Chapter 3393

I saw the aura outside Qi Peijia's body rising like a strong wind in an instant!

The color of the sky and the earth changed, the airwaves continued to surge, and Liu Xueyi beside him was blown back!

"Broken..."

Qi Peijia shouted angrily and suddenly waved his hand!

He wanted to forcefully break David's formation. To break the formation, finding the eye of the formation was the easiest way to break it! But

Qi Peijia actually wanted to forcefully break the formation. The reason why he did this was to show his strength in front of David!

In the void, streams of black mist condensed and quickly turned into a huge devil's palm!

As Qi Peijia pressed down his palm, the huge palm also fell suddenly!

When this palm fell, the entire void trembled, and David frowned slightly, and instantly activated the Indestructible Golden Body!

Golden light flashed out, forming a golden protective shield around the formation!

"He still has some real skills..."

Qi Peijia sneered as he looked at David's golden and indestructible body!

David, on the other hand, had a solemn look on his face, because this Qi Peijia was so strong, he should be at least at the eighth level of the Tribulation Realm!

It is not normal at all to be so young and still a casual cultivator, but to suddenly have such high strength!

You must know that Qi Peijia was not as good as Jin Dong in the past, so he was thrown into the Demon Swallowing Cave by Jin Dong!

But now, let alone Jin Dong, even Luo Shouhai can't resist this guy!

Now it seems that Qi Peijia must have had an adventure in the Demon-Swallowing Cave, but David didn't know exactly what adventure it was!

It was this adventure that made Qi Peijia's strength grow by leaps and bounds in a short period of time!

Qi Peijia slowly raised his hand, and a huge magic palm once again condensed in the void!

Then the second palm fell. With this palm falling, the ground suddenly cracked, and the magic circle David laid was instantly wiped out!

Liu Xueyi looked at Qi Peijia in shock!

You must know that they were all at the same level in the past, but nowNow, he might not even be able to resist Qi Peijia's palm!

He actually used his powerful strength to directly break through the magic circle!

When the magic circle broke open, David yelled, "Let's go..."

David suddenly exerted force, and Luo Xi was thrown far away.

David had to let Luo Xi escape first. Only in this way would he have no worries.

When Liu Xueyi saw Luo Xi trying to escape, he hurriedly jumped to catch up!

He couldn't let Luo Xi run away. This was a once-in-a-lifetime opportunity, and he had to seize Luo Xi!

When David saw that Liu Xueyi was going to chase Luo Xi, his eyes suddenly turned cold and he waved his palm suddenly!

"Thunder Palm..."

David shouted angrily!

Large black clouds gathered in the sky, and lightning flashed through the black clouds, rumbling non-stop!

This sudden change made Liu Xueyi stunned for a moment, and then he saw the black clouds in the sky condensed into a giant palm and swatted it towards him!

And in this giant palm, lightning is constantly bombarding down!

This frightened Liu Xueyi. He had never seen such a battle before!

Qi Peijia on the side saw David's Thunder Palm, and his eyes were full of surprise!

He really couldn't imagine that David, a first-level monk in the Tribulation Realm, could have such strength?

"Mr. Qi, save me, save me..."

Liu Xueyi roared, his heart filled with fear!

It is rare to see a third-level monk in the Tribulation Realm being beaten by a first-level Tribulation Realm monk and crying for help!

Qi Peijia waved his hand, and a giant palm also formed, directly supporting Liu Xueyi's head.

Boom...

Two huge palms collided together, instantly causing huge waves and flying sand and rocks like a sandstorm!

Liu Xueyi fell to the ground with a thud, and a mouthful of blood spurted out from his mouth!

Although Qi Peijia blocked his palm, the aftermath still shocked Liu Xueyi seriously!
