Chapter 952

Wen Xiang already smiled and stood up, "Su Nan is already working very hard, shouldn't you share more?"

Su Nan nodded solemnly.

Su Jin glanced at her, expressionless, "Young people need more experience."

Su Nan twitched the corner of her mouth, "....."

The two people finally left her office.

Su Nan breathlessly continued to read the documents.

Not long after, Yu Lou knocked on the door again and came in.

"Mr. Su, Mr. Shang is here ....."

Su Nan frowned slightly, only separated less than three hours, is the frequency of his appearance a little high?

"Come in."

Shang Qian is now her boyfriend, just not yet public, so even Yu Lou does not know, thinking that they

The two were simply working together.

Shang Qian walked in, smiled at her, and carried a food box in his hand.

Su Nan's eyes lit up, isn't this the private chef?

"Finished with your work?"

Shang Qian walked over, took the food box out and set it on the table, smiled.

"Not as important as your dinner, I was worried that you were busy getting together to eat, so I went and packed some, try it ....."

How can there be such a gentle and thoughtful person in this world?

She originally intended to casually make do with two bites.

But seeing Shang Qian's food box, she got rid of that thought.

One must take every meal seriously to be able to afford to work so hard for her!

“Have you eaten?”

Su Nan took the chopsticks and looked at him.

Shang Qian nodded, “I ate, I was supposed to talk about things at their house, that’s why I packed their house.”

It turns out that it was just by the way.

Su Nan doesn’t mind, it’s good to have something to eat.

There are her favorite sweet and sour chops inside, and sizzling lamb, it’s simply perfect.

But happy again, also can not show too obvious, she still eat up svelte, chew slowly, long used to.

Shang Qian looked at her patiently and suddenly spoke, “Have you seen Mr. Fu today?”

Su Nan gave a beat and nodded her head.

“Qin Yu wanted to break the cooperation between Mo Xian and Fu Group, and I didn’t expect Fu Yechuan to be there.”

It was no big deal, except that Su Nan didn’t expect Shang Qian to know about it.

"He didn't do anything, right? Last night Mr. Fu looked like he was pretty shaken up."

Su Nan shook her head, "No, Fu Yechuan is a decent person, he won't do anything to lose both sides."

After all, the relationship between the Su family and the Fu family is already on thin ice and can't afford any setbacks.

For the sake of superficial peace, Fu Yechuan will not do anything to damage the face of the two families.

Shang Qian smiled, relieved like a sigh of relief, "That's good."

But between the eyebrows is slightly up, decent people?

Not really, right?

When Su Nan finished eating, Shang Qian looked at the time, "If you have time, do you want to go to the airport with me?"

Su Nan looked at him confused: "Why go to the airport?"

Shang Qian smiled lightly, "Mike is on vacation and is coming to Z."

"What time is the flight?"

Su Nan was surprised, such a big thing, how come he didn't say anything?

"It should have just landed now."

Su Nan jerked up, "You didn't tell me earlier, then wouldn't he have to wait for a long time?"

Shang Qian smiled, "It's okay, he has nannies and bodyguards around him, nothing will happen."

Su Nan really regretted dying, she was still eating slowly just now .....

Shang Qian is still slowly and methodically packing up her finished food, Su Nan urged aside.

"Just let Yu Lou clean up, let's get going!"

She hadn't seen Little Mike for a long time, and really missed him a bit.

Shang Qian laughed a little, a little helpless, "He's much happier to see you than he is to see me."

Chapter 953

Su Nan had already put on her coat and scarf, and stood at the door with her bag.

This speed, simply fast!

Shang Qian also can not dawdle, take the things with her downstairs.

The weather outside is cold, drizzling rain.

The company's business is a very important part of its business.

But he did not intend to call Mike to calm the emotions, to the airport, more than half an hour has passed.

Su Nan got out of the car and watched Shang Qian unhurriedly take out his cell phone and call his bodyguard.

He looked back at Su Nan, "Coming right over."

Su Nan nodded, and in less than two minutes, she saw in the crowd the bodyguard and maid Susan, and Little Mike, who was toddling over.

Little Mike is wearing a denim suspenders, walking a small punk style, with a cowhide hat, looks white and young beautiful and handsome.

It's been a while, seems to be a little taller, the pair of turquoise blue eyes, looks watery and clear.

Little Mike did not expect to see a beautiful sister, wiped his eyes, and then ran and pounced with joy .....

“Pretty sister .....”

Su Nan also smiled and waved, but just at the moment when little Mike was about to jump into her arms, the little thing’s neck was picked up.

