianlang Sect were stunned and didn't know what was going on!

But when the middle-aged man in green saw the other party's dull eyes, he was suddenly shocked!

"It's broken, I've been fooled, this is a puppet..."

The middle-aged man in Tsing Yi suddenly stepped back, trying to pull out the sword!

But at this time, a figure had arrived at an extremely fast speed, and then a sword light slashed over!

At the critical moment, the middle-aged man in Tsing Yi's whole body erupted with turbulent aura, and then formed a barrier in front of him!

And the figure slowly became clear, it was Chen Ping holding the dragon-slaying sword in hand, strike with one strike!

The dragon-slaying sword easily broke through the barrier, but the moment it broke through the barrier, the side of the middle-aged man in green was struck!

The sword light passed across the cheek and directly cut off the right hand of the middle-aged man in green who was holding the sword!

"Ah..."

After a scream, the middle-aged man in Tsing Yi retreated quickly, not caring about his weapons and broken arms!

"Elder brother..."

When everyone in the Tianlang Sect saw this, they hurriedly ran over and supported the middle-aged man in green!

The middle-aged man in green looked at David with cold eyes. He really didn't expect that David, a first-level monk in the Tribulation Realm, would have such courage and speed!

It seems that he was fooled from the beginning. The protagonist here turned out to be David, a first-level monk in the Tribulation Realm!

“You are young, but you are extremely insidious. You deliberately let me be fooled and took the opportunity to sneak attack on me. Do you think that sneak attack on me will allow you to win?” The middle-aged man in Tsing Yi said with slightly focused eyes, full

of murderous intent!

“How can you fight with me now that you have a broken arm? As the saying goes, catch the thief first, so of course I will attack you first.” “And you

call me sinister, but I am sinister, and I am better than beasts like you Tianlang Sect.” Strong, right? Don’t you know how many women you have ruined?”

David said with a gloomy look!

“Boy, you have the guts, but I have already remembered you. Even if I can’t kill you in this battlefield of gods and demons, when the battlefield of gods and demons closes, I will cut you into pieces outside.” “Let’s go

... ..”

The middle-aged man in Qingyi broke his arm, so he didn’t want to get entangled with David!

Although there are magic weapons everywhere here, there must be other treasures, but he knows that with these people and him being injured now, these treasures will become a disaster!

If they hold these magic weapons or treasures, someone will definitely attack them!

Therefore, the middle-aged man in Tsing Yi planned to stop the wound first and then make long-term plans!

Chapter 3388

“You want to leave? Have you asked me?”

David couldn't help but snorted when he saw that the other party was actually going to leave!

The middle-aged man in Tsing Yi was stunned, his brows knitted together and said, "Why, I don't care about you anymore, do you still want to fight with us?" "You

don't care about me, but I want to fight with you... "

After David finished speaking, Luo Xi stepped forward with a sword.

"Do you still know me?" Luo Xi glared at the guys from the Tianlang Sect and shouted sternly!

The middle-aged man in Tsing Yi looked at Luo Xi and looked him up and down, but he didn't seem to recognize him!

After all, they have played with many women, how could they recognize Luo Xi!

"I know..."

At this time, a member of the Sirius Sect recognized Luo Xi, and then whispered a few words in the ear of the middle-aged man in Tsing Yi!

"Oh, it turns out to be that little witch. No wonder she looks familiar to me, but I can't remember it." "

If someone hadn't saved you back then, you would have become our plaything by now. Why do you still want to take revenge? "

The middle-aged man in Tsing Yi said frivolously to Luo Xi.

Luo Xi was furious and was about to charge forward with his sword!

David stopped Luo Xi and said with cold eyes, "Let me help you deal with these beasts..." "

Boy, don't think that you can defeat me just because I broke my arm. I will let you know how powerful I am."

The middle-aged man in green sneered, and suddenly bursts of red smoke came out from his broken arm!

It's like what happens after blood boils!

But the severed arm not far away, still holding on to the sword, started to shake, and finally suddenly flew up and connected directly back.

The wound is also nourished by spiritual energy and is healing at a speed visible to the naked eye!

"I didn't expect you were really capable..."

David couldn't help but say when he saw this!

"I originally wanted to find a place to regenerate my broken arm. Now that you are seeking death, I have no choice but to put the broken arm back together."
The middle-aged

man in Qingyi said lightly. Write lightly!

Members of the Sirius Sect all have extremely abnormal physical recovery abilities.

