

The Day I Kissed An Older Man by Cher the Cherished

Chapter 957

Before Phoebe got up, she put her hand over Anya's to remind her to stay calm and improvise no matter what would happen.

Anya looked up at her with panicked eyes; it seemed like she would not be calming down anytime soon.

As much as Phoebe wanted to stay, she had to follow Cedric and Beatrice back to their room. Corinne was the next to follow. Lucas threw a doubtful glance at Anya before going into the room, too.

After they all went into the room, Corinne kept the door slightly ajar so they could all hear what was going on outside.

A few moments later, Lilliana and Sherlyn were led into the grand living room by a servant. The two women looked confused as they did not know why Anya had asked them to come.

Lilliana smiled charmingly at Anya, who sat alone on the sofa. "How can I help you, Miss Anya? Do you have any other instructions other than the ones you gave us this morning?"

Sherlyn smiled, too. "Yes, Miss Anya. Just let us know if you want us to do anything else. Did you call us over because you think we need to make up more dirt about Corinne? Well, consider that done. My whole family including me hates her so much that we can't wait to see her life ruined."

Anya was as pale as a ghost. "Who... Who are you two? I've never met you two in my life at all..." she said with a frown.

Lilliana and Sherlyn were both shocked. They exchanged confused glances before turning back to look at Anya.

"You... You're Miss Anya, correct?" Lilliana asked after recovering from her shock.

"Miss Anya, have you forgotten we met this morning at the park? Not to mention, you were the one who chose the location," said Sherlyn in disbelief.

Anya blinked rapidly at Lilliana and Sherlyn, hoping they would get the hint. "I don't know you two, and I've never seen you two before. Stop pretending like you know me."

Lilliana and Sherlyn had no idea what was going on, so they failed to get Anya's hint.

"Mom, do you think Miss Anya has a twin? It's possible the one we met this morning was her twin sister," whispered Sherlyn.

Lilliana frowned in consternation. "No. I don't think so. I've never heard she has a twin sister."

At that moment, everyone in Cedric and Beatrice's room had their suspicions confirmed.

The two elderly people, with the help of their servants, were the first to walk into the living room. The first thing they did was to look at Anya with eyes filled with disappointment.

"How could you do this, Anya? I can't believe you were the mastermind behind Corinne's online scandal!" growled Cedric furiously.

Beatrice was livid as well. "How can you lie to your grandparents? Who taught you to do that? What happened to the good girl we all know?!"