Shang Qian smiled mildly and harmlessly, carrying him in mid-air kicking his legs.

“Child smash, miss me?”

The moment he came up, he wanted to hug his girlfriend, after his consent?

Little Mike aggrieved and bitter face, looking at Shang Qian next to him.

“Oh, daddy, you’re here too .....”

Shang Qian: “.....”

Su Nan laughed and hurriedly went over and touched Shang Qian’s arm, signaling him to put little Mike down.

Shang Qian looked at her helplessly before he slowly let go of this uncaring little bugger.

As soon as he let go, little Mike was like a wild horse off the leash and jumped into Su Nan's arms, hugging her thighs and shaking.

"Beautiful sister, I really miss you so much ....."

So soft and sticky little Mike, it's so delightful, right!

Su Nan smiled and looked at him.

"Little Mike, welcome to the Z country oh ....."

Little Mike nodded heavily, then waved towards the nanny and bodyguard behind him.

The two men were carrying two large suitcases in one hand and both looked exhausted.

"Is your luggage so much?"

Shang Qian frowned.

Little Mike smiled, "This is all the gifts I prepared for my beautiful sister!"

Su Nan was shocked, oh my!

He said to open, "This is when I went to H to participate in the competition, others gave me, is the real goods

I brought it back! It's the red color that pretty sister likes the most!"

Su Nan was stunned for a moment, when did she like red?

The moment he opened the suitcase, Su Nan's mind went blank.

A red half old double embroidered shoes placed inside, an eerie feeling as if from the suitcase out .....

Shang Qian also changed his face, his face ugly immediately went over to close his suitcase.

"What's going on here?"

He looked at the nanny and the bodyguard.

The nanny was raised abroad and did not understand the customs of Z. She shook her head blankly.

And added excitedly, "It was bought at an auction in H. It cost you a lot of money, and I heard that it was an antique stripped from a woman who had been dead for a thousand years ....."

The bodyguard twitched the corners of his mouth, "I advised him, the young master said if the beautiful sister does not like it, it will be given to you, Mr. Shang ....."

Chapter 954

Su Nan and the other side of Ning Zhiyi.

Shang Qian's eyes sank slightly, and soon recovered well.

Not angry, even if it disturbed Su Nan's sleep, she did not mean to.

Su Nan got up and walked over to look at Qin Yu's face was rosy and lustrous, her eyes were firm and shining, but her voice was breathless.

It was probably because she hadn't eaten.

"You're awake? How are you feeling?"

Qin Yu seemed to be remembering what happened before, and her eyes dimmed down.

Her voice was weak: "I'm hungry."

Su Nan and Ning Zhiyi couldn't help but breathe a sigh of relief as Shang Qian handed over the prepared things.

Two people were setting up a small table for her, and Qin Yu mumbled and spoke.

“Is Brother Su not here?”

Su Nan gave a start, Qin Yu pursed her lips, her gaze flickered slightly: “I remember he saved me.

“I remember he saved me, and I want to thank him personally.”

Obviously already let himself forget those painful crushes.

But the memory of Su Jin, that was the first time he protected her so much, the first time he hugged him, the first time he was so close to her.

Her dead heart wanted to come to life again .....

What if, what if he also has a little bit of interest in himself?

For this eventuality, she was willing to go out of her way to give it a try.

Looking at Qin Yu’s expectant gaze, Su Nan paused.

“Big brother has something, but I guess he will come over to see you after a while.”

She understood Qin Yu's mind very well and had no right to determine right and wrong.

Ning Zhiyi sighed at the side, "You, you have to polish your eyes, that Mo Xian doesn't look like a good person, I told you before, you still think I judge people by their appearance, now you've tasted the bitterness, right?"

Qin Yu's expression was slightly lost for a moment, and his voice was low.

"I was blind, all that I thought he did for me was just something he did to fool me.

When I was trapped in the mountains, he didn't have a helicopter because he would have alerted his wife by using it, so he would rather let me crawl out of the mud, I was so blind!"

Ning Zhiyi walked over and patted her on the shoulder.

"Well, break clean this time, and grow wiser after you've learned a lesson."

Qin Yu's eyes flashed a trace of hostility, Su Nan calmly looked at her: "If you do not want to just forget it.

"If you don't want to just let it go, we will also help you out until you are satisfied."

Proud Miss Qin Yu, there is no need to hold back her anger.

Qin Yu raised her eyes to look at her and pursed her lips, "I will say if I need to."

They don't need to be polite.

Su Nan smiled and Qin Yu took a deep breath, "Well, I'm going to eat, were you guys here all last night?"

She looked at Shang Qian behind Su Nan and blinked, "Mr. Shang wouldn't be here too, right?"