"I didn't expect that your Tianlang Sect has such ability, but I will chop you into pieces and see if you can be reborn." The

Dragon-Slaying Sword in David's hand burst out with bright golden light, and he was ready to take action at any time!

"Then let's try it..."

The middle-aged man in Qingyi waved his long sword, and a sword light went straight towards David!

This time, the middle-aged man in Tsing Yi attacked with all his strength without any reservation, because he already knew the details of David, so there was no need to hold back!

Seeing this, David hurriedly turned his body to one side to avoid the sharp blow. Then, in the original space within his body, several original stars flashed at the same time!

Even the dragon crystal on David's chest radiated a dazzling light!

David knew that he could no longer have any reservations, he had to make a quick decision!

David pointed at the Dragon-Slaying Sword in his hand, and the power of the divine dragon mixed with various origin auras poured into the Dragon-Slaying Sword!

“This... what kind of power is this? It’s so scary...”

“Holy crap, what is that? It’s a dragon...”

“Is this guy a first-level monk in the Tribulation Realm? Isn’t he a big boss who hides his identity?”

Everyone in the Tianlang Sect felt the aura bursting out of David’s body, and they were all shocked!

Especially on David’s dragon-slaying sword, a golden dragon is slowly taking shape!

The middle-aged man in Tsing Yi’s eyes widened with horror. He hurriedly waved his long sword and sent out several rays of sword light towards David. However, he quickly retreated and distanced himself from David!

This dangerous aura made him feel nervous!

Because this kind of aura is not like what a first-level monk in the Tribulation Realm can emit. It is obvious that David is hiding his strength!

But the hidden strength prevented them from discovering it at all, which proved that David’s strength was far superior to them!

No wonder they wanted to leave, but David stopped them and refused to let them go. It turned out that they were pretending to be pigs and eating tigers...

Chapter 3389

The middle-aged man in Tsing Yi quickly formed a shield in front of himself, hoping to resist David’s attack!

Roar...

The golden dragon roared, and the sword lights swung by the middle-aged man in green instantly shattered under the impact of the golden dragon!

At the same time, the entire void rolled, and the heaven and earth seemed to merge into one color, and everyone was under David's majesty!

"Kill..."

David shouted angrily, resounding throughout the world, and the golden dragon roared and headed towards the middle-aged man in green! The shields put up by the middle-aged man in green collapsed under the golden dragon!

The middle-aged man in Tsing Yi's eyes were full of horror. Seeing the golden dragon so close, his heart almost stopped beating.

"Who are you? Who are you? What kind of power is this?"

The middle-aged man in Tsing Yi's face was full of doubts!

Because the power David exploded has gone beyond the scope of spiritual power and contains multiple powers!

There are actually several kinds of original powers among them!

You must know that even for monks in the Tribulation Realm, it is very difficult to comprehend the origin, and it is impossible to open up the origin space, let alone comprehend several origins!

Now he actually felt several kinds of original power from David's power, and there was also a power he didn't know about!

In fact, that unknown power is the power of the dragon!

The power of the divine dragon is the main one, supplemented by the original power!

The reason why David used all his methods to kill in one strike would be troublesome if it lasted for a long time!

“I will not be killed by you...”

The middle-aged man in Qingyi roared, and a gourd suddenly appeared in his hand, and the gourd began to emit a sky-swallowing suction force!

The golden dragon was unprepared and was sucked directly into the gourd!

Seeing this scene, David frowned slightly.

“Hahaha, no matter what your abilities are, As long as I have the Sky-Swallowing Gourd in hand, I can swallow everything for you...” When the

the middle-aged man in Qingyi saw the golden dragon being sucked away by the Sky-Swallowing Gourd, he burst out laughing!

David looked at the gourd in the guy’s hand, I know that this gourd is definitely not a mortal object, it should be a kind of spiritual treasure and magic weapon from the heavenly realm!

After all, the world of heaven and humanity was once a battlefield for many gods and demons, so it is normal for some immortals’ spiritual treasures and magic weapons to fall and be picked up by others. !

“Don’t be too happy too soon...”

After David said that, he raised the dragon-slaying sword in his hand again. The dragon-slaying sword was surrounded by the power of the dragon, and a golden dragon was born again! When the

middle-aged man in Qingyi saw it, he immediately He looked panicked!

The golden dragon produced by David’s Dragon-Slaying Sword was just the condensed power of the divine dragon, not a real golden dragon, so even if the middle-aged man in green had the sky-swallowing gourd in his hand, it would be of no use! The golden

dragon Roaring again, the middle-aged man in Tsing Yi hurriedly opened the sky-swallowing gourd!

The golden dragon was sucked in again, and the middle-aged man in Tsing Yi looked proud!

But soon, the smile solidified on his face, because after the golden dragon, several The sword light pierced his body instantly!

The golden dragon just now was just a cover. After the golden dragon, those sword lights were the killing move!

Looking at his body that was penetrated, the middle-aged man in Tsing Yi stared at him blankly body, eyes full of disbelief!

“How could this happen?” how so? “

The middle-aged man in Tsing Yi couldn't believe that he was penetrated by the sword so easily!

“Elder brother...”

Those people from the Tianlang Sect were all shocked when they saw their elder brother being penetrated!

Pfft... ..

A mouthful of blood spurted out, and the breath of the middle-aged man in green was flowing away quickly!

He looked at David in disbelief, and his face turned extremely ferocious!

“Even if I die, I will hold you on my back...”

The gourd in the hands of the middle-aged man in Tsing Yi began to emit light and grew in size again!

Chapter 3390

When David saw this, he couldn't help but frown. He could tell that this guy wanted to explode the sky-swallowing gourd in his hand!

“Quickly retreat...”

David hurriedly pulled Luo Xi and wanted to take Luo Xi away!

But it was too late, the sky-swallowing gourd emitted thousands of auras and was on the verge of exploding!

David could only activate his indestructible golden body, a layer of golden light to protect him in front of him, and then protect Luo Xi behind him!

Boom... The

sky-swallowing gourd exploded, and its power was comparable to that of an aerial bomb!

In an instant, the scattered weapons on the ground were blown away like darts, the earth cracked, and the magic circle set up by David also disappeared instantly!

The air wave soaring into the sky directly knocked David away. Fortunately, he had an indestructible golden body to protect him, and David's physical strength prevented him from being hit by the Chamber of Commerce!

Luo Xi, who was protected by David, was not hurt at all, but was knocked far away and looked very embarrassed!

But the other members of the Tianlang Sect were in misery. They were thrown away by the air wave of the explosion, and many people were directly killed or injured. Only a few who were breathing were seriously injured!

I have to say that the middle-aged man in Tsing Yi was so ruthless. In order to let David be buried with him and to prevent David from getting the Sky-Swallowing Gourd, he even ignored his junior brothers!

If it weren't for David's indestructible golden body protection and his physical strength, the explosion just now would probably have been a disaster!

"Miss Luo, are you okay?"

David asked Luo Xi!

"It's okay. Thank you Mr. Chen. If you hadn't been protecting me from the front, I would have died a long time ago."

Luo Xi knew that without David, she would have died long ago!

"It's okay!"

David said and ran back quickly!

He wanted to see what happened to the spirit beast egg. It would be a pity if the spirit beast egg was affected by the explosion!

When David returned, the scene was already in a mess. There was a huge pit on the ground. Piles of weapons are also scattered far away!

Some weapons even turned into powder and disappeared without a trace!

As for the middle-aged man in Tsing Yi, he turned into air, not even a scum was left!

But when David looked at the spirit beast egg, he found that the spirit beast egg was intact and had not even moved. It was amazing!

You must know the power of the explosion just now. Even an eighth-level monk in the Tribulation Realm would be blown away far away, but a spirit beast egg did not move at all!

David stepped forward to pick up the spirit beast egg and inspect it, but when he thought of the colorful glow that would emit when he touched the spirit beast egg, David stopped and did not dare to move!

If someone with evil intentions is attracted at this time, David may not be able to deal with it.

Following the fight with the middle-aged man in green, David almost exhausted his strength and now he is in urgent need of recovery!

With a thought, David put the spirit beast egg directly into the storage ring!

Anyway, we can't stay here anymore, and the weapons have been blown to pieces, and the original rich fairy energy is no longer there, so David has no need to stay any longer!

Luo Xi also came over at this time, looking at the scene, he was very scared!

If it weren't for David, she didn't know what would have happened to her!

"Mr. Chen, let's leave. The explosion just now will probably attract a lot of people."

Luo Xi reminded David!

“Okay!” David nodded and prepared to leave with Luo Xi!

“Help, help...”

Several members of the Sirius Sect who were seriously injured but not dead were calling for help!

David glanced at the seriously injured members of the Sirius Sect, then looked at Luo Xi, and then walked aside alone!

He knew what Luo Xi was going to do next, so he didn't want to put pressure on Luo Xi from the side!

When David walked aside, Luo Xi walked up to the members of the Heavenly Wolf Sect with anger in his eyes!