Shang Qian smiled and spoke in a hurry, "I was napping in the lounge next door, it was the two of them who worked hard."

Su Nan smiled and looked at him, "It's late, you go and get busy, I'll leave after a while."

Shang Qian hesitated for a moment, Su Nan tsked, went over and pushed him out.

"We are going to whisper, how can you say it here?"

Shang Qian laughed helplessly, it turned out that he had become a light bulb.

He was forced to walk to the door before he paused and turned his head to look at Su Nan.

"Then I'm leaving, call me if you need anything?"

Su Nan hurriedly and impatiently nodded.

Shang Qian smiled gently and did not move, a look of fondness.

Su Nan really can not take him, behind the Ning Zhiyi and Qin Yu blazing eyes watching the show, has made people's faces rolling.

Shang Qian also saw her embarrassment, not more difficult, just reached out and pulled her hand, fondled a little, before releasing.

Su Nan's face is red, this Shang Qian is taking advantage of her?

Chapter 955

Shang Qian frowned slightly, looked at Su Nan's bewildered face and explained.

"Shang Yi is my second uncle and the heir of the merchant."

Su Nan nodded, Shang Qian never mentions the merchants in front of her, but when the family comes, I guess Shang Qian will find the opportunity to talk to her.

Little Mike waved his fist: "Also bad egg!"

Su Nan raised her eyebrows, it seems that the merchants are not calm.

She laughed, did not make a sound, should have known to let Yu Lou to more or less check the bottom.

Send Little Mike back to rest, Su Nan did not stay long, and received a call from Su Yi Feng.

He sounded like not much pain: "The family has guests, Xiao Wu you come back to the trip."

At the end, he added: "Come back by yourself."

The implication is that she should go back alone and not take anyone with her.

Su Nan said "hmm" and said goodbye to Shang Qian and Little Mike.

Su Residence.

Uncle Butler came to open the door for her, Su Nan got out of the car and asked, "Who is the guest?"

Uncle Butler shook his head, indicating that he didn't know either.

Su Nan went in and looked at Su Yi Feng sitting with his heart in his mouth and a man of about thirty sitting across from him with a false and perfunctory smile on his face.

Su Qi, on the other hand, was sitting across the table, handsome and bright-eyed, carelessly glancing at Su Nan who appeared at the door.

“Little Five is back?”

Su Nan smiled and walked over, “Dad, third brother, this is .....

It looks like a businessman, an elite in the mall, with a cold sharp light in his eyes, shrewd as hell.

Su Yi Feng has not yet spoken, the man has stood up.

“Miss Su, first time to meet, my name is Shang Yi, I am the president of Shang Group.”

He stretched out his hand, Su Nan smiled lightly and shook his hand, her eyes faintly flashed, this name was heard just now.

Su Qi added at the side, “Also Shang Qian’s second uncle, Xiao Wu.”

Su Nan smiled, “Shang Qian mentioned it.”

Shang Yi raised his eyebrows, “I didn’t expect him to mention me in front of you, how rare.”

Su Nan pursed her lips, "I wonder what advice Mr. Shang came to give?"

The eyes of Shang Yi flashed, the narrow eyes gave people an uncomfortable feeling.

Like inviting the king into a jar.

"I'm here, I want to cooperate with Su Group."

Su Nan shallow smile, "What kind of cooperation does Mr. Shang want to talk about?"

It is estimated that it will not be so simple, if the rush to send money, Su Yi Feng's face should not be so ugly.

And there is no reason to come home to talk about cooperation.

Obviously, he came with conditions.

Shang Yi took a deep breath: "Shang Qian's AI project with Su's group was hidden from view, the merchant knew about this matter, more or less disappointed.

You should know that the core of our business lies in artificial intelligence, and then abroad, whether sales, research or contacts, business is a hundred times stronger than Shangqian.

If Su's group is willing to give up personal cooperation with Shang Qian, our merchant is willing to use all of our strength to expand research and production and increase the amount of investment by three times."

For a while, the room was somewhat quiet and no one made a sound.

Su Qi did not care to participate in this kind of topic, he just disliked Shang Yi by feeling.

Su Yi Feng, on the other hand, was a bit disgusted.

Shang Qian and the Su family had a good relationship, so Su Yi Feng had a good impression of Shang Qian.

But this second uncle of Shang Qian looks like a cunning vixen.

The company has been talking about destroying the partnership between Shangqian and the Su family, and I don't know what their businessmen are like in private?

If his little five with Shangqian together, will not of will not be aggrieved .....

The old father is still thinking long term ah!
